## HOUSE BILL NO. 5241

November 13, 2019, Introduced by Reps. Rendon, Paquette and Wittenberg and referred to the Committee on Insurance.

A bill to amend 1956 PA 218, entitled "The insurance code of 1956,"

by amending section 836b (MCL 500.836b), as amended by 2016 PA 558.

## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 836b. (1) All of the following apply to the valuation 2 manual:

3 (a) Except as otherwise provided under subdivision (c) or (g),
4 for policies issued on or after the operative date of the valuation
5 manual and, at a company's option for policies or individual blocks
6 of policies acquired by the company through a business acquisition

1 or reinsurance transaction after March 31, 2015, regardless of when 2 the policies were issued, the standard prescribed in the valuation 3 manual is the minimum standard of valuation required under section 4 830(2).

5 (a) (b) The operative date of the valuation manual is January
6 1 of the first calendar year following the first July 1 as of which
7 all of the following have occurred:

8 (i) The NAIC has adopted the valuation manual by a vote of at
9 least 42 members, or 3/4 of the members voting, whichever is
10 greater.

(*ii*) The standard valuation law, as amended by the NAIC in 2009, or legislation including substantially similar terms and provisions, has been enacted by states representing greater than 75% of the direct premiums written as reported in the following annual statements submitted for 2008: life, accident, and health annual statements; health annual statements; or fraternal annual statements.

18 (*iii*) The standard valuation law, as amended by the NAIC in 19 2009, or legislation including substantially similar terms and 20 provisions, has been enacted by at least 42 of the following 55 21 jurisdictions: the 50 states of the United States, American Samoa, 22 the American Virgin Islands, the District of Columbia, Guam, and 23 Puerto Rico.

(b) (c) Unless a change in the valuation manual specifies a
later effective date, a change to the valuation manual is effective
on January 1 after the date the NAIC adopts the change to the
valuation manual by a vote representing both of the following:

28 (i) At least 3/4 of the members of the NAIC, but not less than29 a majority of the total membership.

Legel Division

(*ii*) Members of the NAIC representing jurisdictions that amount
 to greater than 75% of the direct premiums written as reported in
 the following annual statements most recently available before the
 vote in subparagraph (*i*): life, accident, and health annual
 statements; health annual statements; or fraternal annual
 statements.

7 (c) (d) The valuation manual must specify all of the
8 following:

9 (i) Minimum valuation standards for and definitions of the
10 policies or contracts subject to section 830(2). The minimum
11 valuation standards are all of the following:

12 (A) The director's reserve valuation method for life insurance13 contracts, other than annuity contracts, subject to section 830(2).

14 (B) The director's annuity reserve valuation method for15 annuity contracts subject to section 830(2).

16 (C) Minimum reserves for all other policies or contracts17 subject to section 830(2).

18 (ii) The policies or contracts or types of policies or
19 contracts that are subject to the requirements of a principle-based
20 valuation under subsection (2) and the minimum valuation standards
21 consistent with those requirements.

22 (iii) For policies and contracts subject to a principle-based23 valuation under subsection (2), all of the following apply:

(A) Requirements for the format of reports to the director
under subsection (3)(c) and that must include information necessary
to determine if the valuation is appropriate and in compliance with
this section.

(B) Assumptions must be prescribed for risks over which thecompany does not have significant control or influence.

(C) Procedures for corporate governance and oversight of the
 actuarial function, and a process for appropriate waiver or
 modification of the procedures.

4 (*iv*) For policies that are not subject to a principle-based
5 valuation under subsections (2), (3), and (4), the minimum
6 valuation standard is 1 of the following:

7 (A) The standard is consistent with the minimum standard of8 valuation before the operative date of the valuation manual.

9 (B) The standard develops reserves that quantify the benefits
10 and guarantees, and the funding, associated with the contracts and
11 their risks at a level of conservatism that reflects conditions
12 that include unfavorable events that have a reasonable probability
13 of occurring.

(v) Other requirements, including, but not limited to, those relating to reserve methods, models for measuring risk, generation of economic scenarios, assumptions, margins, use of company experience, risk measurement, disclosure, certifications, reports, actuarial opinions and memorandums, transition rules, and internal controls.

