Senate Bill 876 (as introduced 2-21-96)  
 Sponsor: Senator Philip E. Hoffman  
 Committee: Appropriations

Date Completed: 2-28-96

**CONTENT**

Senate Bill 876 would amend the motor fuel tax Act to authorize county boards of commissioners to submit to the electors of the county the question of providing for a local motor fuel tax. The bill provides that the additional tax would have to be levied, collected and remitted to the State Commissioner of Revenue in the same manner as the State motor fuel tax. After deducting administrative costs associated with collecting the additional tax, the balance would be remitted to the county.

MCL 207.102 et al.

**FISCAL IMPACT**

Each penny of the State motor fuel tax generates approximately \$50 million. The State Motor Fuel Tax is collected at the terminal level. Therefore, attributing the revenue to specific counties data do not exist. Using vehicle registrations as a basis, the following provides an estimate as to the county source of each penny of fuel tax revenue.
