24 limitation underwriting fees, counsel fees, fees of the attorney
25 general, and fees and expenses of consultants, advisors,

17 (i) "Outstanding" means with respect to bonds, all bonds
18 except those that have been paid in full at maturity or that are
19 not outstanding under the terms of the applicable authority
20 resolution, trust indenture, or trust agreement authorizing the

2 or his or her designee, if the designee is authorized to exercise
3 delegated signatory power for purposes of this act in a written
4 instrument signed by the state treasurer and maintained in a

6 Sec. 3. (1) The authority's exercise of the powers under this
7 act is in addition to any other powers conferred on the authority
8 by law, including, but not limited to, Executive Reorganization
9 Order No. 2010-2, MCL 12.194, and the statutory authority referred
10 to in that reorganization order. The authority's exercise of the
11 powers under this act is an essential governmental function of this
12 state.

13 (2) The authority may issue bonds in the principal amount or
14 amounts and with maturities as the authority determines necessary
15 to provide sufficient funds to achieve its authorized purposes
16 under this act, including, without limitation, all of the
17 following:

18 (a) Reducing or avoiding the need for the state to borrow or
19 obtain a federal advance to this state's unemployment trust account
20 within the federal unemployment trust fund.

21 (b) Repaying principal and interest on unpaid advances to this
22 state's unemployment trust account within the federal unemployment
23 trust fund.

24 (c) Funding a surplus in this state's unemployment trust
25 account within the federal unemployment trust fund.

26 (d) Paying unemployment benefits.

27 (e) Paying or providing for financing costs.

1 (f) Providing sufficient reserves as necessary under an
2 indenture or under federal unemployment insurance laws, rules,
3 regulations, or guidance as are necessary to minimize the impact on
4 unemployment insurance tax rates.

5 Sec. 4. (1) The board of the authority shall authorize a bond
6 issue by resolution. The authority may issue bonds, including
7 refunding bonds, without obtaining the consent of any department,
8 division, commission, board, bureau, or agency of this state and
9 without any proceedings or conditions other than those specifically
10 required by this act. Every bond issue is a special revenue
11 obligation payable from and secured by a pledge of revenues or
12 funds available for that purpose under the Michigan employment
13 security act, 1936 (Ex Sess) PA 1, MCL 421.1 to 421.75, and other
14 assets, including without limitation the proceeds of the bonds
15 deposited in a reserve fund for the benefit of the owners of the
16 bonds, earnings on funds from bonds issued under this act, and
17 other available funds. The bonds are payable upon the terms and
18 conditions specified by the authority in the resolution under which
19 the authority issues the bonds or in a related trust agreement or
20 trust indenture.

21 (2) The authority may issue bonds to refund any bonds by
22 issuing new bonds if it considers the refunding expedient, whether
23 or not the bonds to be refunded have matured, and may issue bonds
24 partly to refund bonds then outstanding and partly for
25 restructuring or any of the authority's other authorized purposes.

26 Sec. 5. For each bond issue, the authority shall determine or
27 prescribe the method of determining all of the following:

1 (a) The date of issue.

2 (b) Whether the bonds shall bear no interest, appreciate as to
3 principal amount, bear interest at fixed or variable rates, or any
4 combination of these.

5 (c) Whether the bonds are payable at or before maturity.

6 (d) When the bonds shall mature.

7 (e) Whether the authority may redeem the bonds prior to
8 maturity, at what price, and under what conditions.

9 (f) The method of payment of principal of and interest on the
10 bonds.

11 (g) The form, denomination, and place of payment of principal
12 of and interest on the bonds.

13 (h) If any officer whose signature, or the facsimile of whose
14 signature, appears on any bond shall cease to be that officer
15 before the delivery of the bond, that signature or facsimile shall
16 nevertheless be valid and sufficient for all purposes as if he or
17 she had remained in office until delivery of the bond.

18 (i) Any other term or condition necessary to issue the bonds.

19 Sec. 6. The authority may sell the bonds in the manner
20 determined by the authority board at public or private sale and on
21 either a competitive or negotiated basis. Proceeds of the bonds
22 shall be applied as determined by, or pursuant to, a resolution of
23 the authority and permitted under this act.

