Committee: Insurance

Complete to 10-6-95

A SUMMARY OF HOUSE BILL 5156 AS INTRODUCED 9-27-95

Section 4404 of the Insurance Code deals with group life insurance and says such insurance can be issued covering at least 10 employees with or without medical examination written under a policy issued to the employer. The premium for such a policy, the section says, can be paid by the employer or by the employer and the employees jointly. The bill would amend the section to specify that the premium could be paid by the employees.
