

**SUBSTITUTE FOR  
HOUSE BILL NO. 4712**

A bill to amend 2007 PA 36, entitled  
"Michigan business tax act,"  
by amending section 437 (MCL 208.1437), as amended by 2021 PA 27.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1       Sec. 437. (1) Subject to the criteria under this section, a  
2 qualified taxpayer that has unused credits or has a preapproval  
3 letter issued after December 31, 2007 and before January 1, 2014,  
4 or a taxpayer that received a preapproval letter prior to January  
5 1, 2008 under section 38g of former 1975 PA 228 and has not  
6 received a certificate of completion prior to the taxpayer's last  
7 tax year, provided that the project is completed not more than 5  
8 years after the preapproval letter for the project is issued unless  
9 extended under subsection (9) **or (34)** or if it is a multiphase

1 project not more than 10 years after the preapproval letter, as  
2 amended, if applicable, or as otherwise extended under subsection  
3 (10), for the project is issued, or an assignee under subsection  
4 (20), (21), or (22) may claim a credit that has been approved under  
5 section 38g of former 1975 PA 228 or under subsection (2), (3), or  
6 (4) against the tax imposed by this act equal to either of the  
7 following:

8 (a) For projects approved before April 8, 2008, if the total  
9 of all credits for a project is \$1,000,000.00 or less, 10% of the  
10 cost of the qualified taxpayer's eligible investment paid or  
11 accrued by the qualified taxpayer on an eligible property provided  
12 that the project does not exceed the amount stated in the  
13 preapproval letter, as amended. For projects approved, or amended,  
14 on and after April 8, 2008, if the total of all eligible  
15 investments for a project are \$10,000,000.00 or less, up to 12.5%  
16 of the costs of the qualified taxpayer's eligible investment paid  
17 or accrued by the qualified taxpayer on an eligible property or up  
18 to 15% of the costs of the qualified taxpayer's eligible investment  
19 paid or accrued by the qualified taxpayer on an eligible property  
20 if the project is designated as an urban development area project  
21 by the Michigan economic growth authority to the extent that the  
22 project does not exceed the amount stated in the preapproval  
23 letter, as amended, or, until December 31, 2010, up to 20% of the  
24 costs of the qualified taxpayer's eligible investment paid or  
25 accrued by the qualified taxpayer on an eligible property if the  
26 project is designated as an urban development area project by the  
27 Michigan economic growth authority. If eligible investment exceeds  
28 the amount of eligible investment in the preapproval letter, as  
29 amended, for that project, the total of all credits for the project

1 shall not exceed the total of all credits on the certificate of  
2 completion.

3 (b) For projects approved before April 8, 2008, if the total  
4 of all credits for a project is more than \$1,000,000.00 but  
5 \$30,000,000.00 or less and, except as provided in subsection  
6 (6)(b), the project is located in a qualified local governmental  
7 unit, a percentage as determined by the Michigan economic growth  
8 authority not to exceed 10% of the cost of the qualified taxpayer's  
9 eligible investment as determined under subsection (11) paid or  
10 accrued by the qualified taxpayer on an eligible property. For  
11 projects approved, or amended, on and after April 8, 2008 and  
12 before January 1, 2010, if the total of all eligible investments  
13 for a project is more than \$10,000,000.00 but \$300,000,000.00 or  
14 less, up to 12.5% of the costs of the qualified taxpayer's eligible  
15 investment as determined under subsection (11) paid or accrued by  
16 the qualified taxpayer on an eligible property that, except as  
17 provided in subsection (6)(b), is located in a qualified local  
18 governmental unit, up to 15% of the cost of the qualified  
19 taxpayer's eligible investment as determined under subsection (11)  
20 paid or accrued by the qualified taxpayer on an eligible property  
21 if the project is designated as an urban development area project  
22 by the Michigan economic growth authority, or, until December 31,  
23 2010, up to 20% of the costs of the qualified taxpayer's eligible  
24 investment as determined under subsection (11) paid or accrued by  
25 the qualified taxpayer on an eligible property if the project is  
26 designated as an urban development area project by the Michigan  
27 economic growth authority. For projects approved, or amended, on  
28 and after January 1, 2010, if the total of all eligible investments  
29 for a project is more than \$10,000,000.00 but \$100,000,000.00 or

1 less, up to 12.5% of the costs of the qualified taxpayer's eligible  
2 investment as determined under subsection (11) paid or accrued by  
3 the qualified taxpayer on an eligible property that, except as  
4 provided in subsection (6)(b), is located in a qualified local  
5 governmental unit, up to 15% of the cost of the qualified  
6 taxpayer's eligible investment as determined under subsection (11)  
7 paid or accrued by the qualified taxpayer on an eligible property  
8 if the project is designated as an urban development area project  
9 by the Michigan economic growth authority, or, until December 31,  
10 2010, up to 20% of the costs of the qualified taxpayer's eligible  
11 investment as determined under subsection (11) paid or accrued by  
12 the qualified taxpayer on an eligible property if the project is  
13 designated as an urban development area project by the Michigan  
14 economic growth authority. If eligible investment exceeds the  
15 amount of eligible investment in the preapproval letter, as  
16 amended, for that project, the total of all credits for the project  
17 shall not exceed the total of all credits on the certificate of  
18 completion **except as authorized under subsection (34)**.