24 Sec. 7. In the discretion of the authority, any bond and any
25 ancillary facility may be secured by a trust agreement or trust
26 indenture by and between the authority and a trustee, which may be
27 any trust company or bank having the powers of a trust company,

1 whether located within or without this state. A trust agreement or
2 trust indenture authorized under this subsection, or an authority
3 resolution providing for the bond issue, may provide for creating
4 and maintaining reserves as the authority determines proper and may
5 include covenants setting forth the duties of the authority in
6 relation to the bonds, the ancillary facilities, the income to the
7 authority, and encumbered revenues. A trust agreement or trust
8 indenture authorized under this subsection or an authority
9 resolution under this act may contain provisions respecting the
10 custody, safeguarding, and application of all money and bonds and
11 may contain provisions for protecting and enforcing the rights and
12 remedies of the owners of the bonds and parties to ancillary
13 facilities as are reasonable and proper and not in violation of
14 law. Any bank or trust company that acts as depository of the
15 proceeds of bonds or of any other funds or obligations received on
16 behalf of the authority may furnish indemnifying bonds or pledge
17 obligations as the authority requires. Any trust agreement or trust
18 indenture authorized under this subsection or an authority
19 resolution may contain other provisions that the authority
20 considers reasonable and proper for priorities and subordination
21 among the owners of bonds and parties to ancillary facilities.

22 Sec. 8. (1) The authority may enter into, amend, or terminate,
23 as it determines necessary or appropriate, any ancillary facility
24 for any of the following purposes:

25 (a) To facilitate the issue, sale, resale, purchase,
26 repurchase, or payment of bonds, or the making or performance of
27 swap contracts, including without limitation bond insurance,

1 letters of credit, and liquidity facilities.

2 (b) To attempt to hedge risk or achieve a desirable effective
3 interest rate or cash flow.

4 (2) The authority may enter into, amend, or terminate any
5 ancillary facility as it determines necessary or appropriate to
6 place the obligations or investments of the authority, as
7 represented by the bonds or the investment of bond proceeds, in
8 whole or in part, on the interest rate, cash flow, or other basis
9 desired by the authority. The ancillary facility may include
10 without limitation contracts commonly known as interest rate swap
11 agreements and futures or contracts providing for payments based on
12 levels of, or changes in, interest rates. The authority may enter
13 into these contracts or arrangements in connection with, or
14 incidental to, entering into, or maintaining any agreement that
15 secures bonds of the authority or any investment of reserves, or
16 contract providing for investments of reserves, or similar
17 ancillary facility guaranteeing an investment rate for a period of
18 years.

19 (3) The authority's determination that an ancillary facility,
20 or the amendment or termination of an ancillary facility, is
21 necessary or appropriate is conclusive. The authority may determine
22 the terms and conditions of an ancillary facility, including
23 without limitation provisions as to security, default, termination,
24 payments, remedy, and consent to service of process.

25 Sec. 9. A recital in a bond or ancillary facility stating that
26 it is issued pursuant to this act is conclusive evidence of the
27 validity of the bond or ancillary facility and the regularity of

1 the proceedings relating to the bond or ancillary facility.

2 Sec. 10. (1) A member of the board or an officer, appointee,
3 or employee of the authority is not subject to personal liability
4 when acting in good faith within the scope of his or her authority
5 under this act or on account of liability of the authority under
6 this act. The board may defend and indemnify a member of the board
7 or an officer, appointee, or employee of the authority against
8 liability arising out of the discharge of his or her official
9 duties under this act. The authority may indemnify and procure
10 insurance indemnifying members of the board and other officers and
11 employees of the authority from personal loss or accountability for
12 liability asserted by a person with regard to bonds or other
13 obligations of the authority, or from any personal liability or
14 accountability for the bond issue or other obligations or by reason
15 of any other action taken or the failure to act by the authority
16 under this act. The authority may purchase and maintain insurance
17 on behalf of any person against the liability asserted against the
18 person and incurred by the person in any capacity or arising out of
19 the status of the person as a member of the board or an officer or
20 employee of the authority, whether or not the authority would have
21 the power to indemnify the person against that liability under this
22 subsection.

23 (2) A member, officer, employee, or agent of the authority
24 shall not have an interest, either directly or indirectly, in any
25 business organization engaged in any business, contract, or
26 transaction with the authority or in any contract of any other
27 person engaged in any business with the authority, or in the

1 purchase, sale, lease, or transfer of any property to or from the
2 authority.

