Whereas, Every five minutes, a woman in the U.S. is told she has lung cancer; and

Whereas, Lung cancer is the number one cancer killer of women in the U.S. The lung cancer death rate in women has almost doubled over the past 38 years; and

House Resolution No. 89.

A resolution to urge the United States Congress to maintain funding for the Corporation for National and Community Service.

Whereas, The Corporation for National and Community Service (CNCS) is an independent federal agency, and its largest programs are AmeriCorps and Senior Corps. CNCS acts much like a foundation and is the nation's largest grantmaker, investing in locally driven service and volunteering efforts focused on several high-priority areas, including education, disaster relief, veterans, housing, and more; and

Whereas, CNCS's national service programs are designed to strengthen citizenship and the ethic of service by engaging tens of thousands of Americans on a full- and part-time basis to help communities address their toughest challenges; and

Whereas, CNCS programs made a significant impact on our nation in 2016. AmeriCorps and Senior Corps programs supported nearly 12,000 schools; offered job training to 78,000 citizens; and provided employment services, benefits counseling, transportation, and housing to more than 750,000 veterans and military family members; and

Whereas, AmeriCorps, one facet of CNCS, has successfully connected Americans of all ages and backgrounds with opportunities to give back to their communities and nation for more than 20 years. The program engages more than 80,000 Americans at 21,600 service sites each year to support a variety of important causes across the country, including nonprofits, schools, public agencies, and community and faith-based groups; and

Whereas, In Michigan alone, there are 2,113 service sites supported in some form by CNCS, with over 9,600 members providing service in communities across our state with major challenges relating to early child education and development, literacy, college readiness, nutrition programs and access to health foods, housing, community safety, and economic development; and

Whereas, The President has proposed an end to funding for CNCS, which represents a minute portion of federal spending, and while the federal government may realize small financial savings by reducing or eliminating the program, state and local governments would likely see rising costs due to increased demands for public services that have been provided by CNCS programs; and

Whereas, Defunding CNCS would negatively impact vulnerable communities and the people who gain valuable experience working in the program, while likely saving little to no public money; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States Congress to maintain funding for the Corporation for National and Community Service; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Whereas, The historical ties between the Dutch and American people go back nearly 200 years earlier to the period when the Pilgrims resided for almost 11 years in the Netherlands before sailing to the new world; and

Whereas, The diplomatic ties between the governments of the United States and the Netherlands are the longest continuous ties between the United States and any country of the world; and

Whereas, The Dutch contribution to the American melting pot has played such a significant role in the life of America as exemplified by Presidents Martin Van Buren, Theodore Roosevelt, and Franklin Delano Roosevelt; and

Whereas, The bonds of friendship linking the Dutch and American people continue to grow in strength and affection; and Whereas, The heritage of this friendship between these people serves as an admirable example for the kinds of relations that should link all the peoples of the earth and should be properly extolled; now, therefore, be it

A resolution to declare May 13, 2017, as Falun Dafa Day in the state of Michigan.

House Resolution No. 95.

A resolution to declare May 14-20, 2017, as Women in the Professional Trades Week in the state of Michigan.

Whereas, A professional trades worker refers to individuals who specialize in particular occupations that require either work experience, on-the-job training, or formal vocational education; and

Whereas, Historically, positions in the professional trades sector were traditionally held by men. However, today women are employed in the trades in higher numbers than ever before. They are carpenters, electricians, glaziers, ironworkers, laborers, operating engineers, plumbers, pipefitters, masons, surveyors, sheet metal workers, truck drivers, and others, acting together to create fair and safe conditions for women working in the professional trades; and

Whereas, Because of the demands of the labor market, women with professional trades training have a great opportunity to flourish in the industry and are a highly sought after resource. Nationally, only 3 percent of professional trade jobs are held by women, yet women hold 47 percent of all other jobs. The number of professional trade level jobs in Michigan is expected to grow by 15,000 annually through the year 2024, providing a great opportunity in our state for skilled women to pursue great careers; and

