A bill to amend 1851 PA 156, entitled

"An act to define the powers and duties of the county boards of commissioners of the several counties, and to confer upon them certain local, administrative and legislative powers; and to prescribe penalties for the violation of the provisions of this act,"

by amending section 12a (MCL 46.12a), as amended by 2002 PA 730.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Sec. 12a. (1) A county board of commissioners at a lawfully
 held meeting may do 1 or more of the following:

(a) Provide group life, health, accident and hospitalization,
and disability coverage for a county employee, retired employee,
or an employee of an office, board, or department of the county,
including the board of county road commissioners, and a dependent
of an employee, either with or without cost participation by the
employee, and appropriate the necessary funds for the insurance.

accident and hospitalization, and group disability coverage for a
 county employee, retired employee, or an employee of an office,
 board, or department of the county, including the board of county
 road commissioners, and a dependent of an employee, either with
 or without cost participation by the employee, and appropriate
 the necessary funds.

(b) Adopt and establish a plan by which the county purchases 7 or participates in the cost of an endowment policy or retirement 8 annuity for a county employee or an employee of an office, board, 9 or department of the county, including the board of county road 10 commissioners, to provide monthly pension or retirement benefits 11 12 for each employee 60 years of age or older in an amount not to 13 exceed \$150.00 per month or 2% of the average monthly earnings of the employee for 5 years immediately before retirement times the 14 years of service of the employee, whichever is the lesser sum. 15 As an option, a county board of commissioners may adopt and 16 establish a plan by which the county pays pension or retirement 17 benefits to a county employee or an employee of an office, board, 18 or department of the county, including the board of county road 19 20 commissioners, who has been employed for not less than 25 years, or who is 60 years of age or older and has been employed for not 21 22 less than 5 years, in monthly payments not to exceed 2.5% of the employee's highest average monthly compensation or earnings 23 received from the county or county road fund for 5 years of 24 service times the total number of years of service of the 25 employee, including a fraction of a year, not to exceed 3/4 of 26 27 the average final compensation of the employee. A plan may also

2

1 pay early retirement benefits at 55 years of age or older to the extent of actuarially equivalent benefits not increasing the 2 costs of the plan. Except as provided in subsection (27), 3 endowment policies, retirement benefits, pensions, or annuity 4 5 retirement benefits in excess of the amounts stipulated in this subdivision may be provided for by a plan of employee 6 participation to cover the cost of the excess. If the employment 7 or the pension or retirement benefits of an employee who 8 participated in the cost of pension or retirement benefits are 9 10 terminated before the employee receives pension or retirement benefits equal to the total amount of the employee's 11 12 participation, the balance of the total participation shall be 13 refunded to the employee at the time of termination, if living, or if deceased, to the employee's heir, estate, legal 14 representative, or designated beneficiary as provided in the plan 15 adopted and established by the county board of commissioners. 16 Ιf a terminated employee is subsequently rehired by the county, the 17 employee may repay the amount of participation refunded to the 18 employee upon the employee's termination, together with compound 19 20 interest from the date of refund to the dates of repayment at the rates provided in the plan. As conditions for repayment, the 21 plan may require return to employment for a period not to exceed 22 3 years and may require that repayment be completed within a 23 period of not less than 1 year following return to employment. A 24 plan adopted for the payment of retirement benefits or a pension 25 shall grant benefits to an employee eligible for pension or 26 27 retirement benefits according to a uniform scale for all persons

3

1 in the same general class or classification. An employee shall
2 not be denied benefits by termination of his or her employment
3 after the employee becomes eligible for benefits under the plan
4 and this section. An endowment policy or annuity purchased
5 pursuant to this section shall be purchased from an insurer
6 authorized to write endowment policies or annuities in this
7 state.