19 (2) If the cost of a project will be \$2,000,000.00 or less, a  
20 qualified taxpayer shall apply to the Michigan economic growth  
21 authority for approval of the project under this subsection. An  
22 application under this subsection shall state whether the project  
23 is a multiphase project. Subject to the limitation provided under  
24 subsection (31), the chairperson of the Michigan economic growth  
25 authority or his or her designee is authorized to approve an  
26 application or project under this subsection. Only the chairperson  
27 of the Michigan economic growth authority is authorized to deny an  
28 application or project under this subsection. A project shall be  
29 approved or denied not more than 45 days after receipt of the

1 application. If the chairperson of the Michigan economic growth  
2 authority or his or her designee does not approve or deny the  
3 application within 45 days after the application is received by the  
4 Michigan economic growth authority, the application is considered  
5 approved as written. If the chairperson of the Michigan economic  
6 growth authority or his or her designee approves a project under  
7 this subsection, the chairperson of the Michigan economic growth  
8 authority or his or her designee shall issue a preapproval letter  
9 that states that the taxpayer is a qualified taxpayer; the maximum  
10 total eligible investment for the project on which credits may be  
11 claimed and the maximum total of all credits for the project when  
12 the project is completed and a certificate of completion is issued;  
13 and the project number assigned by the Michigan economic growth  
14 authority. If a project is denied under this subsection, a taxpayer  
15 is not prohibited from subsequently applying under this subsection  
16 for the same project or for another project. The Michigan economic  
17 growth authority shall develop and implement the use of the  
18 application form to be used for projects under this subsection.

19 (3) If the cost of a project will be for more than  
20 \$2,000,000.00 but \$10,000,000.00 or less, a qualified taxpayer  
21 shall apply to the Michigan economic growth authority for approval  
22 of the project under this subsection. An application under this  
23 subsection shall state whether the project is a multiphase project.  
24 Subject to the limitation provided under subsection (31), the  
25 chairperson of the Michigan economic growth authority or his or her  
26 designee is authorized to approve an application or project under  
27 this subsection. Only the chairperson of the Michigan economic  
28 growth authority is authorized to deny an application or project  
29 under this subsection. A project shall be approved or denied not

1 more than 45 days after receipt of the application. If the  
2 chairperson of the Michigan economic growth authority or his or her  
3 designee does not approve or deny an application within 45 days  
4 after the application is received by the Michigan economic growth  
5 authority, the application is considered approved as written. The  
6 criteria in subsection (7) shall be used when approving projects  
7 under this subsection. When approving projects under this  
8 subsection, priority shall be given to projects on a facility. The  
9 total of all credits for an approved project under this subsection  
10 shall not exceed the amounts authorized under subsection (1)(a). A  
11 taxpayer may apply under this subsection instead of subsection (4)  
12 for approval of a project that will be for more than  
13 \$10,000,000.00, but the total of all credits for that project shall  
14 not exceed the amounts authorized under subsection (1)(a). If the  
15 chairperson of the Michigan economic growth authority or his or her  
16 designee approves a project under this subsection, the chairperson  
17 of the Michigan economic growth authority or his or her designee  
18 shall issue a preapproval letter that states that the taxpayer is a  
19 qualified taxpayer; the maximum total eligible investment for the  
20 project on which credits may be claimed and the maximum total of  
21 all credits for the project when the project is completed and a  
22 certificate of completion is issued; and the project number  
23 assigned by the Michigan economic growth authority. If a project is  
24 denied under this subsection, a taxpayer is not prohibited from  
25 subsequently applying under this subsection or subsection (4) for  
26 the same project or for another project.

