21 by the department, which meets the intent of this section.

22 (2) For counties with populations in excess of 2,000,000 persons,
23 the department shall distribute \$44,012,800.00 to hospitals if
24 \$15,026,700.00 is received by the state from such counties, which meets
25 the criteria of an allowable state matching share as determined by
26 applicable federal laws and regulations. If the state receives a