(2) In a plan adopted under this section, at least 60% of the 8 total pension or retirement benefit granted to an employee from 9 10 county funds shall consist of a percentage not to exceed 2.5% of the employee's average final compensation times the employee's 11 12 years of service and shall be granted to each employee eligible for retirement under the plan uniformly and without restriction 13 or limitation other than those prescribed in this section. 14 As used in this section: 15

16 (a) "Average final compensation" means the annual average of the highest actual compensation received by a county employee, 17 other than a county employee who is a judge of a municipal court 18 of record subject to subsection (20) or a judge subject to 19 20 subsection (23), during a period of 5 consecutive years of service contained within the employee's 10 years of service 21 22 immediately before the employee's retirement or a period of 5 years of service as specified in the plan. In a county that 23 adopts a plan for granting longevity pay, the county board of 24 commissioners may exclude this longevity pay from average final 25 compensation for the purpose of computing the rate of employee 26 27 contribution and the amount of benefits payable to an employee

4

1 upon retirement.

(b) "Longevity pay" means increments of compensation payable
at annual or semiannual intervals and based upon years of service
to the county, exclusive of compensation provided for a given
class of positions.

6 (3) A circuit court stenographer is eligible for membership
7 in, and the benefits of, a pension or retirement benefit under a
8 plan established pursuant to this section, or a social security
9 plan established by the county or 1 of the counties that pays a
10 portion of the compensation of a circuit court stenographer.

11 (4) If the employment of a county employee eligible to 12 receive a pension or retirement benefit under a plan established pursuant to this section is terminated after the employee has 13 completed 8 or more years of service in county employment, the 14 employee shall receive the amount of pension or retirement 15 benefit to which the employee's service would have entitled the 16 employee under the plan established, if the employee waives the 17 employee's right to a refund of the employee's total 18 participation upon the termination of employment. The payment of 19 20 pension or retirement benefits shall begin, as provided in the plan, after the employee would have become eligible for 21 22 retirement under the plan had the employee's employment not been terminated, but not later than 90 days after the employee becomes 23 65 years of age. The payment of pension or retirement benefits 24 shall not begin until the employee has applied for pension or 25 retirement benefits in the manner prescribed in the plan 26 27 established.

1 (5) A plan established under this section may provide for pension or retirement benefits for a county employee who becomes 2 totally disabled for work in the county service from any cause, 3 after not less than 10 years of county employment, to the extent 4 5 of the limitations provided in this section. A plan may also provide for pension or retirement benefits to the extent of the 6 limitations provided in this section or \$400.00 per month, 7 whichever is the greater sum, for an employee who becomes totally 8 disabled for work in the county service from causes that are the 9 direct and proximate result of county employment, to continue for 10 the duration of the disability or until the employee becomes 11 12 eligible for retirement pursuant to other provisions of the plan authorized by this section. A plan may also provide for pension 13 or retirement benefits, to the extent of the limitations provided 14 in this section, for the actual dependents of a county employee 15 who dies while still employed by the county after not less than 16 10 years of county employment, or who dies after leaving county 17 employment with not less than the number of years of service 18 required to vest in the plan but before becoming eligible to 19 20 receive a pension or retirement benefit. A plan may also provide for pension or retirement benefits to the extent of the 21 limitations provided in this section or \$400.00 per month, 22 whichever is greater, for the actual dependents of a deceased 23 county employee whose death is the direct and proximate result of 24 county employment. The plan may provide that the period from the 25 end of the deceased or disabled employee's period of service to 26 27 the date that employee would have become eligible for retirement

6

be used as service for the sole purpose of computing the amount
 of disability or death pension.

3 (6) As used in this section, "county employee" includes a bailiff of the district court in the thirty-sixth district who 4 5 serves pursuant to section 8322 of the revised judicature act of 1961, 1961 PA 236, MCL 600.8322, and a person who receives more 6 than 50% of all compensation for personal services, rendered to 7 governmental units, from a county fund or county road fund, 8 except a person, other than a bailiff of the district court in 9 the thirty-sixth district, engaged for special services on a 10 contract or fee basis. Until December 31, 1979, a plan adopted 11 12 under this section may include as a county employee a person on leave of absence from county employment who is not a member of 13 another retirement system except as a retirant and who pays or 14 arranges payment of contributions equal to the contributions that 15 would have been required to be paid under the plan by both the 16 county and the employee, based upon the compensation the employee 17 would have received from the county, if the employee had not 18 taken a leave of absence or a person who complies with the 19 20 requirements of such a provision approved for inclusion in a plan by the county board of commissioners before January 1, 1976, who 21 shall be considered to be a county employee during the period of 22 compliance. A plan adopted under this section may exclude a 23 person who is employed on a temporary basis and a person employed 24 in a position normally requiring less than 1,000 hours, or some 25 lesser specified number of hours, work per year. A bailiff 26 27 serving in the district court in the thirty-sixth district is

