Rev. Jim Baar, Reverend of Fellowship Reformed Church in Holland, offered the following invocation:

“Almighty God, our Creator, we thank You for the amazing gift of life with all of its opportunities and possibilities. We thank You for the wonder of Your creation and we stand amazed that You have called us to join You in being stewards of that creation.

We are thankful for our country and for our wonderful heritage that we enjoy so much and sometimes take for granted. We thank You for our wonderful state with its water and wilderness, urban and rural areas and its diversity of people. We are thankful for those who are willing to serve as leaders in our country and we pray that You will bless them with Your grace and with Your Mercy.

It’s my guess, O Lord, that the folks in this House are pressed upon in many different ways and are called upon by constituents, by party, by committees, by lobbyists and many others, in the decisions that they are called to make. I ask that You will bless them with Your wisdom beyond their own. May they be guided by the principles that You challenged Your prophet in the Old Testament, Micah, to lay before Your people, to do justice, to love mercy and to walk humbly with God and with all of His people. We pray this in the name of Jesus, Who came, not to be served, but to be a servant to all. Amen.”

Rep. Stamas moved that Rep. Gilbert be excused from today’s session.
The motion prevailed.

Rep. Segal moved that Rep. Hobbs be excused from today’s session.
The motion prevailed.

Reps. Kowall, Hughes, MacGregor, Lori, Opsommer, Denby, O’Brien, Price, Lyons, Ouimet, Wayne Schmidt, Graves, Bauer, Slavens, Hovey-Wright, Lindberg, Darany, Byrum, Bledsoe, Lipton, Oakes, Tlaib, Dillon, Geiss, Haugh, McCann, Smiley, Durhal, Talabi, Liss, Howze, Barnett, Meadows, LeBlanc, Johnson, Moss, Potvin, Bumstead, Brown, Constan, Heise, Horn, Knollenberg, Kurtz, Poleski, Segal and Tyler offered the following resolution:

House Resolution No. 255.

A resolution to commemorate the Mental Health Association in Michigan on its 75th anniversary.

Whereas, The Mental Health Association in Michigan was founded in November 1936 and began operations in 1937; and

Whereas, The Association has endeavored to improve the quality of life for state residents experiencing mental illness over the past 75 years; and

Whereas, The Association has been and remains renowned for its policy analysis and governmental advocacy efforts, believing it can do the greatest good for the greatest number through this approach; and

Whereas, The Association has been in the forefront of many critical mental health advances during its history including enactment of the state’s first school social worker law, establishment of the first state-operated psychiatric hospital for children, development and subsequent revision of the state’s Mental Health Code, and the initiation of Community Mental Health programming in Michigan; and

Whereas, The Association has been led by a distinguished group of Michigan citizens serving as its Board Chairs, including former directors of the Michigan Department of Mental Health, former legislators, members of the judiciary, clergy, and others; and

Whereas, The Association’s work fills a vital role in Michigan, with one in four adults and one in five children experiencing a mental disorder annually; and

Whereas, Untreated or inadequately treated mental illness causes considerable human suffering, family difficulties, and negative consequences for society in areas such as justice system incarceration and homelessness; and

Whereas, Adults with serious mental illness have a lifespan 25 years shorter than the rest of the population; and

Whereas, Technology improves annually for identifying mental illnesses and helping people recover from them, yet many public misconceptions about mental illness still remain; and

Whereas, The Association is a recognized leader in current efforts to improve mental health insurance coverage, divert persons with mental illness from justice system incarceration, promote better access to treatment mechanisms and combat stigmatization of mental illness; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the Mental Health Association in Michigan on its 75th anniversary. We commend the organization on its effective work of enriching the lives of individuals and families experiencing mental illness and extend best wishes in their future efforts to replace hopelessness and despair with recovery and opportunity.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Pscholka, Haveman, Heise, Bumstead, Wayne Schmidt, Foster, Hughes, Jenkins, Gilbert, Price, Tyler, Haines, Nesbitt, Glardon, Genetski, Lori, Franz, Pettalia, MacGregor, Cotter, Shaughnessy, Denby, Outman, Lyons, Brunner, Smiley, Potvin, Damrow, Somerville, LaFontaine, MacMaster, Zorn, Barnett, Bauer, Durhal, Horn, Knollenberg, Kowall and Kurtz offered the following resolution:

House Resolution No. 256.

A resolution to memorialize the President of the United States and the United States Secretary of Agriculture to declare the Southwest Michigan fruit-growing region a disaster area in the wake of weather conditions that have devastated grape production.