Whereas, Women working in the professional trades is not a new idea to our economy. During World War I and World War II, the labor efforts of women in America were crucial to keeping the country moving forward while our men fought on distant shores. The women in the labor market of that day were critical in closing the labor shortage, with the image of "Rosie the Riveter" becoming one of the most iconic symbols of American wartime optimism; and

Whereas, In today's professional trades industry, both men and women are equally valued to fill open positions. Women pursuing careers in the trades could deeply appreciate the encouragement from legislators as they continue to pursue opportunities in the professional trades. Now, after much progress, there are programs specifically designed to attract women into these in-demand careers; and

Whereas, The reality of today's job market makes it difficult to earn a living wage without a college degree. However, individuals who choose to enter into a professional trades apprentice program can start out earning \$40,000 or more yearly without a college degree depending on which career path they choose to pursue, and up to a six-figure income for experienced tradeswomen. Women can also stand to make more money in professional trade arena as opposed to traditionally women dominated fields. This opportunity, along with the chance to graduate from a professional trades program without educational debt and valuable work experience, is an attractive option for future employees or business owners; and

Whereas, Nationally women now represent 8.9% of the construction workforce in the United States and businesses are recognizing and valuing the contributions women make to this industry. In the last 30 years, the number of women in the construction industry has grown by more than 80%. Therefore, more women are recognizing the professional trades as a viable career option, where they can build a thriving high paying career, with low and affordable educational expenses and a path to future success, while providing economic security for their household; now, therefore, be it

House Resolution No. 98.

A resolution to commemorate the bicentennial of the founding of the University of Michigan.

Whereas, It is with great respect that the members of this legislative body are proud to join with the citizens of Michigan in remembering August 26, 1817, as the historic occasion when the governor of the Michigan Territory, Lewis Cass, and the Territory's several judges enacted a bill to establish a University of Michigania, also called a Catholepistemiad in Detroit; and

Whereas, The University of Michigania was founded in 1817 as an intellectual concept conceived out of a friendship between President Thomas Jefferson and the man he appointed as the first judge of the Michigan Territory, Augustus Woodward: and

Whereas, The University of Michigan has more than 572,000 living alumni, including artists, astronauts, business and government leaders, entrepreneurs, humanitarians, and Nobel Laureates in economics, medicine, and science; and

Whereas, Michigan's alumni body is the largest in the world. Graduates have made an impact in all arenas, from public service (Gerald R. Ford, Raoul Wallenberg, Mary Frances Berry) and technology (John Seely Brown, Clarence "Kelly" Johnson, Arthur W. Burks, Tony Fadell) to the arts (James Earl Jones, Leslie Bassett, Gilda Radner, Darren Criss), sciences (John Clark Sheehan, Antonia Novello, Samuel C.C. Ting, Alexa Canady) and sports (Janet Guthrie, DeHart Hubbard, Tom Brady). Branch Rickey helped integrate major league baseball and William Mayo co-founded the Mayo Clinic. Perhaps the most unique alumni achievement was the all-Michigan crew of Apollo 15 in 1971, when astronauts left a marker establishing the first and only college alumni chapter on the moon; and

Whereas, U-M's first president, Henry Philip Tappan grounded the University's teaching and research in rigorous science and a cutting-edge observatory – a bold commitment that shaped all of American education, particularly graduate education. Tappan's vision led to Michigan transforming research with many pioneering moments in American higher education, including being the first university with a chemical laboratory (1856); first to own and operate its own hospital (1869); first public university with dental (1875) and pharmacy (1876) schools; first to teach aeronautical engineering (1914); and first with a program in human genetics (1940); and

Whereas, "The Victors," the University's fight song, was written in 1898 by student Louis Elbel after a rousing U-M football win. Considered by many to be the definitive fight song, "The Victors" was crowned "the best college march ever written" by legendary composer and director John Philip Sousa. The song connects fans with an intercollegiate athletics program that features the nation's largest football stadium, the winningest football program, the noted winged helmet, hundreds of Olympians and All-Americans, and 56 national championships; and

