House Bill 5242 (Substitute H-1 as reported without amendment)

Sponsor: Representative Robert Wittenberg

House Committee: Insurance

Wavs and Means

Senate Committee: Insurance and Banking

## **CONTENT**

The bill would amend Chapter 13 (Holding Companies) of the Insurance Code to do the following:

- -- Allow the Director of the Department of Insurance and Financial Services to act as the group-wide supervisor for an internationally active insurance group (IAIG) or to acknowledge a regulatory official from another jurisdiction as the IAIG's group-wide supervisor.
- -- Allow the Director to engage in certain group-wide supervision activities, if he or she were the group-wide supervisor for the IAIG.
- -- Allow the Director to reasonably cooperate with group-wide supervision undertaken by the group-wide supervisor under certain circumstances, if the Director acknowledged that another regulatory official from another jurisdiction that was not accredited by the National Association of Insurance Commissioners was the group-wide supervisor.

## **FISCAL IMPACT**

The bill would not have a significant fiscal impact on the Department of Insurance and Financial Services and would have no fiscal impact on local governments. Although the bill would allow the Director of the Department to assume additional supervisory responsibilities for an eligible insurance group, it also would require the group to pay for reasonable expenses incurred by the Director in performing those responsibilities. In addition, other actions required by the bill would be covered by existing appropriations.