DAM

1 eligible to receive benefits under this section if a plan has been established by law by which the cost of benefits is payable 2 from sources including charges on all legal instruments in which 3 the service of process by a bailiff is required and earmarked by 4 5 law for benefits, and contributions made by the city of Detroit and each bailiff pursuant to section 8322(6) of the revised 6 judicature act of 1961, 1961 PA 236, MCL 600.8322. The plan 7 shall include provisions by which a bailiff or former bailiff who 8 served as bailiff as of January 1, 1967, may retire after 25 9 years of service regardless of age, with maximum benefits to be 10 computed as follows: starting as of January 1, 1969, the average 11 12 of any 5 years of earnings of the previous 10 years served in succession before retirement multiplied by 1.9% times the years 13 of service; starting as of June 1, 1975, the average of any 5 14 years of earnings multiplied by 2% times the years of service. 15 As used in this subsection, "earnings" means the salary and fees, 16 other than mileage, received by a bailiff pursuant to section 17 8322(5) of the revised judicature act of 1961, 1961 PA 236, 18 19 MCL 600.8322. The plan shall include provisions by which health, 20 accident, and hospitalization insurance premiums may be paid out of the earnings of this fund. These payments shall be made at 21 the discretion of the pension board of trustees. A county that 22 has a retirement fund for bailiffs under this section shall 23 annually review the retirement fund and shall ensure that the 24 fund is maintained in an actuarially sound condition. Copies of 25 the actuarial reports shall be provided to the employer 26 27 designated under section 8274(2) or (3) of the revised judicature

8

1 act of 1961, 1961 PA 236, MCL 600.8274, and to the state court 2 administrator.

3 (7) An employee while receiving a pension or retirement
4 benefit because of disability, pursuant to this section, may be
5 considered as employed in the county service for the purpose of
6 retirement under this section.

7 (8) A county employee who is included by law in another
8 pension or retirement system by reason of the compensation the
9 employee receives from the county may be excluded from a plan
10 established under this section or included only to the extent of
11 the difference between benefits granted under this section and
12 the other pension or retirement system.

(9) The county board of commissioners, upon the request of a 13 county employee, by not less than a 3/5 vote may credit that 14 county employee with the amount of government service resulting 15 from employment with the United States government, except 16 military service, employment with a state, or employment with any 17 of their political subdivisions under the following conditions: 18 19 (a) Employment by the county occurred within 15 years 20 following the county employee's separation from service of the last unit of government by which the county employee was 21 employed. 22

23 (b) Service rendered before the last break in service of more24 than 15 years shall not be credited.

25 (c) Service that is recognized for the purpose of a deferred
26 retirement allowance under a retirement system or other
27 employer-funded retirement benefit plan, except for a retirement

H00398'03 a (H-1)

DAM

1 benefit plan under the social security act, chapter 531, 49
2 Stat. 620, of the United States government, a state, or a
3 political subdivision of a state shall not be credited if the
4 county employee retired under a retirement system of the United
5 States government, a state, or any of their political
6 subdivisions or until the county employee irrevocably forfeits
7 the right to the deferred retirement allowance.

(d) The county employee deposits in the plan established 8 under this section an amount equal to the aggregate amount of 9 10 contributions the county employee would have made had the service been acquired in the employ of the county, plus interest from the 11 12 dates the contributions would have been made to the date of deposit, at rates determined by the county board of 13 commissioners. If records are insufficient or unavailable to 14 compute the exact amount of required deposit, the county board of 15 16 commissioners may estimate the amount.

(e) The county employee has 8 or more years of credited service in county employment, has legal vesting in the county plan, and deposits in the county employees' retirement system an amount equal to the aggregate amount of contributions the employer would have made had the government service being credited under this section been acquired in the employ of the county.