(vi) The data and form of the data required under subsection
(5), to whom the data must be submitted, and may specify other
requirements including data analyses and reporting of analyses.

(d) (e) If there is not a specific valuation requirement or if
the director determines that a specific valuation requirement in
the valuation manual does not comply with this section, the company
shall, with respect to the requirement, comply with minimum
valuation standards prescribed by the director by rule.

(e) (f) The director may engage a qualified actuary, at the
expense of the company, to perform an actuarial examination of the

H04936'19

1 company and opine on the appropriateness of any reserve assumption
2 or method used by the company, or to review and opine on a
3 company's compliance with any requirement of this section. The
4 director may rely on the opinion, regarding this section, of a
5 qualified actuary engaged by the commissioner of another state,
6 district, or territory of the United States. As used in this
7 subdivision, "engage" includes employment and contracting.

8 (f) (g) The director may require a company to change any
9 assumption or method that the director considers necessary to
10 comply with the requirements of the valuation manual or this
11 section, and the company shall adjust the reserves as required by
12 the director.

13 (2) A company shall establish reserves using a principle-based
14 valuation that meets all of the following conditions for policies
15 or contracts as specified in the valuation manual:

(a) Quantify the benefits and guarantees, and the funding, associated with the contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring during the lifetime of the contracts. For polices or contracts with significant tail risk, reflects conditions appropriately adverse to quantify the tail risk.

(b) Incorporate assumptions, risk analysis methods, financial models, and management techniques that are consistent with, but not necessarily identical to, those used within the company's overall risk assessment process, while recognizing potential differences in financial reporting structures and any prescribed assumptions or methods.

29

(c) Incorporate assumptions that are derived in 1 of the

H04936'19

1 following manners:

2 (i) The assumption is prescribed in the valuation manual.
3 (ii) For assumptions that are not prescribed in the valuation
4 manual, the assumptions must do the following, as applicable:

5 (A) Use the company's available experience, to the extent it6 is relevant and statistically credible.

7 (B) To the extent that company data are not available,
8 relevant, or statistically credible, use other relevant and
9 statistically credible experience.

10 (d) Provide margins for uncertainty, including adverse
11 deviation and estimation error, such that the greater the
12 uncertainty, the larger the margin and resulting reserve.

13 (3) A company that uses principle-based valuation for 1 or
14 more policies or contracts subject to this section as specified in
15 the valuation manual shall do all of the following:

16 (a) Establish procedures for corporate governance and
17 oversight of the actuarial valuation function consistent with those
18 described in the valuation manual.

(b) Provide to the director and the board of directors an 19 20 annual certification of the effectiveness of the internal controls 21 with respect to the principle-based valuation. The internal 22 controls must be designed to assure that all material risks 23 inherent in the liabilities and associated assets subject to the 24 valuation are included in the valuation, and that valuations are made in accordance with the valuation manual. The certification 25 26 must be based on the controls in place at the end of the preceding 27 calendar year.

(c) Develop, and file with the director on request, aprinciple-based valuation report that complies with standards

H04936'19

1 prescribed in the valuation manual.

2 (4) A principle-based valuation may include a prescribed3 formulaic reserve component.

4 (5) A company shall submit mortality, morbidity, policyholder
5 behavior, or expense experience and other data as prescribed in the
6 valuation manual.

7 (6) Except as otherwise provided in this section, confidential 8 information is confidential and privileged, is not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 9 10 15.231 to 15.246, is not subject to subpoena, and is not subject to 11 discovery or admissible in evidence in a private civil action. However, the director may use the confidential information in the 12 furtherance of any regulatory or legal action brought as a part of 13 14 the director's official duties.

15 (7) The director or any person who received confidential 16 information while acting under the authority of the director shall 17 not testify in a private civil action concerning confidential 18 information.