27 (4) If the cost of a project will be for more than  
28 \$10,000,000.00 and, except as provided in subsection (6)(b), the  
29 project is located in a qualified local governmental unit, a

1 qualified taxpayer shall apply to the Michigan economic growth  
2 authority for approval of the project. An application under this  
3 subsection shall state whether the project is a multiphase project.  
4 The Michigan economic growth authority shall approve or deny the  
5 project not more than 65 days after receipt of the application. A  
6 project under this subsection shall not be approved without the  
7 concurrence of the state treasurer. If the Michigan economic growth  
8 authority does not approve or deny the application within 65 days  
9 after it receives the application, the Michigan economic growth  
10 authority shall send the application to the state treasurer. The  
11 state treasurer shall approve or deny the application within 5 days  
12 after receipt of the application. If the state treasurer does not  
13 deny the application within 5 days after receipt of the  
14 application, the application is considered approved. The Michigan  
15 economic growth authority shall approve a limited number of  
16 projects under this subsection during each calendar year as  
17 provided in subsection (6). The Michigan economic growth authority  
18 shall use the criteria in subsection (7) when approving projects  
19 under this subsection, when determining the total amount of  
20 eligible investment, and when determining the percentage of  
21 eligible investment for the project to be used to calculate a  
22 credit. The total of all credits for an approved project under this  
23 subsection shall not exceed the amount designated in the  
24 preapproval letter, as amended, for that project. If the Michigan  
25 economic growth authority approves a project under this subsection,  
26 the Michigan economic growth authority shall issue a preapproval  
27 letter that states that the taxpayer is a qualified taxpayer; the  
28 percentage of eligible investment for the project determined by the  
29 Michigan economic growth authority for purposes of subsection

1 (1) (b); the maximum total eligible investment for the project on  
2 which credits may be claimed and the maximum total of all credits  
3 for the project when the project is completed and a certificate of  
4 completion is issued; and the project number assigned by the  
5 Michigan economic growth authority. The Michigan economic growth  
6 authority shall send a copy of the preapproval letter to the  
7 department. If a project is denied under this subsection, a  
8 taxpayer is not prohibited from subsequently applying under this  
9 subsection or subsection (3) for the same project or for another  
10 project.

11 (5) If the project is on property that is functionally  
12 obsolete, the taxpayer shall include with the application an  
13 affidavit signed by a level 3 or level 4 assessor, that states that  
14 it is the assessor's expert opinion that the property is  
15 functionally obsolete and the underlying basis for that opinion.

16 (6) The Michigan economic growth authority may approve not  
17 more than 20 projects each calendar year through December 31, 2009,  
18 not more than 19 projects for the 2010 calendar year, and, except  
19 as otherwise provided under subdivision (d), not more than 17  
20 projects for each calendar year after December 31, 2010 under  
21 subsection (4), and the following limitations apply:

22 (a) Of the projects allowed under this subsection, the total  
23 of all credits for each project may be more than \$10,000,000.00 but  
24 \$30,000,000.00 or less for only 1 project before December 31, 2009.

25 (b) Of the projects allowed under this subsection, up to 3  
26 projects may be approved for projects that are not in a qualified  
27 local governmental unit if the property is a facility for which  
28 eligible activities are identified in a brownfield plan or, for 1  
29 of the 3 projects, if the property is not a facility but is

1 functionally obsolete or blighted, property identified in a  
2 brownfield plan. For purposes of this subdivision, a facility  
3 includes a building or complex of buildings that was used by a  
4 state or federal agency and that is no longer being used for the  
5 purpose for which it was used by the state or federal agency.

6 (c) The project allowed under subdivision (a) may also qualify  
7 under subdivision (b).

8 (d) If the Michigan economic growth authority determines that  
9 there are previously issued credits authorized under section 434(6)  
10 available, the Michigan economic growth authority may approve 2  
11 additional projects for each calendar year after December 31, 2010.  
12 As used in this subdivision, "previously issued credits" means the  
13 total amount of credits authorized by the Michigan economic growth  
14 authority for a taxpayer under section 434(6) that meets all of the  
15 following:

16 (i) The taxpayer did not use any or a portion of the credits  
17 authorized under the written agreement under section 434(6).

18 (ii) The authority determined at a meeting upon a vote of the  
19 majority of the members present that the credits previously  
20 authorized satisfy subparagraph (i).

21 (7) The Michigan economic growth authority shall review all  
22 applications for projects under subsection (4) and, if an  
23 application is approved, shall determine the maximum total of all  
24 credits for that project. Before approving a project for which the  
25 total of all credits will be more than \$10,000,000.00 but  
26 \$30,000,000.00 or less only, the Michigan economic growth authority  
27 shall determine that the project would not occur in this state  
28 without the tax credit offered under subsection (4). The Michigan  
29 economic growth authority shall consider the following criteria to

1 the extent reasonably applicable to the type of project proposed  
2 when approving a project under subsection (4), and the chairperson  
3 of the Michigan economic growth authority or his or her designee  
4 shall consider the following criteria to the extent reasonably  
5 applicable to the type of project proposed when approving a project  
6 under subsection (2) or (3) or when considering an amendment to a  
7 project under subsection (9) **or (34)** :

8 (a) The overall benefit to the public.