(10) A plan adopted under this section may provide for annual
or less frequent postretirement redetermination of a pension.
The redetermined amount of pension shall be not greater than the
amount of pension otherwise payable multiplied by the sum of 100%

DAM

1 and the percentage the county board of commissioners determines appropriate for each full year, excluding a fraction of a year, 2 in the period from the effective date of payments of the pension 3 and the date as of which the redetermination is being made. 4 The 5 redetermined amount shall not be less than the amount of pension otherwise payable. A provision of this section that limits the 6 amount of a pension shall not apply to the operation of this 7 subsection redetermining the amount of a pension. As used in 8 this subsection, "the amount of pension otherwise payable" means 9 the amount of pension that would be payable without regard to 10 this subsection. The application of a provision redetermining 11 12 pension amounts may be restricted to pensions that have an 13 effective date of payment either before or after a specified 14 date.

15 (11) The cost of pension or retirement benefits for a county employee under this section may be paid from the same fund from 16 which the employee receives compensation, and the county board of 17 commissioners may appropriate the necessary funds to carry out 18 the purposes of this section. If a county establishes a plan by 19 20 which the county pays pension or retirement benefits to an employee pursuant to this section, the county, pursuant to 21 provisions for pension or retirement benefits that are 22 incorporated in the plan, shall establish and maintain reserves 23 on an actuarial basis in the manner provided in this subsection 24 sufficient to finance the pension and retirement and death 25 benefit liabilities under the plan and sufficient to pay the 26 **27** pension and retirement and death benefits as they become due. Α

1 county that adopts a retirement plan under this section and establishes reserves on an actuarial basis shall maintain the 2 reserves as provided in this subsection. The reserves shall be 3 determined by an actuarial valuation and established and 4 5 maintained by yearly appropriations by the county and contributions by employees. The reserves shall be established, 6 maintained, and funded to cover the pension and other benefits 7 provided for in the plan in the same manner and within the same 8 limits as to time as is provided for Benefit Program B in the 9 municipal employees retirement system described in former section 10 14 of the municipal employees retirement act of 1984, 1984 11 12 PA 427. These reserves are trust funds and shall not be used for any other purpose than the payment of pension, retirement, and 13 other benefits and refunds of employee contributions pursuant to 14 the plan established in a county. An employee's contributions 15 shall be kept and accumulated in a separate fund and used only 16 for the payment of annuities and refunds to employees. 17 This subsection does not apply to a county that adopted a retirement 18 plan under this section and did not establish reserves on an 19 20 actuarial basis before October 11, 1947.

(12) If a county establishes a plan for the payment of pension and retirement benefits to its employees pursuant to this section, the county board of commissioners may provide for a board of trustees to administer the plan and for the manner of election or appointment of the members of the board of trustees. The county board of commissioners may grant authority to the board of trustees to fully administer and operate the plan and to

12

1 deposit, invest, and reinvest the funds and reserves of the plan within the limitations prescribed by the county board of 2 commissioners in the plan. The county board of commissioners may 3 authorize the investment of funds of a county retirement plan 4 5 established under this section in anything in which the funds of the state employees' retirement system or the funds of the 6 municipal employees retirement system may be invested, pursuant 7 to the state employees' retirement act, 1943 PA 240, MCL 38.1 to 8 38.69, and the municipal employees retirement act of 1984, 1984 9 PA 427, MCL 38.1501 to 38.1555. A county retirement plan 10 established under this section may provide for financing, 11 12 funding, and the payment of benefits in the same manner and to the same extent as is provided for in the state employees' 13 retirement act, 1943 PA 240, MCL 38.1 to 38.69, and the municipal 14 employees retirement act of 1984, 1984 PA 427, MCL 38.1501 to 15 38.1555, may provide for and require contributions by county 16 employees, and may permit additional employee contributions on a 17 voluntary basis. 18

19 (13) Upon the approval of the county board of commissioners, 20 a member who entered the armed service of the United States before June 1, 1980 or who entered the armed service of the 21 United States on or after June 1, 1980 during a time of war or 22 emergency condition as described in section 1 of 1965 PA 190, 23 MCL 35.61, may elect to receive credited service for not more 24 than 5 years of active military service. Credit for military 25 service shall be given upon request and payment to the retirement 26 27 system of an amount equal to 5% of the member's full-time or