Whereas, Michigan's contributions to medicine and public health have saved lives and enriched communities. Alumna Alice Hamilton, the first woman appointed to the faculty of Harvard University, pioneered the study of occupational health and is credited with improving workplace safety. Dr. Aldred Warthin was one of the first medical scientists to make a persuasive case that cancer was heritable in humans. Dr. James Neel unlocked the genetic cause of sickle-cell anemia, and geneticist Francis Collins discovered the genes for cystic fibrosis and neurofibromatosis ("Elephant Man's disease"). Surgeon William Bartlett developed the extracorporeal membrane oxygenation technology known as ECMO that continues to save thousands of lives; and

Whereas, Education has always been a priority in Michigan and many of the state's public and private colleges were founded early in its history. Michigan's constitution was ahead of its time in the establishment of educational institutions, which were publicly funded by penal fines and fees paid for exemption from military duty; and

Whereas, The University of Michigan provides a world-class education to a diverse student body of more than 63,000 on its Ann Arbor, Dearborn, and Flint campuses; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the bicentennial of the founding of the University of Michigan; and be it further

Resolved, That we commemorate the strong 200-year relationship between the University of Michigan and the citizens of the state of Michigan and pledge to continue to support the University of Michigan and its many contributions to Michigan and the world.

A resolution to condemn hate crimes and any other form of bias, discrimination, or other action targeting people based on race, religion, ethnicity, or sexual orientation, and to urge the United States Congress to condemn and take action to investigate and prosecute acts of discrimination and violence.

Whereas, American Muslims and other religious, racial, and ethnic groups have been an integral part of this nation since it was founded. These populations serve their communities and country in countless ways and are contributing members of society who care deeply about our country and are concerned about the rise in hateful rhetoric by some political leaders and media outlets; and

Whereas, Religious, racial, and ethnic minorities and members of the LGBTQ community are the target of hate crimes and threats based only on their minority or sexual orientation status. In 2015, among single-bias incidents in the United States, 59.2 percent of victims were targeted due to racial, ethnic, or ancestry bias, and among those victims, 52.2 percent were victims of crimes motivated by their offenders' anti-Black or anti-African American bias, according to the Federal Bureau of Investigation (FBI). Between November 23 and December 2, 2016, 15 Islamic centers and mosques received identical

letters that described Muslims as "children of Satan" and a "vile and filthy people." More than 100 bomb threats against Jewish community centers, Jewish day schools, and other Jewish organizations and institutions in more than 38 states have been reported in 2017; and

Whereas, American Muslims have recently experienced alarming acts of violence, intimidation, and discrimination. In North Carolina, newlyweds Deah Barakat and Yusor Abu-Salah, and her sister Razan Abu Salah, were shot and killed in their living rooms. Muslims have also been fatally stabbed on their way home, like 60-year old Nazma Khanam in Queens, New York; and

Whereas, Hate crimes targeting religious, racial, and ethnic minorities and LGBTQ communities have dramatically increased across the United States. According to the FBI, in 2016, anti-Muslim hate crimes surged 67% from the previous year, reaching a level of violence not seen since the aftermath of the September 11, 2001, attacks. The troubling trend of anti-Muslim incidents and attacks have been matched by sharp increases in hate crimes against immigrants, African Americans, and Jewish people and against individuals because of their sexual orientation; and

Whereas, From burning of mosques to bomb threats at Jewish community centers and schools to anti-African American acts of bias, these destructive acts cross all lines without regard to the young or the old. These acts of hatred and violence cannot be tolerated; now, therefore, be it

Resolved by the House of Representatives, That we condemn hate crimes and any other form of bias, discrimination, or other action targeting people based on race, religion, ethnicity, or sexual orientation; and be it further

Resolved, That we call on federal law enforcement officials working with state and local officials to expeditiously investigate all credible reports of hate crimes, incidents, and threats against minorities and LGBTQ communities in the United States; and be it further

Resolved, That we call on the Department of Justice and the FBI to fully investigate the increase in hate crimes across the United States, hold perpetrators accountable, and bring them to justice; and be it further

Resolved, That we support the development of an interagency taskforce, led by the United States Attorney General, that brings together the Departments of Justice, Homeland Security, Education, and State, and the Office of the Director of National Intelligence, to detect and deter hate crimes in order to protect minority and LGBTQ communities; and be it further

Resolved, That we encourage the Trump administration to offer victim assistance, grant opportunities, and other forms of federal assistance that may be available to enhance security measures and improve preparedness for religious institutions, places of worship, and other institutions that have been targeted across the United States; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Attorney General of the United States, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Law and Justice.