9 (b) The extent of reuse of vacant buildings and redevelopment  
10 of blighted property.

11 (c) Creation of jobs.

12 (d) Whether the eligible property is in an area of high  
13 unemployment.

14 (e) The level and extent of contamination alleviated by the  
15 qualified taxpayer's eligible activities to the extent known to the  
16 qualified taxpayer.

17 (f) The level of private sector contribution.

18 (g) The cost gap that exists between the site and a similar  
19 greenfield site as determined by the Michigan economic growth  
20 authority.

21 (h) If the qualified taxpayer is moving from another location  
22 in this state, whether the move will create a brownfield.

23 (i) Whether the project is financially and economically sound.

24 (j) Any other criteria that the Michigan economic growth  
25 authority or the chairperson of the Michigan economic growth  
26 authority, as applicable, considers appropriate for the  
27 determination of eligibility under subsection (3) or (4).

28 (8) A qualified taxpayer may apply for projects under this  
29 section for eligible investment on more than 1 eligible property in

1 a tax year. Each project approved and each project for which a  
2 certificate of completion is issued under this section shall be for  
3 eligible investment on 1 eligible property.

4 (9) If, after a taxpayer's project has been approved and the  
5 taxpayer has received a preapproval letter but before the taxpayer  
6 has made an eligible investment, other than soft costs **or as**  
7 **otherwise authorized under subsection (34)**, at the property, the  
8 taxpayer determines that the project cannot be completed as  
9 preapproved, the taxpayer may petition the Michigan economic growth  
10 authority to amend the project and the preapproval letter to  
11 increase the maximum total eligible investment for the project on  
12 which credits may be claimed and the maximum total of all credits  
13 for the project. A taxpayer may petition the Michigan economic  
14 growth authority to make any other amendments to the project or  
15 preapproval letter at any time before a certificate of completion  
16 is issued. ~~Amendments~~ **Except as otherwise authorized under**  
17 **subsection (34), amendments** to the project or preapproval letter  
18 may include, but are not limited to, extending the duration of time  
19 provided to complete the project, as long as that extension does  
20 not exceed 10 years from the date of the preapproval letter or as  
21 otherwise extended under subsection (10). However, if a project was  
22 approved prior to December 31, 2008 for 20% of the qualified  
23 taxpayer's eligible investment and a total of less than  
24 \$2,000,000.00 for all credits for that project and that project has  
25 received a funding reservation for an allocation of the federal  
26 low-income housing tax credit administered by the Michigan state  
27 housing development authority of more than \$1,100,000.00, then that  
28 project may be amended to extend the duration of time provided to  
29 complete the project to the placed-in-service date of the carryover

1 allocation agreement for the federal low-income housing tax credit.

2 (10) A project may be a multiphase project. If a project is a  
3 multiphase project, when each component of the multiphase project  
4 is completed, the taxpayer shall submit documentation that the  
5 component is complete, an accounting of the cost of the component,  
6 and the eligible investment for the component of each taxpayer  
7 eligible for a credit for the project of which the component is a  
8 part to the Michigan economic growth authority or the designee of  
9 the Michigan economic growth authority, who shall verify that the  
10 component is complete. When the completion of the component is  
11 verified, a component completion certificate shall be issued to the  
12 qualified taxpayer which shall state that the taxpayer is a  
13 qualified taxpayer, the credit amount for the component, the  
14 qualified taxpayer's federal employer identification number or the  
15 Michigan treasury number assigned to the taxpayer, and the project  
16 number. The taxpayer may assign all or part of the credit for a  
17 multiphase project as provided in this section after a component  
18 completion certificate for a component is issued. The qualified  
19 taxpayer may transfer ownership of or lease the completed component  
20 and assign a proportionate share of the credit for the entire  
21 project to the qualified taxpayer that is the new owner or lessee.  
22 A multiphase project shall not be divided into more than 10  
23 components. A component is considered to be completed when a  
24 temporary or final certificate of occupancy has been issued by the  
25 local municipality in which the project is located for all of the  
26 buildings or facilities that comprise the completed component and a  
27 component completion certificate is issued or the chairperson of  
28 the Michigan economic growth authority or his or her designee, for  
29 projects approved under subsection (2) or (3), or the Michigan

