6 within 30 days after the adoption of the ordinance. For the
7 purposes of the election, each owner of a transient facility shall
8 have 1 vote for each room in each of the owner's transient
9 facilities within the assessment district. If a majority of votes
10 actually cast at the election approve the assessment, as proposed

17 become effective. If the assessment is defeated by the election,
18 the municipality described in section 2(h) (ii) may file and serve a

28 liable for payment of the assessment, computed using the percentage
29 set forth in the event center financing program notice. The

1 assessment shall be paid by the owner of each such transient
2 facility to the municipality within 30 days after the end of each
3 calendar month and shall be accompanied by a statement of room
4 charges imposed with respect to the transient facility for that
5 month. This act shall not prohibit a transient facility from
6 reimbursing itself by adding the assessment imposed pursuant to
7 this act to room charges payable by transient guests, provided that
8 the transient facility discloses that it has done so on any bill
9 presented to a transient guest.

10 (2) Within 30 days after the close of each calendar quarter,
11 each owner within an assessment district shall forward to the
12 independent certified public accountants who audit the financial
13 statements of the municipality copies of its use tax returns for
14 the preceding quarter. These copies of the use tax returns shall be
15 used solely by the certified public accountants to verify and audit
16 the owner's payment of the assessments and shall not be disclosed
17 to the municipality except as necessary to enforce this act.

18 (3) Interest shall be paid by an owner to the municipality on
19 any assessments not paid within the time called for under this act.
20 The interest shall accrue at the rate of 1.5% per month. Owners
21 delinquent for more than 90 days in paying assessments, in addition
22 to the 1.5% interest, shall pay a delinquency charge of 10% per
23 month or fraction of a month on the amount of the delinquent
24 assessments. The municipality may sue in its own name to collect
25 the assessments, interest, and delinquency charges.

26 (4) The owner of a transient facility shall not be liable for
27 payment of an assessment until a notice has been mailed to the
28 transient facility of the owner pursuant to section 3(4).

29 Sec. 5. The revenues derived from the assessment imposed under

1 this act shall be deposited in a special fund to be used by the
2 municipality or by an authority that is organized pursuant to state
3 law, as follows:

4 (a) One quarter of 1 percent of the tax percentage imposed
5 under section 3(3) shall be used only for urban recreational
6 services as provided in the event center financing program.

7 (b) The remainder of the tax percentage imposed under section
8 3(3), together with other available funds, shall be used only to
9 pay for 1 or more of the following:

10 (i) The cost of administration and enforcement of the
11 ordinance.

12 (ii) The financing of the acquisition, construction,
13 improvement, enlargement, repair, or maintenance of convention and
14 entertainment facilities, including the payment of principal and
15 interest, when due, on bonds or other evidence of indebtedness
16 issued by the municipality for an event center.

17 (iii) Current or future annual rental payable by the
18 municipality to an authority organized pursuant to state law for
19 the purpose of acquiring, constructing, improving, enlarging,
20 repairing, or maintaining the convention and entertainment
21 facilities and leasing them to the municipality.