19

(8) The director may do all of the following:

20 (a) Except as otherwise provided in this subdivision, share confidential information with other state, federal, and 21 22 international regulatory agencies and with the NAIC and its 23 affiliates and subsidiaries. The director may also share 24 confidential information described in subsection (18) (c) (i) 25 (14) (c) (i) and (iv) only with the actuarial board for counseling and 26 discipline or its successor on request for the purpose of professional disciplinary proceedings and with state, federal, and 27 28 international law enforcement officials. The director shall not 29 share confidential information unless the recipient agrees in

H04936'19

writing to maintain the confidentiality and privileged status of
 the confidential information and has verified in writing the legal
 authority to maintain confidentiality.

(b) Subject to this subdivision, receive documents, materials, 4 5 data, or information from regulatory or law enforcement officials 6 of other foreign or domestic jurisdictions, the actuarial board for 7 counseling and discipline or its successor, and the NAIC and its 8 affiliates and subsidiaries. The director shall maintain as 9 confidential or privileged any documents, materials, or information 10 received with notice or the understanding that it is confidential 11 or privileged under the laws of the jurisdiction that is the source of the document, material, or information. 12

13 (9) The director may enter into written agreements governing14 sharing and use of information provided under this section.

15 (10) The disclosure or sharing of confidential information to 16 the director under this section is not a waiver of an applicable 17 privilege or claim of confidentiality.

18 (11) A privilege established under the law of any state or
19 jurisdiction that is substantially similar to the privilege
20 established under this section applies in any proceeding in, and in
21 any court of, this state.

(12) As used in subsections (6) to (10), "regulatory agency",
"law enforcement agency", and "NAIC" include, but are not limited
to, their employees, agents, consultants, and contractors.

(13) Notwithstanding anything in this section to the contrary,
any confidential information described in subsection (18)(c)(i)
(14)(c)(i) and (iv) is subject to all of the following:

28 (a) The confidential information is subject to subpoena for29 the purpose of defending an action seeking damages from the

H04936'19

appointed actuary submitting the related memorandum in support of
 an opinion submitted under section 830a or principle-based
 valuation report developed under subsection (3) (c) by reason of an
 action required by section 830a or subsection (3) (c) or by rules
 promulgated under this section.

6 (b) The director may release the confidential information with7 the written consent of the company.

8 (c) If any portion of a memorandum in support of an opinion
9 submitted under section 830a or a principle-based valuation report
10 developed under subsection (3)(c) is cited by the company in its
11 marketing, is cited before a governmental agency other than a state
12 insurance department, or is released by the company to the news
13 media, the memorandum or report is not confidential.

14 (14) Except as provided in subsection (15), a domestic company 15 is exempt from the requirements under subsections (1) to (5) if the 16 domestic company meets both of the following requirements:

17 (a) The domestic company has less than \$500,000,000.00 of 18 ordinary life premiums and, if the domestic company is a member of 19 a group of life insurers, the group has combined ordinary life 20 premiums of less than \$1,000,000,000.00.

21 (b) The domestic company reported total adjusted capital of at 22 least 450% of the authorized control level risk-based capital in 23 the most recent risk-based capital report and the appointed actuary 24 has provided an unqualified opinion on the reserves. 25 (15) A domestic company that meets the requirements under

26 subsection (14) (a) and (b) may elect to be bound by the

27 requirements of subsections (1) to (5) for a calendar year. The

- 28 election must be in writing and filed with the director by February
- 29 1 of the year following the calendar year in which the company

H04936'19

1 makes the election.

(16) For purposes of subsection (14), ordinary life premiums 2 3 are measured as direct plus reinsurance assumed from an unaffiliated company from the prior calendar year annual statement. 4 5 (17) Except for a domestic company that makes an election 6 under subsection (15), for a domestic company that is exempt from 7 the requirements of subsections (1) to (5) under subsection (14), 8 sections 830a, 832, 834, 835, 835a, 836, and 836a are applicable, 9 and a reference to this section in sections 830a, 834, and 836a is 10 not applicable.

11

(14) <del>(18) As</del> used in this section:

(a) "Accident and health insurance" means contracts that
incorporate morbidity risk and provide protection against economic
loss resulting from accident, sickness, or medical conditions and
as may be specified in the valuation manual.

