Protest

Senator Whitmer, under her constitutional right of protest (Art. 4, Sec. 18), protested against the passage of House Bill No. 5463 and moved that the statement she made during the discussion of the bill be printed as her reasons for voting “no.”

The motion prevailed.

Senator Whitmer’s statement is as follows:

I voted for this bill in committee, but upon closer review, I concluded that my kids shouldn’t pay for a new stadium in Detroit for the hockey team. I am sick of the hypocrisy I see in this Capitol. I’m sick and tired of hearing about legislators who hate government but collect their salary every other Thursday, file for their SOCC check, and record their mileage. I’m sick and tired of looking out the window and seeing the Tea Party have a rally on my dime, on state property that we have to put the tents up for and make sure they’ve got heat, so that they can come in and lobby for a right-to-work bill that hasn’t even had a hearing and no public input. I thought they liked the Constitution, those Tea Partiers.

You know what else I’m sick of? The hypocrisy of the business community. The big business who says, “You know, it’s appalling when President Obama says something like ‘You didn’t build that; we all did,’” and then shows up the next week asking for \$700 million to build a stadium and asking my kids’ school to pay for it—and every one of yours, all 83 counties. This money is coming out of all of our schools.

As Bill Ballenger said, it is pure greed by the business community that continues to push the things they are right now, and it makes me sick. I hear my colleagues say, “Oh, this is for Detroit, so we’re all in favor of Detroit now”—because one billionaire called you.

What happens when we try to keep the lights on? We couldn’t find votes in here for six months to keep the lights on in Detroit. Talk about priorities—\$700 million of taxpayer money and a substantial hit to schools.

What we’re seeing here is that the Republicans are waging a relentless positive race to the bottom, and I, for one, want no part of it.

Senator Richardville asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Richardville’s statement is as follows:

House Bill No. 5463, which was sponsored by Representative John Walsh, passed out of the Government Operations Committee yesterday afternoon unanimously with bipartisan support. The Ilitch organization yesterday announced it is taking a step forward with the public sector to explore a partnership to support the development of a residential, retail, entertainment, and office district in downtown Detroit. This private investment is in addition to the more than \$1.9 billion that the organization has already invested in the city of Detroit and the state of Michigan.

This bill is a \$650 million public-private investment. It’s 8,300 construction jobs; it will have a \$1 billion impact economically to the state of Michigan; and it allows for the support of this economic development and requires no new taxes. Colleagues, I would like to request your support for House Bill No. 5463.

By unanimous consent the Senate proceeded to consideration of the following bill:

Senate Bill No. 1386, entitled

A bill to amend 1939 PA 280, entitled “The social welfare act,” by amending section 57a (MCL 400.57a), as amended by 2011 PA 131.