3 Sec. 11. (1) A bond issued under this act is not subject to
4 the revised municipal finance act, 2001 PA 34, MCL 141.2101 to
5 141.2821.

6 (2) A bond issued under this act is subject to the agency
7 financing reporting act, 2002 PA 470, MCL 129.171 to 129.177.

8 Sec. 12. In the authority's resolution authorizing bonds or in
9 the provisions of a trust agreement or trust indenture that the
10 authority authorizes, the authority may delegate for a time period
11 at the authority's discretion to an officer, employee, or
12 designated agent of the authority the power to issue, sell, and
13 deliver bonds within limits on those bonds established by the
14 authority, as to any of the following:

15 (a) Form.

16 (b) Maximum interest rate or rates.

17 (c) Maturity date or dates.

18 (d) Purchase price.

19 (e) Denominations.

20 (f) Redemption dates and premiums, if any.

21 (g) Nature of the security.

22 (h) Selection of an applicable interest rate index.

23 (i) Other terms and conditions with respect to the bond issue
24 that the authority prescribes.

25 Sec. 13. (1) The authority shall exercise its duties under
26 this act independently of the state treasurer. However, the
27 authority shall perform its staffing, budgeting, procurement, and

1 related administrative functions under the direction and
2 supervision of the state treasurer as provided in Executive
3 Reorganization Order No. 2010-2, MCL 12.194.

4 (2) The authority shall exercise its duties under this act
5 through its board of directors as provided in Executive
6 Reorganization Order No. 2010-2, MCL 12.194.

7 Sec. 14. In addition to any other powers conferred upon the
8 authority by law, when exercising its powers under this act the
9 authority shall have all of the following powers:

10 (a) To solicit and accept gifts, grants, and loans from any
11 person.

12 (b) To invest any money of the authority at the authority's
13 discretion, in any obligations determined proper by the authority,
14 and name and use depositories for its money.

15 (c) To procure insurance against any loss in connection with
16 the property, assets, or activities of the authority.

17 (d) To sue and be sued, to have a seal, and to make, execute,
18 and deliver contracts, conveyances, and other instruments necessary
19 to the exercise of the authority's powers.

20 (e) To make and amend bylaws.

21 (f) To employ and contract with individuals necessary for the
22 operation of the authority.

23 (g) To make and execute contracts including without
24 limitation, trust agreements, trust indentures, bond purchase
25 agreements, tax regulatory agreements, continuing disclosure
26 agreements, ancillary facilities, and all other instruments
27 necessary or convenient for the exercise of its powers and

1 functions, and to commence any action to protect or enforce any
2 right conferred upon it by any law, contract, or other agreement.

3 (h) To engage the services of financial advisors and experts,
4 legal counsel, placement agents, underwriters, appraisers, and
5 other advisors, consultants, and fiduciaries, as is necessary to
6 effectuate the purposes of this act.

7 (i) To pay its operating expenses and financing costs.

8 (j) To pledge revenues or other assets as security for the
9 payment of the principal of and interest on any bonds and for its
10 obligations under any ancillary facility.

11 (k) To procure insurance, letters of credit, or other credit
12 enhancement with respect to any bonds for the payment of tenders of
13 bonds, or for the payment upon maturity of short-term bonds.

14 (l) To enter into any ancillary facility with any person under
15 the terms and conditions at the authority's discretion and to
16 provide insurance, letters of credit, or other credit enhancement
17 with respect to any ancillary facility.

18 (m) To modify, amend, replace an existing, or enter into a
19 new, ancillary facility.

20 (n) To tender for, redeem, or defease bonds.

21 (o) To do any and all things necessary or convenient to carry
22 out its purposes and exercise the powers expressly given and
23 granted in this act.

24 Sec. 15. A bond or ancillary facility issued under this act is
25 not a debt or liability of this state or any agency or
26 instrumentality of this state, other than the authority as set
27 forth in this act, either legal, moral, or otherwise. It does not

1 create or constitute any indebtedness, liability, or obligation of
2 this state or constitute a pledge of the faith and credit of this
3 state. Nothing in this act shall be construed to authorize the
4 authority to incur any indebtedness or liability on behalf of this
5 state. Each bond or ancillary facility shall contain on its face or
6 other prominent place on the bond or ancillary facility in bold
7 typeface a statement to that effect.