1 economic growth authority, for projects approved under subsection  
2 (4), verifies that the component is complete. A credit assigned  
3 based on a multiphase project shall be claimed by the assignee in  
4 the tax year in which the assignment is made. The total of all  
5 credits for a multiphase project shall not exceed the amount stated  
6 in the preapproval letter, as amended, for the project under  
7 subsection (1). Except as otherwise provided under this subsection,  
8 if all components of a multiphase project are not completed by 10  
9 years after the date on which the preapproval letter, as amended,  
10 if applicable, for the project was issued, the qualified taxpayer  
11 that received the preapproval letter for the project shall pay to  
12 the state treasurer, as a penalty, an amount equal to the sum of  
13 all credits claimed and assigned for all components of the  
14 multiphase project and no credits based on that multiphase project  
15 shall be claimed after that date by the qualified taxpayer or any  
16 assignee of the qualified taxpayer. A qualified taxpayer that was  
17 approved for a credit based on a multiphase project by Resolution  
18 2010-219 adopted by the Michigan economic growth authority and  
19 issued a preapproval letter on June 10, 2011 has until September  
20 14, 2023 to complete that project and claim the credit without  
21 penalty. The penalty under this subsection is subject to interest  
22 on the amount of the credit claimed or assigned determined  
23 individually for each component at the rate in section 23(2) of  
24 1941 PA 122, MCL 205.23, beginning on the date that the credit for  
25 that component was claimed or assigned. As used in this subsection,  
26 "proportionate share" means the same percentage of the total of all  
27 credits for the project that the qualified investment for the  
28 completed component is of the total qualified investment stated in  
29 the preapproval letter, as amended, for the entire project.

1 (11) When a project under this section is completed, the  
2 taxpayer shall submit documentation that the project is completed,  
3 an accounting of the cost of the project, the eligible investment  
4 of each taxpayer if there is more than 1 taxpayer eligible for a  
5 credit for the project, and, if the taxpayer is not the owner or  
6 lessee of the eligible property on which the eligible investment  
7 was made at the time the project is completed, that the taxpayer  
8 was the owner or lessee of, or was a party to an agreement to  
9 purchase or lease, that eligible property when all eligible  
10 investment of the taxpayer was made. The chairperson of the  
11 Michigan economic growth authority or his or her designee, for  
12 projects approved under subsection (2) or (3), or the Michigan  
13 economic growth authority, for projects approved under subsection  
14 (4), shall verify that the project is completed. The Michigan  
15 economic growth authority shall conduct an on-site inspection as  
16 part of the verification process for projects approved under  
17 subsection (4). When the completion of the project is verified, a  
18 certificate of completion shall be issued to each qualified  
19 taxpayer that has made eligible investment on that eligible  
20 property. The certificate of completion shall state the total  
21 amount of all credits for the project and that total shall not  
22 exceed the maximum total of all credits listed in the preapproval  
23 letter for the project under subsection (2), (3), or (4) as  
24 applicable and as amended under subsection (9) **or (34)** and shall  
25 state all of the following:

26 (a) That the taxpayer is a qualified taxpayer.

27 (b) The total cost of the project and the eligible investment  
28 of each qualified taxpayer.

29 (c) Each qualified taxpayer's credit amount.

1 (d) The qualified taxpayer's federal employer identification  
2 number or the Michigan treasury number assigned to the taxpayer.

3 (e) The project number.

4 (f) For a project approved under subsection (4) for which the  
5 total of all credits is more than \$10,000,000.00 but \$30,000,000.00  
6 or less, the total of all credits and the schedule on which the  
7 annual credit amount shall be claimed by the qualified taxpayer.

8 (g) For a multiphase project under subsection (10), the amount  
9 of each credit assigned and the amount of all credits claimed in  
10 each tax year before the year in which the project is completed.

11 (12) Except as otherwise provided in this section, qualified  
12 taxpayers shall claim credits under this section in the tax year in  
13 which the certificate of completion is issued. For a project  
14 approved under subsection (4) for which the total of all credits is  
15 more than \$10,000,000.00 but \$30,000,000.00 or less, the qualified  
16 taxpayer shall claim 10% of its approved credit each year for 10  
17 years. A credit assigned based on a multiphase project shall be  
18 claimed in the year in which the credit is assigned.

19 (13) The cost of eligible investment for leased machinery,  
20 equipment, or fixtures is the cost of that property had the  
21 property been purchased minus the lessor's estimate, made at the  
22 time the lease is entered into, of the market value the property  
23 will have at the end of the lease. A credit for property described  
24 in this subsection is allowed only if the cost of that property had  
25 the property been purchased and the lessor's estimate of the market  
26 value at the end of the lease are provided to the Michigan economic  
27 growth authority.

28 (14) Credits claimed by a lessee of eligible property are  
29 subject to the total of all credits limitation under this section.