13

1 equated full-time annual compensation for the year in which payment is made multiplied by the number of years, and fraction 2 of a year, of credited service that the member elects to purchase 3 up to the maximum. Service shall not be credited if the service 4 5 is or would be credited under any other federal, state, or local publicly supported retirement system, except for service that is 6 or would be credited under the federal government for services in 7 Service shall not be credited under this subsection 8 the reserve. until the member has the number of years of credited service 9 needed to vest under the plan. Only completed years and months 10 of armed service shall be credited under this subsection. 11

12 (14) A member who enters or entered any armed service of the 13 United States may purchase credited service for periods of 14 continuous active duty lasting 30 days or more, subject to the 15 following conditions:

(a) The county board of commissioners authorizes the purchase
of credited service under this subsection by an affirmative vote
of a majority of the members of the county board of
commissioners. The county board of commissioners shall establish
a written policy to implement the provisions of this subsection
in order to provide uniform application of this subsection to all
members of the plan.

(b) The member has at least the number of years of credited
service needed to vest under the plan, not including any credited
service purchased under this subsection and subsection (13).

26 (c) The member pays the plan 5% of the member's annual27 compensation multiplied by the period of credited service being

DAM

purchased. As used in this subdivision, "annual compensation"
 means the aggregate amount of compensation paid the member during
 the 4 most recent calendar quarters for each of which the member
 was credited 3/12 of a year of credited service.

5 (d) Fractional months of armed service shall not be6 recognized for the purposes of this subsection.

7 (e) Armed service credited a member under subsection (13)8 shall not be the basis of credited service under this section.

9 (f) Armed service credited a member under this subsection
10 shall not exceed either 5 years or the difference between 5 years
11 and the armed service credited the member under subsection (13).

(g) Credited service shall not be granted for periods of armed service that are or could be used for obtaining or increasing a benefit from another retirement system, except for service that is or would be credited under the federal government for services in the reserve.

17 (15) As used in this subsection, "transitional public employment program" means a public service employment program in 18 the area of environmental quality, health care, education, public 19 20 safety, crime prevention and control, prison rehabilitation, transportation, recreation, maintenance of parks, streets, and 21 other public facilities, solid waste removal, pollution control, 22 housing and neighborhood improvements, rural development, 23 conservation, beautification, veterans' outreach, or any other 24 area of human betterment and community improvement as part of a 25 program of comprehensive manpower services authorized, 26 27 undertaken, and financed pursuant to the former comprehensive

DAM

employment and training act of 1973, Public Law 93-203. A person 1 participating in a transitional public employment program shall 2 not be eligible for membership in a retirement system or pension 3 plan established under this section. If the person later becomes 4 5 a member of a retirement system or pension plan established under this section within 12 months after the date of termination as a 6 participant in a transitional public employment program, service 7 credit shall be given for employment in the transitional public 8 employment program for purposes of determining a retirement 9 allowance upon the payment by the person and the person's 10 employer under the transitional public employment program from 11 12 funds provided under the former comprehensive employment and training act of 1973, Public Law 93-203, as funds permit, to the 13 retirement system of the contributions, plus regular interest, 14 the person and the employer would have paid had the employment 15 been rendered in a position covered by this section. During the 16 person's employment in the transitional public employment 17 program, the person's employer shall provide an opportunity by 18 payroll deduction for the person to make his or her employee 19 20 contribution to the applicable pension system. To provide for the eventual payment of the employer's contribution, the person's 21 employer shall during this same period place in reserve a 22 reasonable but not necessarily an actuarially determined amount 23 equal to the contributions that the employer would have paid to 24 the retirement system for those employees in the transitional 25 public employment program as if they were members under this 26 27 section, but only for that number of employees that the employer

1 determined would transfer from the transitional public employment 2 program into positions covered by this section. If the funds 3 provided under the former comprehensive employment and training 4 act of 1973, Public Law 93-203, are insufficient, the remainder 5 of the employer contributions shall be paid by the person's 6 current employer.

7 (16) Subsection (15) does not exclude the participant in a
8 transitional public employment program from the accident,
9 disability, or other benefits available to members of the
10 retirement system covered by this section.

11 (17) If a probate judge who is a member of a plan established 12 under this section contributes for 20 years or more, the county 13 board of commissioners may allow the probate judge to cease 14 further contributions.