Reps. Chirkun, Hertel, Dianda, Gay-Dagnogo, Yanez, Sowerby, Greimel, Cochran, Faris, Chang, Sneller, Lasinski, LaGrand, Lucido, Marino, Pagan, Runestad, Wittenberg, Byrd, Kosowski, Zemke, Clemente, Crawford, Elder, Ellison, Geiss, Greig, Howrylak, Hughes, Jones, Kelly, Kesto, Liberati, Love, Rabhi, Rendon, Sabo, Schor, Singh and Yaroch offered the following resolution:

House Resolution No. 100.

A resolution to declare May 2017 as Foster Care Awareness Month in the state of Michigan.

Whereas, There is nothing more precious to Michigan than the healthy growth and development of the young people who will determine the future direction of our state; and

Whereas, The family, serving as the primary source of love, identity, self-esteem, and support, is the very foundation of our communities and our state; and

Whereas, In Michigan, there are more than 13,000 children and youth in the foster care system who are being provided a safe, secure, and stable home environment along with the compassion and nurturing of a foster or relative foster family; and

Whereas, Foster families open their homes and hearts to children whose families are in crisis and thus they play a vital role in helping children and families heal, reconnect, and launch children into successful adulthood; and

Whereas, Dedicated foster families frequently adopt foster children resulting in a continual need for more foster families; and

Whereas, Foster Care Awareness Month in the state of Michigan is an appropriate opportunity to thank the families who embrace the often thankless responsibility of providing a home and family to children in need of affection, love, and security, and to support the efforts of those who dedicate their time to children in and leaving foster care; and

Whereas, The state of Michigan must do more to improve the lives of children in foster care; now, therefore, be it Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Foster Care Awareness Month in the state of Michigan. We encourage more citizens to volunteer their time to become a mentor to a child that is in foster care and realize that the state of Michigan must do more to improve the lives of children in foster care.

The question being on the adoption of the resolution,

Rep. Chirkun moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 100.

A resolution to declare May 2017 as Foster Care Awareness Month in the state of Michigan.

Whereas, There is nothing more precious to Michigan than the healthy growth and development of the young people who will determine the future direction of our state; and

Whereas, The family, serving as the primary source of love, identity, self-esteem, and support, is the very foundation of our communities and our state; and

Whereas, In Michigan, there are nearly 13,000 children and youth in the foster care system who are being provided a safe, secure, and stable home environment along with the compassion and nurturing of a foster or relative foster family; and

Whereas, Foster families open their homes and hearts to children whose families are in crisis and thus they play a vital role in helping children and families heal, reconnect, and launch children into successful adulthood; and

Whereas, Dedicated foster families frequently adopt foster children resulting in a continual need for more foster families; and

Whereas, Foster Care Awareness Month in the state of Michigan is an appropriate opportunity to thank the families who embrace the often thankless responsibility of providing a home and family to children in need of affection, love, and security, and to support the efforts of those who dedicate their time to children in and leaving foster care; and

Whereas, The state of Michigan must do more to improve the lives of children in foster care; now, therefore, be it Resolved by the House of Representatives, That the members of this legislative body declare May 2017 as Foster Care Awareness Month in the state of Michigan. We encourage more citizens to volunteer their time to become a mentor to a

child that is in foster care and realize that the state of Michigan must do more to improve the lives of children in foster care. The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Wittenberg, Moss, Schor, Gay-Dagnogo, Yanez, Chirkun, Cochran, Crawford, Elder, Ellison, Faris, Frederick, Geiss, Greig, Howrylak, Hughes, Jones, Kelly, Kesto, Lasinski, Liberati, Love, Marino, Pagan, Rabhi, Sabo, Singh, Sneller, Sowerby and Zemke offered the following resolution:

House Resolution No. 101.

A resolution to declare May 2017 as Jewish American Heritage Month in the state of Michigan.