1           (15) Each qualified taxpayer and assignee under subsection  
2           (20), (21), or (22) that claims a credit under this section shall  
3           attach a copy of the certificate of completion and, if the credit  
4           was assigned, a copy of the assignment form provided for under this  
5           section to the annual return filed under this act on which the  
6           credit under this section is claimed. An assignee of a credit based  
7           on a multiphase project shall attach a copy of the assignment form  
8           provided for under this section and the component completion  
9           certificate provided for in subsection (10) to the annual return  
10          filed under this act on which the credit is claimed but is not  
11          required to file a copy of a certificate of completion.

12          (16) Except as otherwise provided in this subsection or  
13          subsection (10), (18), (20), (21), or (22), a credit under this  
14          section shall be claimed in the tax year in which the certificate  
15          of completion is issued to the qualified taxpayer. For a project  
16          described in subsection (11)(f) for which a schedule for claiming  
17          annual credit amounts is designated on the certificate of  
18          completion by the Michigan economic growth authority, the annual  
19          credit amount shall be claimed in the tax year specified on the  
20          certificate of completion.

21          (17) Except as otherwise provided under this subsection, the  
22          credits approved under this section shall be calculated after  
23          application of all other credits allowed under this act. The  
24          credits under this section shall be calculated before the  
25          calculation of the credits under sections 413, 423, 431, and 450.

26          (18) Except as otherwise provided under this subsection, if  
27          the credit allowed under this section for the tax year and any  
28          unused carryforward of the credit allowed under this section exceed  
29          the qualified taxpayer's or assignee's tax liability for the tax

1 year, that portion that exceeds the tax liability for the tax year  
2 shall not be refunded but may be carried forward to offset tax  
3 liability in subsequent tax years for 10 years or until used up,  
4 whichever occurs first. Except as otherwise provided in this  
5 subsection, the maximum time allowed under the carryforward  
6 provisions under this subsection begins with the tax year in which  
7 the certificate of completion is issued to the qualified taxpayer.  
8 If the qualified taxpayer assigns all or any portion of its credit  
9 approved under this section, the maximum time allowed under the  
10 carryforward provisions for an assignee begins to run with the tax  
11 year in which the assignment is made and the assignee first claims  
12 a credit, which shall be the same tax year. The maximum time  
13 allowed under the carryforward provisions for an annual credit  
14 amount for a credit allowed under subsection (4) begins to run in  
15 the tax year for which the annual credit amount is designated on  
16 the certificate of completion issued under this section. A credit  
17 carryforward available under section 38g of former 1975 PA 228 that  
18 is unused at the end of the last tax year may be claimed against  
19 the tax imposed under this act for the years the carryforward would  
20 have been available under former 1975 PA 228. Beginning on and  
21 after April 8, 2008, if the credit allowed under this section for  
22 the tax year exceeds the qualified taxpayer's tax liability for the  
23 tax year, the qualified taxpayer may elect to have the excess  
24 refunded at a rate equal to 85% of that portion of the credit that  
25 exceeds the tax liability of the qualified taxpayer for the tax  
26 year and forgo the remaining 15% of the credit and any  
27 carryforward.

28 (19) If a project or credit under this section is for the  
29 addition of personal property, if the cost of that personal

1 property is used to calculate a credit under this section, and if  
2 the personal property is disposed of or transferred from the  
3 eligible property to any other location, the qualified taxpayer  
4 that disposed of that property, or transferred the personal  
5 property shall add the same percentage as determined under  
6 subsection (1) of the federal basis of the personal property used  
7 for determining gain or loss as of the date of the disposition or  
8 transfer to the qualified taxpayer's tax liability under this act  
9 after application of all credits under this act for the tax year in  
10 which the disposition or transfer occurs. If a qualified taxpayer  
11 has an unused carryforward of a credit under this section, the  
12 amount otherwise added under this subsection to the qualified  
13 taxpayer's tax liability may instead be used to reduce the  
14 qualified taxpayer's carryforward under subsection (18).

15 (20) For credits under this section for projects for which a  
16 certificate of completion is issued before January 1, 2006 and  
17 except as otherwise provided in this subsection, if a qualified  
18 taxpayer pays or accrues eligible investment on or to an eligible  
19 property that is leased for a minimum term of 10 years or sold to  
20 another taxpayer for use in a business activity, the qualified  
21 taxpayer may assign all or a portion of the credit under this  
22 section based on that eligible investment to the lessee or  
23 purchaser of that eligible property. A credit assignment under this  
24 subsection shall only be made to a taxpayer that when the  
25 assignment is complete will be a qualified taxpayer. All credit  
26 assignments under this subsection are irrevocable and, except for a  
27 credit based on a multiphase project, shall be made in the tax year  
28 in which the certificate of completion is issued, unless the  
29 assignee is an unknown lessee. If a qualified taxpayer wishes to