8 Sec. 16. (1) The property of the authority and its income and
9 operations under this act are exempt from taxation by this state
10 and any political subdivision of this state.

11 (2) If the authority intends the interest on bonds it issues
12 to be exempt from federal income tax, the authority shall prescribe
13 restrictions on the use of the proceeds of those bonds and related
14 matters as necessary to assure the exemption. The recipients of
15 proceeds of those bonds are bound to the extent the restrictions
16 are made to apply to them. The authority and the director may
17 severally execute agreements as to bonds the authority issues,
18 including without limitation intergovernmental agreements or other
19 agreements providing for collecting and remitting funds.

20 Sec. 17. (1) This state hereby pledges and agrees with the
21 authority, and the owners of the bonds and parties to ancillary
22 facilities, that until all bonds and ancillary facilities, together
23 with the interest on the bonds and ancillary facilities and all
24 costs and expenses in connection with any action or proceedings by
25 or on behalf of owners of bonds or parties to ancillary facilities,
26 are fully paid and discharged, that this state will not do any of
27 the following:

1 (a) Limit or alter the rights of the authority to fulfill the
2 terms of its agreements with owners of the bonds or parties to
3 ancillary facilities.

4 (b) Impair in any way the rights and remedies of owners of the
5 bonds or benefited parties or the security for the bonds or
6 ancillary facilities.

7 (c) Take any action that would result in an amount below that
8 required by any contract with the owners of the bonds or parties to
9 ancillary facilities when applying the then applicable contribution
10 rates to the then applicable wage base.

11 (d) Reduce the obligation assessments imposed under section
12 26a of the Michigan employment security act, 1936 (Ex Sess) PA 1,
13 MCL 421.26a, to a level below that required by any outstanding bond
14 or ancillary facility.

15 (2) The authority is authorized and directed to include the
16 pledge and agreement made under this section in any contract with
17 the owners of the bonds and parties to ancillary facilities.

18 Sec. 18. Notwithstanding any restriction contained in any
19 other law, rule, regulation, or order to the contrary, this state
20 and all political subdivisions of this state; their officers,
21 boards, commissioners, departments or other agencies; governmental
22 pension funds; all banks, trust companies, savings banks and
23 institutions, building and loan associations, savings and loan
24 associations, investment companies and other persons carrying on a
25 banking or investment business; and all executors, administrators,
26 guardians, trustees, and other fiduciaries; and all other persons
27 whatsoever who now are or may hereafter be authorized to invest in

1 bonds or other obligations of the state, may properly and legally
2 invest any sinking funds, money, or other funds, including capital,
3 belonging to them or within their control, in any bond. Bonds that
4 the authority issues under this act are hereby made bonds that may
5 properly and legally be deposited with, and received by, any state
6 municipal officer or agency of this state, for any purpose for
7 which the deposit of bonds or other obligations of this state is
8 now, or may be, authorized by law.

9 Sec. 19. This act and all powers granted in it shall be
10 liberally construed to effectuate its intent and purposes, without
11 implied limitations on the powers of the authority or the state
12 treasurer. This act is full, complete, and additional authority for
13 all things that are contemplated in this act to be done. All rights
14 and powers granted in this act are cumulative with those derived
15 from other sources and shall not be construed to limit those rights
16 and powers except as expressly stated in this act. Insofar as the
17 provisions of this act are inconsistent with the provisions of any
18 other act, general or special, the provisions of this act control.

19 Sec. 20. Subject to any agreements with bondholders, the
20 authority may use any funds available to purchase bonds of the
21 authority at a price determined by the authority.

22 Sec. 21. (1) Notwithstanding any existing provision of law and
23 in addition to any other appropriations provided by law,
24 \$1,000,000.00 is appropriated from the general fund to the
25 authority for the fiscal year ending September 30, 2012 for all of
26 the following purposes:

27 (a) Payment of operating expenses of the authority.

1 (b) Funding any reserve requirements.

2 (2) Money appropriated under this section that is not expended
3 before the end of the state fiscal year ending September 30, 2012
4 shall not revert to the general fund, and the authority may retain
5 and use it for the purposes authorized by subsection (1).