15 (18) An employee of the circuit court in the third judicial circuit, the common pleas court of the city of Detroit, or the 16 recorder's court of the city of Detroit who became an employee of 17 the state judicial council on September 1, 1981, and who was 44 18 years of age or older as of that date, and who will have 19 20 accumulated 25 or more years of service credit by September 1, 1987, shall continue to be eligible for membership in, and the 21 benefits of, a pension or retirement benefit plan established 22 pursuant to this section in the same manner as the employee was 23 eligible before September 1, 1981. A person who was an employee 24 of the circuit court in the third judicial circuit, the common 25 pleas court of the city of Detroit, or the recorder's court of 26 27 the city of Detroit on August 31, 1981, who last entered county

DAM

employment before November 2, 1956, who became an employee of the 1 state judicial council on September 1, 1981, and who accumulated 2 not less than 24 years of service credit by August 31, 1981, 3 shall continue to be eligible for membership in, and the benefits 4 5 of, a pension or retirement benefit plan established pursuant to this section in the same manner as the employee was eligible 6 before September 1, 1981. An election to continue to be a member 7 of a pension or retirement benefit plan established pursuant to 8 this section as authorized by section 594(2) of the revised 9 judicature act of 1961, 1961 PA 236, MCL 600.594, as that section 10 read on February 8, 1985, or former section 36(2) of 1919 PA 369, 11 12 is not effective unless the employee has made the election in the 13 manner prescribed by those sections and has made the payments required by those sections. 14

15 (19) A plan adopted under this section may provide that an employee of the circuit court in the third judicial circuit, the 16 common pleas court of the city of Detroit, or the recorder's 17 court of the city of Detroit who is a member of the Wayne county 18 employees' retirement system on August 31, 1981, who becomes an 19 20 employee of the state judicial council and a member of the state employees' retirement system on September 1, 1981, receive a 21 22 benefit based on the annual average of the highest actual compensation received by the employee during a period of 5 years 23 of county or state service. 24

(20) Beginning September 1, 1981, for determining the
retirement benefit for a county employee who is a judge of a
municipal court of record pursuant to subsection (2), "average

18

1 final compensation" means the annual average of the highest 2 actual compensation received by the judge as additional salary 3 pursuant to former section 13(2) of 1919 PA 369, or section 4 9932(3) of the revised judicature act of 1961, 1961 PA 236, 5 MCL 600.9932, during a period of 5 years of service as specified 6 in the plan. This subsection shall not be construed to diminish 7 or impair an accrued financial benefit.

(21) Beginning September 1, 1981, for each county employee 8 who is a judge of a municipal court of record, or of the circuit 9 10 or district court, the sum of the average final compensation determined for that county employee pursuant to this section and 11 12 the final salary determined for that county employee as a member of the state of Michigan judges' retirement system created by 13 former 1951 PA 198, or as a member of the Michigan judges 14 retirement system created by the judges retirement act of 1992, 15 1992 PA 234, MCL 38.2101 to 38.2670, shall not exceed the 16 employee's total annual judicial salary payable from all sources 17 at the time of his or her retirement. This subsection shall not 18 be construed to diminish or impair an accrued financial benefit. 19

20 (22) Beginning September 1, 1981, for each county employee who is a judge of the probate court, the sum of the average final 21 22 compensation calculated for that employee pursuant to this section and the final salary calculated for that employee as a 23 member of the state of Michigan probate judges retirement system 24 created by former 1954 PA 165 or as a member of the Michigan 25 judges retirement system created by the judges retirement act of 26 27 1992, 1992 PA 234, MCL 38.2101 to 38.2670, shall not exceed the

19

employee's total annual judicial salary payable from all sources
 at the time of his or her retirement. This subsection shall not
 be construed to diminish or impair an accrued financial benefit.

4 (23) Beginning September 1, 1981, for determining a 5 retirement benefit pursuant to subsection (2) for a county employee who is a judge who receives an annuity pursuant to 6 section 14(5) of former 1951 PA 198 or pursuant to section 7 503(2)(c) of the judges retirement act of 1992, 1992 PA 234, 8 MCL 38.2503, "average final compensation" means the difference 9 10 between the judge's total annual salary payable from all sources on August 31, 1981, and the judge's state base salary payable on 11 12 August 31, 1981. This subsection shall not be construed to 13 diminish or impair an accrued financial benefit.
