

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.43520 Hunting license; issuance to minor child; requirements; duties of issuing agent; proof of previous hunting experience or certification of completion of training in hunter safety; affidavit; information to be recorded; apprentice license; mentored youth hunting license; fee; report.

Sec. 43520. (1) Subject to other requirements of this part, the department may issue a hunting license to a minor child if all of the following requirements are met:

(a) A parent or legal guardian of the minor child applies for the license on behalf of the minor child.

(b) The parent or guardian represents that the requirements of section 43517, as applicable, will be complied with.

(c) The license fee is paid.

(2) A person authorized to sell hunting licenses shall not issue a hunting license to an individual born after January 1, 1960, unless the individual presents proof of previous hunting experience in the form of a hunting license issued by this state, another state, a province of Canada, or another country or presents a certification of completion of training in hunter safety issued to the individual by this state, another state, a province of Canada, or another country. If an applicant for a hunting license does not have proof of such a previous license or a certification of completion of training in hunter safety, a person authorized to sell hunting licenses may issue a hunting license if the applicant submits a signed affidavit stating that the applicant has completed a course in hunter safety or that the applicant possessed such a hunting license previously. The person selling a hunting license shall record as specified by the department the form of proof of the previous hunting experience or certification of completion of hunter safety training presented by the applicant. This subsection does not apply to the issuance of an apprentice license. An apprentice license or the equivalent does not satisfy the requirements of this subsection concerning proof of previous hunting experience.

(3) An individual who does not meet the requirements of subsection (2) may obtain an apprentice license for the same price as the corresponding regular license that the individual would otherwise be qualified to obtain. An individual 17 years old or older shall not hunt game under an apprentice license unless another individual at least 21 years old who possesses a license, other than an apprentice license, to hunt that game accompanies that apprentice licensee and does not accompany more than 1 other apprentice licensee. For the purposes of this subsection and section 43517(1)(b), an individual shall not go along with more than 2 apprentice licensees of any age for the purpose of accompanying those apprentice licensees while those apprentice licensees are hunting. If an individual has represented to an apprentice licensee or, if the apprentice licensee is a minor child, to the apprentice licensee's parent or legal guardian that the individual would accompany the apprentice licensee for the purposes of this subsection, the individual shall not go along with the apprentice licensee while the apprentice licensee is hunting unless the individual actually accompanies the apprentice licensee and possesses a license, other than an apprentice license, to hunt the same game as the apprentice licensee. An individual is not eligible to obtain a specific type of apprentice license, such as a firearm deer license, an archery deer license, a combination deer license, a small game license, or a turkey license, for more than 2 license years. An apprentice license shall be distinguished from a license other than an apprentice license by a notation or other means.

(4) Beginning March 1, 2014, an individual who does not meet the requirements of subsection (2) may obtain an apprentice license for the same price as the corresponding regular license that the individual would otherwise be qualified to obtain. An individual 17 years old or older shall not hunt game under an apprentice license unless another individual at least 21 years old who possesses a license, other than an apprentice license, to hunt that game accompanies that apprentice licensee and does not accompany more than 1 other apprentice licensee. For the purposes of this subsection and section 43517(1)(b), an individual shall not go along with more than 2 apprentice licensees of any age for the purpose of accompanying those apprentice licensees while those apprentice licensees are hunting. If an individual has represented to an apprentice licensee or, if the apprentice licensee is a minor child, to the apprentice licensee's parent or legal guardian that the individual would accompany the apprentice licensee for the purposes of this subsection, the individual shall not go along with the apprentice licensee while the apprentice licensee is hunting unless the individual actually accompanies the apprentice licensee and possesses a license, other than an apprentice license, to hunt the same game as the apprentice licensee. An individual is not eligible to obtain a specific type of apprentice license, such as a deer license, a base license, or a turkey license, for more than 2 license years. An apprentice license shall be distinguished from a license other than an apprentice license by a notation or other means.

(5) Only a minor who is less than 10 years old may obtain a mentored youth hunting license. A minor who is less than 10 years old shall not hunt game under a mentored youth hunting license unless that minor

complies with all requirements of the mentored youth hunting program established by the commission under section 43517. The fee for a mentored youth hunting license is \$7.50 and shall include all of the privileges conferred by all of the following:

- (a) Resident small game license.
- (b) Combination deer license.
- (c) All species fishing license.
- (d) Spring turkey hunting license and fall turkey hunting license.
- (e) Resident fur harvester's license.

(6) Beginning March 1, 2014, the fee for a mentored youth hunting license is \$7.50 and shall include all of the privileges conferred by all of the following:

- (a) Base license.
- (b) Deer license.
- (c) All-species fishing license.
- (d) Spring wild turkey hunting license and fall wild turkey hunting license.
- (e) Fur harvester's license.

(7) By September 1, 2015 and every 4 years after that date, the department shall submit a report to the standing committees of the senate and house of representatives with primary responsibility for conservation and outdoor recreation issues evaluating whether the fee revenue received by the department from mentored youth hunting licenses under subsection (6) is adequate to administer the mentored youth hunting program.