6 Sec. 22. Except as otherwise provided in this section, any
7 legal action against the authority shall be brought in the Michigan
8 court of appeals, which has exclusive jurisdiction. However, any
9 legal actions against the authority seeking money damages shall be
10 brought in the court of claims for this state, which has exclusive
11 original jurisdiction with respect to actions against the authority
12 seeking money damages.

13 Sec. 23. (1) This act governs the creation, perfection,
14 priority, and enforcement of any pledge of revenues or other
15 security made by the authority under this act. Each pledge of the
16 authority is valid and binding as of the time the pledge is made.
17 The encumbered revenues, reserves or earnings pledged, or earnings
18 on the investment of the encumbered revenues, reserves, or earnings
19 pledged are immediately subject to the lien created under the
20 pledge without any physical delivery or further act. The lien is
21 valid and binding against all parties having claims of any kind in
22 tort, contract, or otherwise against the authority, whether or not
23 the parties have notice of the lien or pledge or whether the pledge
24 or lien has been recorded. The resolution or other instrument by
25 which a pledge is created is not required to be recorded.

26 (2) This act also governs the negotiability of bonds issued
27 under this act. Any bonds issued under this act are fully

1 negotiable within the meaning and for all purposes of the uniform
2 commercial code, 1962 PA 174, MCL 440.1101 to 440.11102. By
3 accepting the bond or obligation, each owner of a bond or other
4 obligation of the authority shall be conclusively considered to
5 have agreed that the bond is and shall be fully negotiable within
6 the meaning and for all purposes of the uniform commercial code,
7 1962 PA 174, MCL 440.1101 to 440.11102.

8 Sec. 24. Bonds issued under this act are limited to the
9 principal amount necessary to satisfy this state's obligations to
10 the federal government for advances or loans from the federal
11 account of the unemployment trust fund, to pay unemployment
12 benefits, and to fund a surplus in this state's unemployment trust
13 fund account within the federal unemployment trust fund, including
14 financing costs, reserves, coverage required for financing, and
15 reimbursement for advances made by this state to pay a portion of
16 its obligations on or before December 31, 2013. This limitation
17 does not apply to or preclude issuing bonds to refinance or refund
18 bonds issued under this act on or before December 31, 2013.

19 Enacting section 1. The legislature finds and declares all of
20 the following:

21 (a) It is an essential governmental function to maintain funds
22 in an amount sufficient to pay unemployment benefits when due.

23 (b) At the time of the enactment of this act, unemployment
24 benefits payments are made from Michigan's account in the
25 unemployment trust fund of the United States treasury and are
26 funded by employer contributions.

27 (c) At the time of the enactment of this act, borrowing from

1 the federal government through loans from the federal unemployment
2 trust fund is the only option available to obtain sufficient funds
3 to pay benefits when the balance in Michigan's account in the
4 unemployment trust fund of the United States treasury is
5 insufficient to make necessary payments.

6 (d) Alternative methods of replenishing this state's account
7 in the unemployment trust fund of the United States treasury may
8 reduce the costs of providing unemployment benefits and employers'
9 cost of doing business in the state.

10 (e) It is in this state's best interests to authorize the
11 issuance of bonds when appropriate for the purpose of continuing
12 the unemployment insurance program at the lowest possible cost to
13 this state and employers in this state and to avoid reductions in
14 the employer unemployment tax credit.

15 (f) Execution by the authority of its powers granted under
16 this act fulfill in all respects an essential governmental function
17 and public purpose for the benefit of and in furtherance of the
18 public health and welfare of the people of this state.

19 Enacting section 2. The legislature determines that the
20 creation of the authority by Executive Reorganization Order No.
21 2010-2, MCL 12.194, and the carrying out of its authorized purposes
22 under this act are in all respects public and governmental purposes
23 for the benefit of the people of this state and for the improvement
24 of their health, safety, welfare, comfort, and security, and that
25 these purposes are public purposes and that the authority will be
26 performing an essential governmental function in the exercise of
27 the powers conferred upon it by this act.

1 Enacting section 3. This act does not take effect unless all
2 of the following bills of the 96th Legislature are enacted into
3 law:

4 (a) Senate Bill No. 484.

5 (b) Senate Bill No. 806.
