**257.610 Traffic control devices; placement and maintenance by local authorities and county road commissions; compliance with state manual and specifications; noncompliance with statutory provisions; sale, purchase, or manufacture of devices.**

Sec. 610. (a) Local authorities and county road commissions in their respective jurisdictions shall place and maintain such traffic control devices upon highways under their jurisdiction as they may deem necessary to indicate and to carry out the provisions of this chapter or local traffic ordinances or to regulate, warn or guide traffic. All such traffic control devices hereafter erected shall conform to the state manual and specifications.

(b) The state highway commissioner shall withhold from any township, incorporated village, city or county, failing to comply with the provisions of sections 608, 609, 612 and 613, the share of weight and gasoline tax refunds otherwise due the township, incorporated village, city or county. Notice of such failure, and a reasonable time to comply therewith, shall first be given.

(c) A person, firm or corporation shall not sell or offer for sale to local authorities and local authorities shall not purchase or manufacture any traffic control device which does not conform to the Michigan manual of uniform traffic control devices except by permission of the director of the department of state highways.
