18 criminal history check described in this section and the submission
19 of the applicant's fingerprints to, and the inclusion of the
20 applicant's fingerprints in, the state and federal database systems
21 described in subsection (7).

22 (5) The fingerprints required under subsection (4) may be
23 taken by a law enforcement agency or any other person determined by
24 the department of state police to be qualified to take
25 fingerprints. The applicant shall submit a fingerprint processing
26 fee to the department in an amount required under section 3 of 1935
27 PA 120, MCL 28.273, and any costs imposed by the Federal Bureau of
28 Investigation.

29 (6) The department of state police shall do all of the

1 following:

2 (a) Conduct a criminal history check on each applicant and
3 request the Federal Bureau of Investigation to make a determination
4 of the existence of any national criminal history pertaining to
5 each applicant.

6 (b) Provide the board with a written report containing the
7 criminal history record information of each applicant.

8 (7) All of the following apply concerning fingerprints
9 submitted to the department of state police under this section:

10 (a) The department of state police shall store and retain all
11 fingerprints submitted under this section in an automated
12 fingerprint identification system database that searches against
13 latent fingerprints, and provides for an automatic notification if
14 and when a subsequent fingerprint is submitted into the system that
15 matches a set of fingerprints previously submitted under this
16 section or if and when the criminal history of an individual whose
17 fingerprints are retained in the system is updated. Upon receiving
18 a notification, the department of state police shall immediately
19 notify the board. Information in the database maintained under this
20 subsection is confidential, is not subject to disclosure under the
21 freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and
22 shall not be disclosed to any person except for purposes of this
23 act or for law enforcement purposes.

24 (b) The department of state police shall forward all
25 fingerprints submitted to it under this section to the Federal
26 Bureau of Investigation for submission of those fingerprints into
27 the FBI automatic notification system. This subdivision does not
28 apply until the department of state police is a participant in the
29 FBI automatic notification system. As used in this subdivision:

1 (i) "Automatic notification system" means a system that stores
2 and retains fingerprints, and that provides for an automatic
3 notification to a participant if and when a fingerprint is
4 submitted into the system that matches an individual whose
5 fingerprints are retained in the system or if and when the criminal
6 history of an individual whose fingerprints are retained in the
7 system is updated.

8 (ii) "FBI automatic notification system" means the automatic
9 notification system that is maintained by the Federal Bureau of
10 Investigation.

11 (8) The board shall review all applications for licenses and
12 shall inform each applicant of the board's decision.

13 (9) A license shall be issued for a 1-year period and is
14 renewable annually. Except as otherwise provided in this act, the
15 board shall renew a license if all of the following requirements
16 are met:

17 (a) The licensee applies to the board on a renewal form
18 provided by the board that requires information prescribed in
19 rules.

20 (b) The application is received by the board on or before the
21 expiration date of the current license.

22 (c) The licensee pays the regulatory assessment under section
23 603.

24 (d) The licensee meets the requirements of this act and any
25 other renewal requirements set forth in rules.

26 (10) The department shall notify the licensee by mail or
27 electronic mail at the last known address on file with the board
28 advising of the time, procedure, and regulatory assessment under
29 section 603. The failure of the licensee to receive notice under

1 this subsection does not relieve the licensee of the responsibility
2 for renewing the license.

3 (11) If a license renewal application is not submitted by the
4 license expiration date, the license may be renewed within 60 days
5 after its expiration date upon application, payment of the
6 regulatory assessment under section 603, and satisfaction of any
7 renewal requirement and late fee set forth in rules. The licensee
8 may continue to operate during the 60 days after the license
9 expiration date if the license is renewed by the end of the 60-day
10 period.

11 (12) License expiration does not terminate the board's
12 authority to impose sanctions on a licensee whose license has
13 expired.

14 (13) In its decision on an application for renewal, the board
15 shall consider any specific written input it receives from an
16 individual or entity within the local unit of government in which
17 the applicant for renewal is located.

18 (14) A licensee must consent in writing to inspections,
19 examinations, searches, and seizures that are permitted under this
20 act and must provide a handwriting exemplar, fingerprints,
21 photographs, and information as authorized in this act or by rules.

22 (15) An applicant or licensee has a continuing duty to provide
23 information requested by the board and to cooperate in any
24 investigation, inquiry, or hearing conducted by the board.

25 **(16) The department shall, before June 1, 2019, make every**
26 **effort to process, or issue a final determination for an appeal**
27 **regarding, an application submitted on or before the effective date**
28 **of the amendatory act that added this subsection.**