1 assign all or a portion of its credit to a lessee but the lessee is  
2 unknown in the tax year in which the certificate of completion is  
3 issued, the qualified taxpayer may delay claiming and assigning the  
4 credit until the first tax year in which the lessee is known. A  
5 qualified taxpayer may claim a portion of a credit and assign the  
6 remaining credit amount. Except as otherwise provided in this  
7 subsection, if the qualified taxpayer both claims and assigns  
8 portions of the credit, the qualified taxpayer shall claim the  
9 portion it claims in the tax year in which the certificate of  
10 completion is issued or, for a credit assigned and claimed for a  
11 multiphase project before a certificate of completion is issued,  
12 the taxpayer shall claim the credit in the year in which the credit  
13 is assigned. If a qualified taxpayer assigns all or a portion of  
14 the credit and the eligible property is leased to more than 1  
15 taxpayer, the qualified taxpayer shall determine the amount of  
16 credit assigned to each lessee. A lessee shall not subsequently  
17 assign a credit or any portion of a credit assigned under this  
18 subsection. A purchaser may subsequently assign a credit or any  
19 portion of a credit assigned to the purchaser under this subsection  
20 to a lessee of the eligible property. The credit assignment under  
21 this subsection shall be made on a form prescribed by the Michigan  
22 economic growth authority. The qualified taxpayer shall send a copy  
23 of the completed assignment form to the Michigan economic growth  
24 authority in the tax year in which the assignment is made. The  
25 assignee shall attach a copy of the completed assignment form to  
26 its annual return required to be filed under this act, for the tax  
27 year in which the assignment is made and the assignee first claims  
28 a credit, which shall be the same tax year. In addition to all  
29 other procedures under this subsection, the following apply if the

1 total of all credits for a project is more than \$10,000,000.00 but  
2 \$30,000,000.00 or less:

3 (a) The credit shall be assigned based on the schedule  
4 contained in the certificate of completion.

5 (b) If the qualified taxpayer assigns all or a portion of the  
6 credit amount, the qualified taxpayer shall assign the annual  
7 credit amount for each tax year separately.

8 (c) More than 1 annual credit amount may be assigned to any 1  
9 assignee and the qualified taxpayer may assign all or a portion of  
10 each annual credit amount to any assignee.

11 (d) The qualified taxpayer shall not assign more than the  
12 annual credit amount for each tax year.

13 (21) Except as otherwise provided in this subsection, for  
14 projects for which a certificate of completion is issued before  
15 January 1, 2006, and except as otherwise provided in this  
16 subsection, if a qualified taxpayer is a partnership, limited  
17 liability company, or subchapter S corporation, the qualified  
18 taxpayer may assign all or a portion of a credit under this section  
19 to its partners, members, or shareholders, based on their  
20 proportionate share of ownership of the partnership, limited  
21 liability company, or subchapter S corporation or based on an  
22 alternative method approved by the Michigan economic growth  
23 authority. A credit assignment under this subsection is irrevocable  
24 and, except for a credit assignment based on a multiphase project,  
25 shall be made in the tax year in which a certificate of completion  
26 is issued. A qualified taxpayer may claim a portion of a credit and  
27 assign the remaining credit amount. Except as otherwise provided in  
28 this subsection, if the qualified taxpayer both claims and assigns  
29 portions of the credit, the qualified taxpayer shall claim the

1 portion it claims in the tax year in which a certificate of  
2 completion is issued or for a credit assigned and claimed for a  
3 multiphase project, before the component completion certificate is  
4 issued, the taxpayer shall claim the credit in the year in which  
5 the credit is assigned. A partner, member, or shareholder that is  
6 an assignee shall not subsequently assign a credit or any portion  
7 of a credit assigned under this subsection. The credit assignment  
8 under this subsection shall be made on a form prescribed by the  
9 Michigan economic growth authority. The qualified taxpayer shall  
10 send a copy of the completed assignment form to the Michigan  
11 economic growth authority in the tax year in which the assignment  
12 is made. A partner, member, or shareholder who is an assignee shall  
13 attach a copy of the completed assignment form to its annual return  
14 required under this act, for the tax year in which the assignment  
15 is made and the assignee first claims a credit, which shall be the  
16 same tax year. A credit assignment based on a credit for a  
17 component of a multiphase project that is completed before January  
18 1, 2006 shall be made under this subsection. In addition to all  
19 other procedures under this subsection, the following apply if the  
20 total of all credits for a project is more than \$10,000,000.00 but  
21 \$30,000,000.00 or less:

22 (a) The credit shall be assigned based on the schedule  
23 contained in the certificate of completion.

