Senator Morris W. Hood III of the 3rd District offered the following invocation:

Lord, today, thank You. Thank You for everything that you have given us, everything that You are giving us, and everything that You will give us. Lord, bless us for the things that we see and the things that we don't see.

Today, allow us to open up our hearts, our minds, our bodies, and our souls to what You have in store for us. Please let us follow Your lead, follow Your guidance, and give us the strength to speak when You want us to speak, and to be quiet when it's time to be quiet. We pray for all of those who don't have enough to eat, who don't have a place to sleep, and who may not have water to drink; those that have come upon hard times, be it mentally, physically, or anything of the sort, those who are going through health issues, who are struggling, those who can't get out of bed, those who can't walk, and those who can't talk—the things that we take for granted every day. Once again, please let us open up our hearts to them.

Lord, we ask all of these things in the name of Your Son, Jesus Christ. Amen.

The President, Lieutenant Governor Calley, led the members of the Senate in recital of the *Pledge of Allegiance*.

The concurrent resolution was adopted.

Senators Brandenburg, Hood, Hopgood, Hune, Johnson, Knezek, Kowall, Meekhof, O'Brien, Warren and Young were named co-sponsors of the concurrent resolution.

Senator Jones offered the following resolution:

Senate Resolution No. 27.

A resolution to designate May 2017 as Motorcycle Safety Awareness Month.

Whereas, Michigan has 247,672 registered motorcycles and 494,352 individuals who have operator licenses with a motorcycle endorsement; and

Whereas, The safe operation of a motorcycle requires the use of special skills developed through a combination of training and expertise, the use of good judgment, plus a thorough knowledge of traffic laws and licensing requirements; and

Whereas, The use of proper protective riding apparel is an important part of a motorcycle operator's responsibility; and

Whereas, Motorcycle safety awareness advocacy is a cooperative effort to decrease the number of injuries and fatalities associated with motorcycling; and

Whereas, The promotion of motorcycle rider education programs available through the Michigan Department of State, including recommendations that motorcycle operators wear the proper gear in addition to driving their vehicles defensively and cautiously, is intended to reduce the number of crashes; and

Whereas, The emergence of spring is synonymous with the return of motorcycle mavens to our state's roadways. Throughout Michigan, motorcyclists have been on the cutting edge of supporting the wise and sensible use of this enjoyable mode of travel. Indeed, the disproportionate number of motorcycle fatalities makes it vitally important to encourage motorcyclists to understand and practice the highest degree of safety. It is also important to remind other drivers that highway safety is beneficial to all parties traveling on public roadways; and

Whereas, Motorcycle Safety Awareness Month encourages motorcycle operators to don proper protective riding attire; to maintain their motorcycles at a high level of safe operating conditions; abide by the laws of the road; and to implement operating techniques providing an additional standard of safety. Additionally, car and truck drivers are informed of the fact that motorcyclists are resuming their travels on our public roadways, and each is advised to be exceptionally vigilant and watchful when approaching or passing a motorcycle on the highway; now, therefore, be it

Resolved by the Senate, That the members of this legislative body designate May 2017 as Motorcycle Safety Awareness Month in the state of Michigan. We encourage all of Michigan's citizens to participate in the aims and goals of this effort.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Senators Green, Booher, Marleau, Zorn, Colbeck, MacGregor, Rocca, Conyers, Proos and Pavlov the following resolution:

Senate Resolution No. 28.

A resolution to recognize October 1-7, 2017, as Lions Week.

Whereas, There are over 11,000 Lions members, both men and women, in more than 400 clubs throughout Michigan. Around the world, their 46,000 clubs and 1.4 million members make them the world's largest service club organization; and

Whereas, In 1925, Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, and challenged Lions Club to become "knights of the blind in the crusade against darkness." Since then, they have worked tirelessly to aid the blind and visually impaired. The Lions have earned high marks for both integrity and transparency throughout their 99-year history; and

Whereas, Lions International is celebrating their 100th anniversary founded in Chicago, IL in 1917 by businessman Melvin Jones. The 1.4 million members of their volunteer organization in 210 countries and geographic areas are different in many ways and meet the needs of local communities and the world, but share a common core belief—"community is what we make it"; and

