God of justice and God of mercy, God of wisdom and God of boundless love, we invoke Your direction and guidance this day by all the many names we call You.

Imbue these, our elected officials, with imagination and with courage, to speak with purpose and with clarity, to listen with humility and true sincerity, to honor the experiences and perspectives that differ from their own. As they work through this budget—to search for paths that serve and inspire all people, to think broader, to dream bigger—unite all those gathered here in bonds of respect and work through their struggles to attain true well-being and real justice for all the people of this state. Amen.

The President, Lieutenant Governor Gilchrist, led the members of the Senate in recital of the *Pledge of Allegiance*.

Office of the Great Lakes

January 29, 2019

Attached is a list of five research projects approved for funding under the Michigan Great Lakes Protection Fund (MGLPF) in compliance with Act 156 of the Public Acts of 1989. Section 324 (32910) of PA 156 requires that this list be submitted annually to the legislature.

The Office of the Great Lakes (OGL) did not release a general request for new proposals in fiscal year 2017 or 2018 due to funding constraints. Instead, the OGL targeted funding to support projects that meet OGL strategic goals and that are consistent with Part 331 of the Natural Resources and Environmental Protection Act of 1994. Prior to the issuance of Executive Order No. 2007-34, projects were recommended by the MGLPF Technical Advisory Board to the Department of Environmental Quality (DEQ) Director for approval.

In December 2017, the OGL was moved from the DEQ to the Department of Natural Resources (DNR) by Executive Order 2017-09. All appropriations, allocations, and other funds necessary to support the activities of the office were also transferred to the DNR at this time, including the MGLPF. The OGL director now issues final approval for grant awards.

If you have any questions, please contact Ms. Emily Finnell at 517-599-1330, or you may contact me.

Sincerely,
Jon W. Allan, Director

Messages from the Governor

The following message from the Governor was received on March 1, 2019, and read:

EXECUTIVE ORDER
No. 2019-07

**Department of Agriculture and Rural Development
Department of Licensing and Regulatory Affairs**

Executive Reorganization

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 2 of article 5 of the Michigan Constitution of 1963 empowers the governor to make changes in the organization of the executive branch of state government or in the assignment of functions among its units that are necessary for efficient administration.

To avoid licensing delays and to better coordinate varying sources of authority for the enforcement of state law, the administration of state laws relating to marijuana can more effectively and efficiently be administered by a dedicated state agency.

Changing the organization of the executive branch of state government is necessary in the interests of efficient administration and effectiveness of government.

Acting pursuant to the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Creating the Marijuana Regulatory Agency

(a) The Marijuana Regulatory Agency (the “Agency”) is created as a Type I agency within the Department of Licensing and Regulatory Affairs (the “Department”).

(b) All of the authorities, powers, duties, functions, and responsibilities of the Medical Marijuana Licensing Board under the Medical Marijuana Facilities Licensing Act, 2016 PA 281, as amended, MCL 333.27101 to 333.27801, are transferred by Type I transfer to the Agency. The Medical Marijuana Licensing Board is abolished.

(c) All of the authorities, powers, duties, functions, and responsibilities of the Marijuana Advisory Panel under the Medical Marijuana Facilities Licensing Act, 2016 PA 281, as amended, MCL 333.27101 to 333.27801, are transferred to the Agency. The Marijuana Advisory Panel is abolished.

(d) Except as provided in section 1(f), all of the authorities, powers, duties, functions, and responsibilities of the Department, including its Bureau of Marijuana Regulation, under the following statutes are transferred to the Agency to be administered by the Agency:

- (i) The Michigan Medical Marihuana Act, 2008 IL 1, as amended, MCL 333.26421 to 333.26430.
- (ii) The Medical Marihuana Facilities Licensing Act, 2016 PA 281, as amended, MCL 333.27101 to 333.27801.
- (iii) The Marihuana Tracking Act, 2016 PA 282, as amended, MCL 333.27901 to 333.27904.
- (iv) The Michigan Regulation and Taxation of Marihuana Act, 2018 IL 1, MCL 333.27951 to 333.27967.
- (e) The Bureau of Marijuana Regulation is abolished.

(f) The authorities, powers, duties, functions, and responsibilities of the Department to promulgate rules to regulate the cultivation, processing, distribution, and sale of industrial hemp, under section 8 of the Michigan Regulation and Taxation of Marihuana Act, 2018 IL 1, MCL 333.27958, are transferred by Type II transfer to the Department of Agriculture and Rural Development, except that the Agency may promulgate rules to establish standards, procedures, and requirements for the processing, testing, transportation, and sale of industrial hemp from marihuana establishments.

(g) The Agency shall exercise all of the authorities, powers, duties, functions, and responsibilities transferred to the Agency by this order or otherwise vested in the Agency by law.