24 (b) If the qualified taxpayer assigns all or a portion of the  
25 credit amount, the qualified taxpayer shall assign the annual  
26 credit amount for each tax year separately.

27 (c) More than 1 annual credit amount may be assigned to any 1  
28 assignee and the qualified taxpayer may assign all or a portion of  
29 each annual credit amount to any assignee.

1 (d) The qualified taxpayer shall not assign more than the  
2 annual credit amount for each tax year.

3 (22) For projects approved under this section or section 38g  
4 of former 1975 PA 228 for which a certificate of completion is  
5 issued on and after January 1, 2006, a qualified taxpayer may  
6 assign all or a portion of a credit allowed under this section or  
7 section 38g(2), (3), or (33) of former 1975 PA 228 under this  
8 subsection. A credit assignment under this subsection is  
9 irrevocable and, except for a credit assignment based on a  
10 multiphase project, shall be made in the tax year in which a  
11 certificate of completion is issued unless the assignee is an  
12 unknown lessee. If a qualified taxpayer wishes to assign all or a  
13 portion of its credit to a lessee but the lessee is unknown in the  
14 tax year in which the certificate of completion is issued, the  
15 qualified taxpayer may delay claiming and assigning the credit  
16 until the first tax year in which the lessee is known. A qualified  
17 taxpayer may claim a portion of a credit and assign the remaining  
18 credit amount. If the qualified taxpayer both claims and assigns  
19 portions of the credit, the qualified taxpayer shall claim the  
20 portion it claims in the tax year in which a certificate of  
21 completion is issued pursuant to this section or section 38g of  
22 former 1975 PA 228. An assignee may subsequently assign a credit or  
23 any portion of a credit assigned under this subsection to 1 or more  
24 assignees. The credit assignment or a subsequent reassignment under  
25 this subsection shall be made on a form prescribed by the Michigan  
26 economic growth authority. The Michigan economic growth authority  
27 or its designee shall review and issue a completed assignment or  
28 reassignment certificate to the assignee or reassignee. An assignee  
29 or subsequent reassignee shall attach a copy of the completed

1 assignment certificate to its annual return required under this  
2 act, for the tax year in which the assignment or reassignment is  
3 made and the assignee or reassignee first claims a credit, which  
4 shall be the same tax year. A credit assignment based on a credit  
5 for a component of a multiphase project that is completed before  
6 January 1, 2006 shall be made under section 38g(18) of former 1975  
7 PA 228. A credit assignment based on a credit for a component of a  
8 multiphase project that is completed on or after January 1, 2006  
9 may be made under this section. In addition to all other procedures  
10 and requirements under this section, the following apply if the  
11 total of all credits for a project is more than \$10,000,000.00 but  
12 \$30,000,000.00 or less:

13 (a) The credit shall be assigned based on the schedule  
14 contained in the certificate of completion.

15 (b) If the qualified taxpayer assigns all or a portion of the  
16 credit amount, the qualified taxpayer shall assign the annual  
17 credit amount for each tax year separately.

18 (c) More than 1 annual credit amount may be assigned to any 1  
19 assignee, and the qualified taxpayer may assign all or a portion of  
20 each annual credit amount to any assignee.

21 (23) A qualified taxpayer or assignee under subsection (20),  
22 (21), or (22) shall not claim a credit under subsection (1)(a) or  
23 (b) based on eligible investment on which a credit claimed under  
24 section 38d of former 1975 PA 228 was based.

25 (24) When reviewing an application for a project for  
26 designation as an urban development area project, the Michigan  
27 economic growth authority for projects approved under subsection  
28 (4) or the chairperson of the Michigan economic growth authority or  
29 his or her designee for projects approved under subsections (2) and

11 growth authority or the chairperson of the Michigan economic growth  
12 authority.

13 (25) An eligible taxpayer that claims a credit under this  
14 section is not prohibited from claiming a credit under section 431.  
15 However, the eligible taxpayer shall not claim a credit under this  
16 section and section 431 based on the same costs.

17 (26) Eligible investment attributable or related to the  
18 operation of a professional sports stadium, and eligible investment  
19 that is associated or affiliated with the operation of a  
20 professional sports stadium, including, but not limited to, the  
21 operation of a parking lot or retail store, shall not be used as a  
22 basis for a credit under this section. Professional sports stadium  
23 does not include a professional sports stadium that will no longer  
24 be used by a professional sports team on and after the date that an  
25 application related to that professional sports stadium is filed  
26 under this section.

27 (27) Eligible investment attributable or related to the  
28 operation of a casino, and eligible investment that is associated  
29 or affiliated with the operation of a casino, including, but not

 3 section. As used in this subsection, "casino" means a casino