16 (b) "Company" means an entity that has written, issued, or reinsured life insurance contracts, accident and health insurance 17 18 contracts, or deposit-type contracts in this state and has at least 1 policy in force or on claim or that has written, issued, or 19 20 reinsured life insurance contracts, accident and health insurance contracts, or deposit-type contracts in any state and is required 21 to hold a certificate of authority to write life insurance, 22 23 accident and health insurance, or deposit-type contracts in this 24 state.

(c) "Confidential information" means all of the following:
(i) A memorandum in support of an opinion submitted under
section 830a and any other documents, materials, and other
information, including, but not limited to, all working papers, and
copies of working papers, created, produced, or obtained by or

Legel Division

disclosed to the director or any other person in connection with
 the memorandum.

(ii) All documents, materials, and other information, 3 including, but not limited to, all working papers, and copies of 4 working papers, created, produced, or obtained by or disclosed to 5 6 the director or any other person in the course of an examination 7 made under subsection (1) (f) (1) (e) if an examination report or 8 other material prepared in connection with an examination made 9 under section 222 is not held as private and confidential 10 information under section 222, an examination report or other material prepared in connection with an examination made under 11 12 subsection (1) (f) (1) (e) is not "confidential information" to the 13 same extent as if the examination report or other material had been 14 prepared under section 222.

15 (iii) Any reports, documents, materials, and other information 16 developed by a company in support of, or in connection with, an 17 annual certification by the company under subsection (3)(b) 18 evaluating the effectiveness of the company's internal controls 19 with respect to a principle-based valuation and any other 20 documents, materials, and other information, including, but not limited to, all working papers, and copies of working papers, 21 created, produced, or obtained by or disclosed to the director or 22 23 any other person in connection with such reports, documents, 24 materials, and other information.

(iv) Any principle-based valuation report developed under subsection (3)(c) and any other documents, materials, and other information, including, but not limited to, all working papers, and copies of working papers, created, produced, or obtained by or disclosed to the director or any other person in connection with

Legal Division

1 the report.

2 (v) Any documents, materials, data, and other information 3 submitted by a company under subsection (5), collectively, experience data, and any other documents, materials, data, and 4 other information, including, but not limited to, all working 5 6 papers, and copies of working papers, created or produced in 7 connection with the experience data, in each case that include any 8 potentially company-identifying or personally identifiable 9 information, that is provided to or obtained by the director, 10 together with any experience data, the experience materials and any other documents, materials, data, and other information, including, 11 12 but not limited to, all working papers, and copies of working 13 papers, created, produced, or obtained by or disclosed to the 14 director or any other person in connection with the experience 15 materials.

16 (d) "Deposit-type contract" means contracts that do not 17 incorporate mortality or morbidity risks and as may be specified in 18 the valuation manual.

(e) "Life insurance" means contracts that incorporate
mortality risk, including annuity and pure endowment contracts, and
as may be specified in the valuation manual.

(f) "NAIC" means the National Association of InsuranceCommissioners.

(g) "Policyholder behavior" means any action a policyholder, contract holder, or any other person with the right to elect options, such as a certificate holder, may take under a policy or contract subject to this section, including, but not limited to, lapse, withdrawal, transfer, deposit, premium payment, loan, annuitization, or benefit elections prescribed by the policy or

Legal Division

contract but excluding events of mortality or morbidity that result
 in benefits prescribed in their essential aspects by the terms of
 the policy or contract.

4 (h) "Principle-based valuation" means a reserve valuation that
5 uses 1 or more methods or 1 or more assumptions determined by the
6 insurer and is required to comply with this section as specified in
7 the valuation manual.

8 (i) "Qualified actuary" means an individual who is qualified
9 to sign the applicable statement of actuarial opinion in accordance
10 with the American Academy of Actuaries qualification standards for
11 actuaries signing such statements and who meets the requirements
12 specified in the valuation manual.

(j) "Tail risk" means a risk that occurs either where the frequency of low probability events is higher than expected under a normal probability distribution or where there are observed events of very significant size or magnitude.

17 (k) "Valuation manual" means the manual of valuation18 instructions adopted by the NAIC as specified in this section.