(h) The Agency is responsible for implementing the transfers to the Agency under this order and has the powers and duties necessary to exercise the powers and duties vested in the Agency by this order or otherwise by law.

The Executive Director shall devote his or her full time to the performance of the duties of the office of Executive Director and shall not hold any other office or employment.

(c) The Executive Director must not be interested pecuniarily, directly or indirectly, in a marihuana establishment. An individual who is not of good moral character or who has been indicted for, charged with, or convicted of, pled guilty or no contest to, or forfeited bail concerning any felony or a misdemeanor involving a controlled substance violation, theft, dishonesty, or fraud under the laws of this state, any other state, or the United States or a local ordinance in any state involving a controlled substance violation, dishonesty, theft, or fraud that substantially corresponds to a misdemeanor in that state is not eligible to serve as the Executive Director.

(d) The Executive Director shall file with the governor a financial disclosure statement listing all assets and liabilities, property and business interests, and sources of income of the Executive Director and his or her spouse, if any. (h) The Executive Director may establish advisory workgroups composed of members of the public as deemed necessary by the Executive Director to assist the Agency in performing its functions and responsibilities. The Executive Director may adopt, reject, or modify any recommendations proposed by an advisory workgroup.

(i) To the fullest extent permitted by law, an employee, advisor, or consultant of the Agency involved in the implementation, administration, or enforcement of the authorities, powers, duties, functions, and responsibilities transferred to the Agency by this order is not personally liable for any action at law for damages sustained by a person or entity because of an action performed or done in the performance of those authorities, powers, duties, functions, and responsibilities.

Resolutions

Senators Theis, Polehanki, LaSata, Victory, Barrett, Horn, MacDonald, Lucido, Daley, Outman, Brinks, Hollier, Hertel, VanderWall, Chang, Wojno, Bayer, McCann, McMorrow, Irwin, Alexander, McBroom, Moss, Santana, Runestad, Bullock, Zorn, Bizon and Johnson offered the following resolution:

Senate Resolution No. 20.

A resolution to recognize myalgic encephalomyelitis as a serious, debilitating disease and urge key entities to improve patient care, prioritize new research, educate health professionals, and raise awareness about the severity of the disease.

Whereas, Myalgic encephalomyelitis (ME), also known as chronic fatigue syndrome (CFS) or ME/CFS, has been found by the National Academy of Medicine (NAM) to be “a serious, chronic, complex, and systemic disease that frequently and dramatically limits the activities of affected patients,” leaving them with a lower quality of life than others without ME/CFS; and

Whereas, More than 41,500 Michigan residents of all ages, races, and genders are believed to be afflicted with ME/CFS. An estimated 836,000 to 2.5 million Americans and 17 million individuals worldwide are afflicted; and

Whereas, ME/CFS persists for years or even decades because of a lack of treatments, leaving one quarter of patients homebound or bedbound. Many students with the disease are unable to attend school, and 50 to 75 percent of ME/CFS patients are unable to work, resulting in an annual economic burden in America of \$17 billion to \$24 billion in medical expenses and lost productivity, \$9.1 billion of which has been attributed to lost household and labor force productivity; and

Whereas, The NAM noted a lack of knowledge about the disease due to a “paucity of research” and “remarkably little research funding,” and concluded that “more research is essential”; and

Whereas, The NAM noted that the medical community “generally still doubts the existence or seriousness of this disease,” and patients have difficulty being diagnosed or accessing quality medical care; now, therefore, be it

Resolved by the Senate, That we:

- Recognize that myalgic encephalomyelitis/chronic fatigue syndrome (ME/CFS) is a tragic, disabling disease that destroys the lives of many patients and takes a severe toll on their families, friends, and caretakers;
- Recognize and affirm the commitment of the state of Michigan to improving the availability and quality of medical and supportive care for ME/CFS patients;
- Recommend that the National Institutes of Health fund ME/CFS research at a level commensurate with similarly burdensome diseases;
- Encourage universities in Michigan to focus research attention on this underserved disease;
- Recommend that the Centers for Disease Control and Prevention disseminate new ME/CFS medical education that is updated in accordance with recommendations from the National Academy of Medicine, the Chronic Fatigue Syndrome Advisory Committee of the United States Department of Health and Human Services, and disease experts; and

- Encourage media organizations to inform the public about the seriousness of the disease; and be it further

Resolved, That copies of this resolution be transmitted to the members of the Michigan congressional delegation, the Director of the Centers for Disease Control and Prevention, the Director of the National Institutes of Health, and the Michigan Association of State Universities.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator MacGregor moved that the resolution be referred to the Committee on Health Policy and Human Services.

The motion prevailed.
