As 1 method to enforce compliance, the board may institute appropriate proceedings in the courts of this state, including proceedings for writs of mandamus and injunctions.
- (h) To subject a loan to the terms and conditions the board considers necessary to ensure compliance with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, and to ensure timely repayment of the loan, including, but not limited to, requiring the direct assignment for repayment of a loan of any state money appropriated to the municipality.

Except for loans authorized under section 3(2) or (3), upon determining those applications that satisfy the application eligibility requirements of section 4 and, for subsequent annual loans, section 8, the board may authorize an annual loan to 1 or more of those eligible applicants upon declaring that a local fiscal emergency exists in the municipality. For loans authorized under section 3(2) or (3), the board may authorize a loan upon determining that the municipality has satisfied the requirements of this act applicable to loans under section 3(2) or (3).
- (4) All actions of the board shall be approved by all members of the board. All meetings of the board shall be conducted at a public meeting held in compliance with the open meetings act, 1976 PA 267, MCL 15.261 to 15.275.

- Sec. 3. (1) Except as provided in subsection (2), the board shall not authorize loans under this act to municipalities that total an amount greater than \$5,000,000.00 in a state fiscal year.
- (2) The board may authorize loans under this act to a county within the following limitations:
- (a) In the 1998-99 state fiscal year, the board may authorize loans under this act to a county with a population greater than 1,500,000.
- (b) For a state fiscal year in which the block grant appropriated to a county with a population of more than 1,500,000 that is organized under 1966 PA 293, MCL 45.501 to 45.521, and that is a county juvenile agency is less than the amount required to be distributed to that county in that year under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, the board may authorize a loan to that county in an amount not greater than the difference between the amount of the block grant and the amount required to be distributed to that county for that fiscal year under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b. - (5) The proceeds of a loan made under subsection (2) or (3) shall be maintained in a separate account and shall not be comingled with the county's general fund or any other special fund or account.
- (6) The state treasurer or his or her designee shall monitor the expenditure of the proceeds of any loan made under subsection (2) or (3).
- (7) The proceeds of a loan made under subsection (2) or (3) are subject to the requirements of the county juvenile agency act.
- (8) Revenue for loans made under this act shall be provided from the surplus funds of this state under authorization granted under section 1 of 1855 PA 105, MCL 21.141.
- (9) As used in this section, "county juvenile agency" means that term as defined in section 2 of the county juvenile agency act.
- 141.934 Application for loan; resolution; certification of information and conditions; inspection, copying, or auditing of books and records. [M.S.A. 5.3190(54)]
- Sec. 4. (1) If the governing body of a municipality desires to request a loan, it shall provide by resolution for the submission of an application to the board for a loan made under this act. The municipality shall certify and substantiate all of the following information and conditions to be eligible for consideration for a loan authorization by the board:
 - (a) A deficit for the municipality's general fund is projected for the current fiscal year.

- (b) The municipality has applied to the department of treasury, within a period of not more than 6 months before its application for a loan under this act, for permission to issue tax anticipation notes or revenue sharing anticipation notes under the municipal finance act, 1943 PA 202, MCL 131.1 to 139.3, and the department of treasury has acted upon the application. This subdivision shall be considered to have been complied with if, pursuant to section 11 of chapter III of the municipal finance act, 1943 PA 202, MCL 131.11, the municipality, within a period of not more than 6 months before its application for a loan under this act, has filed for an exception from prior approval for the issuance of tax anticipation notes or revenue sharing anticipation notes and has been eligible to issue those notes without the prior approval of the department of treasury.
 - (c) The municipality meets 1 or more of the following conditions:
 - (i) Its income tax revenue growth rate is .90 or less.
 - (ii) Its local tax base growth rate is 75% or less of the statewide tax base growth rate.
- (*iii*) The state equalized valuation of real and personal property within the municipality at the time the loan application is made is less than the state equalized valuation of real and personal property within the municipality in the immediately preceding year.
- (d) The municipality submits a long-range plan, that has been approved by the governing body of the municipality, outlining actions to be taken to balance future expenditures with anticipated revenues.

[M.S.A. 5.3190(56)]
- Sec. 6. (1) A loan made under this act shall bear an annual rate or rates of interest, if any, as established by the board under section 2(5). The board may establish interest for a loan under this act either at a rate or rates that are fixed for the term of the loan or, if the formula is approved by the board at the time the loan is made or renegotiated as authorized in section 2, at a rate calculated upon a formula that varies the rate annually. If the interest rate for a loan under this act is a single fixed rate, the annual rate of interest for the term of a loan shall not exceed the average rate of interest earned at the time the loan is approved by the board on the investment of surplus funds, other than those surplus funds invested under this act and section 1 of 1855 PA 105, MCL 21.141.
- (2) Interest payments are due and payable annually, beginning 1 year after the loan is issued to the municipality. This subsection, sections 7 and 8, and the conditions listed in section 4(1) do not apply to a loan authorized under section 3(2) or (3).
- (3) The loan agreement between the board and a county for a loan authorized under section 3(2) or (3) shall establish the schedule for payment of the principal of and interest on the loan, the nature of the obligation of the county to repay a loan made under this act, and any security for that loan. - (4) Unless other state appropriations to a municipality are pledged or assigned in an amount sufficient for the municipality to make a required principal or interest payment, if the municipality's payment of required principal or interest is delinquent, the state treasurer shall withhold the amount of all delinquent payments that are due on a loan issued under this act from state payments to the municipality under the state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921.

The board shall not condition either eligibility for consideration for a loan or the grant of a loan under this act on repayment schedules and terms other than those required by subsections (1), (2), (3), and (4). In addition, failure of a municipality to make repayments under terms or a schedule it has instituted under this subsection does not disqualify the municipality from eligibility for consideration for loans in subsequent fiscal years.
- (6) A loan issued under this act shall be a general obligation of the municipality except that a loan issued under section 3(2) shall not be a general obligation of the municipality and shall be repaid solely from specific revenues pledged for repayment of the loan.