Whereas, Lions Clubs perform a huge variety of services, such as providing eyeglasses and hearing aids to those who cannot afford them, hosting holiday parties for underprivileged kids, underwriting food giveaways, assisting in sending kids to camp, maintaining parks, visiting seniors, supporting organ donation drives, vision testing for young children, and many more services; and

Whereas, All Michigan Lions Clubs come together to support four state projects: Leader Dogs for the Blind, Michigan Eye Bank, Bear Lake Camp, and Lions of Michigan Foundation, which help fund endeavors such as disaster relief in the United States and abroad; now, therefore, be it

Resolved by the Senate, That we hereby recognize October 1-7, 2017, as Lions Week. May Lions Clubs throughout Michigan reaffirm their member-service mission: "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs"; and be it further

Resolved, That copies of this resolution be transmitted to the Lions of Michigan Council of Governors and the Lions Michigan State Office as a reflection of our esteem.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Bieda, Brandenburg, Casperson, Hansen, Hopgood and Knollenberg were named co-sponsors of the resolution.

Senators Bieda, Hopgood, Conyers, Schuitmaker, Hansen, Knezek, Jones, Zorn, Gregory, Johnson, Hood, Warren, Ananich, Schmidt, Emmons, Young and Hertel offered the following concurrent resolution:

Senate Concurrent Resolution No. 14.

A concurrent resolution to oppose slashing federal funding for the Great Lakes Restoration Initiative.

Whereas, The Great Lakes are a critical resource for our nation, supporting the economy and a way of life in Michigan and the other seven states within the Great Lakes region. The Great Lakes hold 20 percent of the world's surface freshwater and 90 percent of the United States' surface freshwater. This globally significant freshwater resource provides drinking water for more than 30 million people and directly supports 1.5 million jobs, generating \$62 billion in wages; and

Whereas, The Great Lakes Restoration Initiative (GLRI) provides essential funding to restore and protect the Great Lakes. This funding has supported long overdue efforts to clean up toxic pollution, reduce runoff from cities and farms, combat invasive species, and restore fish and wildlife habitat. Since 2010, the federal government has partnered with public and private entities and invested more than \$2 billion in over 2,900 projects throughout the region. Over its first six years, the GLRI has provided more than \$425 million for more than 500 projects in Michigan alone. The Brookings Institution has estimated that every dollar invested in the Great Lakes produces two dollars in long-term economic benefits; and

Whereas, GLRI projects are making a significant difference. They have restored more than 150,000 acres of fish and wildlife habitat; opened up fish access to more than 3,400 miles of rivers; helped implement conservation programs on more than 1 million acres of farmland; and accelerated the cleanup of toxic hotspots. In Michigan, GLRI funding has been instrumental in removing contaminated sediments from Muskegon Lake, the River Raisin, and the St. Marys River; in restoring habitat along the St. Clair River, Cass River, Boardman River, and the Keweenaw Peninsula; and in the delisting of White Lake in Muskegon County and Deer Lake in the Upper Peninsula as areas of concern; and

Whereas, While a significant investment, past GLRI funding represents only a small portion of the amount needed to restore and protect the Great Lakes. Toxic algal blooms, beach closings, fish consumption advisories, and the presence of contaminated sediments continue to limit the recreational and commercial use of the Great Lakes; and

Whereas, Any cuts to GLRI funding would jeopardize the momentum from over a decade of unprecedented regional cooperation. Draft federal budgets have proposed a 97 percent reduction in GLRI funding. These cuts would be a short-sighted, short-term cost-saving measure with long-term implications. Restoration efforts will only become more expensive and more difficult if they are not addressed in the coming years; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we oppose slashing federal funding for the Great Lakes Restoration Initiative; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Pursuant to rule 3.204, the concurrent resolution was referred to the Committee on Government Operations.

Senators Marleau and Proos were named co-sponsors of the concurrent resolution.

Senate Concurrent Resolution No. 11.

A concurrent resolution of tribute offered as a memorial for Stephen V. Monsma, former member of the Michigan House of Representatives and the Michigan Senate.

(For text of resolution, see Senate Journal No. 26, p. 291.)

The House of Representatives has adopted the concurrent resolution. The Speaker on behalf of the entire membership of the House of Representatives was named co-sponsor.

The concurrent resolution was referred to the Secretary for record.
