Senate Resolution No. 25.

A resolution proclaiming March 2013 as National Athletic Training Month in the state of Michigan.

Whereas, Athletic trainers have a long history of providing quality health care for athletes and those engaged in physical activity. They have acquired specific knowledge and skills acquired through their nationally-regulated educational processes; and

Whereas, Athletic trainers provide recognition and prevention of injuries, evaluation and treatment, rehabilitation, health care administration, and education and guidance; and

Whereas, The National Athletic Trainers' Association represents and supports 35,000 members of the athletic training profession employed in professional sports, colleges and universities, high schools, clinics and hospitals, corporate and industrial settings, performing arts, and military branches; and

Whereas, Leading organizations concerned with athletic training and health care have joined together in a common desire to raise public awareness of the importance of the athletic training profession and to emphasize the importance of quality health care within the aforementioned settings; and

Whereas, Such an effort will improve health care for athletes and those engaged in physical activity and promote the athletic training profession; now, therefore, be it

Resolved by the Senate, That we hereby proclaim the month of March 2013 as National Athletic Training Month in the state of Michigan.

Senators Anderson, Bieda, Booher, Brandenburg, Hansen, Hildenbrand, Hopgood, Kowall and Marleau were named co-sponsors of the resolution.

Senators Hood, Hansen, Gregory, Booher, Marleau, Jones, Young, Hopgood and Anderson offered the following resolution:

Senate Resolution No. 26.

A resolution recognizing March 18-22, 2013, as Michigan School Counselors Week.

Whereas, The Michigan Senate recognizes the importance of school counseling through the inclusion of elementary and secondary school counseling programs in Michigan schools; and

Whereas, Michigan school counselors have long emphasized the importance of personal and social development and academic achievement. School counselors help develop well-rounded students by guiding them through their academic, personal, social, and career development; and

Whereas, Counselors play a vital role in ensuring that students are aware of financial aid and college opportunities. They may encourage students to pursue challenging academic courses to prepare them for college majors and careers in the science, technology, engineering, and mathematics fields; and

Whereas, School counselors help students cope with the serious and common challenges of growing up, including peer pressure, mental health issues, school violence, disciplinary problems, the deployment of family members to conflicts overseas, and problems in the home; and

Whereas, Counselors are also instrumental in helping students, teachers, and parents deal with personal trauma and community and national tragedies. They are among the few professionals in a school building who are trained both in education and mental health; and

Whereas, Despite the important contributions of school counselors to student success, counseling positions are not always protected when budgets are cut; and

Whereas, The average student-to-counselor ratio in Michigan public schools is 634-to-1, almost triple the 250-to-1 ratio recommended by the American School Counselor Association, the American Counseling Association, the American Medical Association, the American Psychological Association, and other organizations; and

Whereas, The celebration of Michigan School Counselors Week would increase awareness of the important and necessary role school counselors play in the lives of students in Michigan. It is important to acknowledge the role they play in cultivating our most important resource—Michigan's children; now, therefore, be it

Resolved by the Senate, That the members of this legislative body recognize March 18-22, 2013, as Michigan School Counselors Week.

Senators Bieda, Brandenburg, Jansen and Kowall were named co-sponsors of the resolution.

Senators Pappageorge, Booher and Hood offered the following resolution:

Senate Resolution No. 24.

A resolution designating April 2013 as Michigan Student Athlete Cardiac Awareness Month.

Whereas, The state of Michigan has lost at least 53 students to sudden cardiac arrest and related causes since December 1999, including 16-year-old Detroit Catholic Central High School football player David Widzinski who died in his sleep on December 3, 2012. On January 15, 2013, 17-year-old Toron Murphy, Jr., who played football for Martin Luther King, Jr. High School in Detroit, collapsed just after arriving at school and was later pronounced dead at the hospital; and

Whereas, One of those students lost was 15-year-old Kimberly Anne Gillary, who suffered a sudden cardiac arrest in a high school water polo game on April 1, 2000; and

Whereas, The Gillary family founded the Kimberly Anne Gillary Foundation in April 2000 in Kimberly's memory to donate automated external defibrillators (AEDs) to Michigan high schools and to advocate cardiac screening and testing of all Michigan high school student athletes; and

Whereas, As of February 2, 2013, the Kimberly Anne Gillary Foundation has raised more than \$1.18 million and donated more than 610 AEDs to Michigan high schools; and

Whereas, There have been at least two lives saved using AEDs donated by the Kimberly Anne Gillary Foundation. On October 24, 2007, the life of 17-year-old Ashley Palmer was saved at Davison High School due to the quick thinking and training of Davison High School staff members. On April 22, 2009, 67-year-old Larry Ratkowski, while a spectator at a Hamilton High School baseball game, was saved due to the quick thinking and training of the principal, the athletic trainer, one of the students, and a deputy sheriff; and

Whereas, In large part, as a result of the efforts of the Kimberly Anne Gillary Foundation, approximately 75 percent of the high schools in Michigan now have at least one AED, and staff members are trained in CPR and the use of an AED. There is an increased awareness of the importance of more effective pre-participation cardiac screening of our high school student athletes and having AEDs readily accessible in our Michigan high schools; now, therefore, be it

Resolved by the Senate, That April 2013 be hereby designated as Michigan Student Athlete Cardiac Awareness Month; and be it further

Resolved, That the people of the state of Michigan are encouraged to become more aware of the importance of improved pre-participation screening of our student athletes and the preparedness of our citizenry and public employees to respond to the sudden cardiac arrest of our sons and daughters while entrusted to our public schools in the course of their education; and be it further

Resolved, That the State Board of Education be urged to include provisions in policies and regulations for AED training in student health education courses and for regular AED drills, so that students and staff will be better prepared to use AEDs to save lives in schools and other public places; and be it further

Resolved, That the State Board of Education advise schools to facilitate the education of students and their families to identify situations where students may be at risk; and be it further

Resolved, That copies of this resolution be transmitted to the Kimberly Anne Gillary Foundation and the State Board of Education as a symbol of our support.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Meekhof moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Meekhof moved that further consideration of the resolution be postponed for today.

The motion prevailed.
