Senate Bill 460 (as introduced 8-28-19)  
Sponsor: Senator Aric Nesbitt  
Committee: Health Policy and Human Services

Date Completed: 9-10-19

**CONTENT**

**The bill would amend Part 209 (Emergency Medical Services) of the Public Health Code to prohibit the Department of Licensing and Regulatory Affairs (LARA) from requiring a life support agency that did not charge for its services to submit data for purposes of the Michigan Emergency Medical Services Information System (EMSIS) or another quality improvement program.**

Currently, LARA must collect data as necessary to assess the need for and quality of emergency medical services throughout the State.