Whereas, In 2010, Michigan produced 36,000 tons of grapes with a net value of \$15.4 million. Grapes grown in Southwest Michigan are used for juice and wine production around the country. Welch's Foods relies on Michigan growers for 17 percent of its grape supplies for its juice production; and

Whereas, Warm temperatures in Michigan have wreaked havoc on Michigan's grape, apple, and other fruit and vegetable crops. The early warmth caused plants to sprout prematurely putting them at risk of damage when devastating frost occurred in early April; and

Whereas, An estimated 10,000 acres or approximately 95 percent of the crop in Southwest Michigan were destroyed by the April frost. It is projected that grape farmers alone will realize a loss of over \$20 million for the 2012 season; and

Whereas, The U.S. Department of Agriculture offers several programs to help farmers recover financially from a natural disaster. In order for low-interest loans and other federal assistance to be available to the fruit and vegetable growers, Southwest Michigan must be declared a disaster area; now, therefore, be it

Resolved by the House of Representatives, That we urge the President of the United States and the United States Secretary of Agriculture to declare the Southwest Michigan fruit-growing region a disaster area in the wake of weather conditions that have devastated grape production; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the U.S. Secretary of Agriculture, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Agriculture.

Reps. Glardon, Barnett, Byrum, Constan, Darany, Durhal, Heise, Horn, Knollenberg, Kowall, Kurtz, LeBlanc, Liss, Poleski and Tyler offered the following resolution:

House Resolution No. 257.

A resolution to declare May 12, 2012, as Train Day in the state of Michigan.

Whereas, The United States of America has made a considerable financial commitment to expanding the nation's high-speed and intercity passenger rail (HSIPR) network, including funding for Michigan to purchase the rail corridor from Dearborn to Kalamazoo which, combined with the Amtrak rail corridor from Kalamazoo to Porter, Indiana, will create the longest passenger rail controlled corridor outside of the northeast corridor; and

Whereas, Developing this pipeline of national high-speed and intercity passenger rail projects will revitalize the domestic manufacturing industry and create additional American jobs building on the one million good-paying middle-class creating American jobs that can never be outsourced already supported by the rail industry; and

Whereas, Ridership on Amtrak has grown eight out of the last nine years, further demonstrating the increased demand for intercity passenger rail services; and

Whereas, In highly populated regions, Amtrak trains and infrastructure carry intercity passengers and commuters to and from work in congested metropolitan areas, providing a reliable rail option while reducing congestion on roads and in the skies; and

Whereas, Amtrak annually provides intercity passenger rail travel to over 30 million Americans residing in 46 states; and

Whereas, For many rural Americans, Amtrak represents the only major intercity transportation link to the rest of the country; and

Whereas, Passenger rail provides a more fuel-efficient transportation system thereby providing cleaner transportation alternatives and energy security; and

Whereas, When combined with all modes of transportation, passenger railroads emit only 0.2 percent of the travel industry's total greenhouse gases and one freight train can move a ton of freight 457 miles on one gallon of fuel; and

Whereas, In the state of Michigan, more than 880,900 people got on and off trains for the fiscal year 2011; and
 Whereas, Our railroad stations are a source of civic pride, a gateway to our communities, and a tool for economic growth that creates transportation-oriented development and livable communities; and

Whereas, On May 10, 1869, the “golden spike” was driven into the final tie at Promontory Summit, Utah to join the Central Pacific and the Union Pacific Railroads, ceremonially completing the first transcontinental railroad and therefore connecting both coasts of the United States; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 12, 2012, as Train Day in the state of Michigan; and be it further

Resolved, That we recognize and celebrate the pivotal role that a robust intercity passenger rail system can provide for better mobility for persons of all abilities; and be it further

Resolved, That we hold events at our stations for our communities to commemorate this momentous day in railroad history.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Townsend, Barnett, Brown, Byrum, Constan, Darany, Durhal, Heise, Knollenberg, LeBlanc, Liss, Poleski, Segal, Slavens and Tyler offered the following resolution:

House Resolution No. 258.

A resolution to declare May 7-11, 2012, as PTA Teacher Appreciation Week in the state of Michigan.

Whereas, A strong, effective system of free public education for all children and youth is essential to our democratic system of government; and

Whereas, The United States and the state of Michigan have made considerable progress in the social, technological, and scientific fields due to our system of free and universal public education; and

Whereas, Much of this progress can be attributed to the qualified and dedicated teachers entrusted with the educational development of our children; and

Whereas, Teachers should be accorded high public esteem, reflecting the value the community places on public education; and

Whereas, PTA is keenly aware of the importance of teachers in children’s reaching their full potential; and

Whereas, It is appropriate that teachers be recognized for their dedication and commitment to educating our children; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 7–11, 2012, as PTA Teacher Appreciation Week in the state of Michigan. We urge all citizens to pay tribute to our public school teachers.