Whereas, From our nation's earliest days, Jewish Americans have been a critical part of our story. In the face of unspeakable discrimination and adversity, they have fought tirelessly to realize their piece of the American dream and the promise of our founding, holding tight to the belief that a better day lies ahead. Their relentless spirit and remarkable achievements have enriched our country, stirred our conscience, and challenged us to extend the miracles of freedom and security. This month, we honor the vast contributions Jewish Americans have made to our world and recommit to standing up for the traditions we believe in and the values we share; and

Whereas, As we celebrate the rich heritage of the Jewish American community, it is impossible to separate their accomplishments from the struggles of Jewish people around the world. American Jews have worked to strengthen the promise of religious freedom because their ancestors were tested from the moment they came together and professed their faith. Today, they continue to teach us empathy and compassion. Inspired by the lessons of their parents and grandparents who knew how it felt to be a stranger, and to stand up for a more perfect union for all, relentlessly pursuing tikkun olam, they have always understood that we must recognize ourselves in the struggles of our fellow man; and

Whereas, For centuries, Jews have reached for the blessings of freedom and opportunity in the United States. Today, as pillars of their families and leaders in their communities, Jewish Americans represent a link in an unbroken chain of perseverance. During Jewish American Heritage Month, we celebrate the hard-fought progress won through struggle and sacrifice and rededicate ourselves to building a world where diversity is cherished and faith is protected; and

Whereas, Michigan residents are encouraged to visit the Jewish Heritage Month website to learn more about the heritage and contributions of Jewish Americans and to observe this month with appropriate programs, activities, and ceremonies; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017, as Jewish American Heritage Month in the state of Michigan; and be it further

Resolved, In celebrating the contributions of the Jewish people to the progress of our country, we also reaffirm America's unwavering commitment to the security of Israel and the close bonds between our two nations and our peoples.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Singh, Calley, Pagel, Love, Marino, Faris, Brinks, Chirkun, Cochran, Elder, Ellison, Geiss, Greig, Hammoud, Jones, Lasinski, Maturen, Pagan, Sabo, Schor, Sowerby, Wittenberg, Yanez and Zemke offered the following concurrent resolution:

House Concurrent Resolution No. 7.

A concurrent resolution to urge the United States Congress to maintain funding for the Corporation for National and Community Service.

Whereas, The Corporation for National and Community Service (CNCS) is an independent federal agency, and its largest programs are AmeriCorps and Senior Corps. CNCS acts much like a foundation and is the nation's largest grantmaker, investing in locally driven service and volunteering efforts focused on several high-priority areas, including education, disaster relief, veterans, housing, and more; and

Whereas, CNCS's national service programs are designed to strengthen citizenship and the ethic of service by engaging tens of thousands of Americans on a full- and part-time basis to help communities address their toughest challenges; and

Whereas, CNCS programs made a significant impact on our nation in 2016. AmeriCorps and Senior Corps programs supported nearly 12,000 schools; offered job training to 78,000 citizens; and provided employment services, benefits counseling, transportation, and housing to more than 750,000 veterans and military family members; and

Whereas, AmeriCorps, one facet of CNCS, has successfully connected Americans of all ages and backgrounds with opportunities to give back to their communities and nation for more than 20 years. The program engages more than 80,000 Americans at 21,600 service sites each year to support a variety of important causes across the country, including nonprofits, schools, public agencies, and community and faith-based groups; and

Whereas, In Michigan alone, there are 2,113 service sites supported in some form by CNCS, with over 9,600 members providing service in communities across our state with major challenges relating to early child education and development, literacy, college readiness, nutrition programs and access to health foods, housing, community safety, and economic development; and

Whereas, The President has proposed an end to funding for CNCS, which represents a minute portion of federal spending, and while the federal government may realize small financial savings by reducing or eliminating the program, state and local governments would likely see rising costs due to increased demands for public services that have been provided by CNCS programs; and

Whereas, Defunding CNCS would negatively impact vulnerable communities and the people who gain valuable experience working in the program, while likely saving little to no public money; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the United States Congress to maintain funding for the Corporation for National and Community Service; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Families, Children, and Seniors.

Rep. Theis moved that House Committees be given leave to meet during the balance of today's session. The motion prevailed.
