4 shall make reports, in a form and containing information as the
5 appropriate agency of the United States may from time to time
6 require, and shall comply with such provisions as the appropriate
7 agency of the United States may from time to time prescribe to
8 assure the correctness and verification of the reports. The com-

14 act" means the social security act, chapter 531, 49 Stat. 620.

15 (b) (1) Information obtained from any employing unit or
16 individual pursuant to the administration of this act, and deter-
17 minations as to the benefit rights of any individual shall be
18 held confidential and shall not be disclosed or open to public
19 inspection other than to public employees in the performance of
20 their official duties pursuant to this act in any manner reveal-
21 ing the individual's or the employing unit's identity. However,
22 all of the following apply:

23 (i) Information in the commission's possession that may
24 affect a claim for worker's disability compensation under the
25 worker's disability compensation act of 1969, Act No. 317 of the
26 Public Acts of 1969, being sections 418.101 to 418.941 of the
27 Michigan Compiled Laws, shall be available to interested parties,

1 regardless of whether the commission is a party to an action or
2 proceeding arising under Act No. 317 of the Public Acts of 1969.

3 (ii) Any information in the commission's possession that may
4 affect a claim for benefits or a charge to an employer's rating
5 account shall be available to interested parties.

6 (iii) Except as provided in this act, such information and
7 determinations shall not be used in any action or proceeding
8 before any court or administrative tribunal unless the commission

11 other legal proceeding pursuant to subdivision (2).

12 (iv) Any report or statement, written or verbal, made by any
13 person to the commission, any member of the commission, or to any
14 person engaged in administering this law shall be a privileged
15 communication, and a person, firm, or corporation shall not be
16 held liable for slander or libel on account of a report or
17 statement. Such records and reports in the custody of the com-
18 mission shall be available for examination by the employer or
19 employee affected.

20 (v) Subject to restrictions as the commission may by rule
21 prescribe, information in the commission's possession may be made

24 compensation law or the maintenance of a system of public employ-
25 ment offices; the bureau of internal revenue of the United States
26 department of the treasury; or the social security administration
27 of the United States department of health and human services.

1 (vi) Information obtained in connection with the
2 administration of the employment service may be made available to
3 persons or agencies for purposes appropriate to the operation of
4 a public employment service. Subject to such restrictions as the
5 commission may by rule prescribe, the commission may also make
6 such information available to agencies of other states which are
7 responsible for the administration of public assistance to unem-
8 ployed workers, and to the departments of this state.
9 Information so released shall be used only for purposes not
10 inconsistent with the purposes of this act.

11 (vii) The commission may make available to the department of
12 treasury information collected for the income eligibility and
13 verification system begun on October 1, 1988 for the purpose of

15 (viii) Upon request, the commission shall furnish to any
16 agency of the United States charged with the administration of
17 public works or assistance through public employment, and may
18 furnish to any state agency similarly charged, the name, address,
19 ordinary occupation, and employment status of each recipient of
20 benefits and the recipient's rights to further benefits under
21 this act.

22 (ix) Subject to restrictions as the commission may pre-
23 scribe, by rule or otherwise, the commission may also make such
24 information available to colleges, universities, and public agen-
25 cies of this state for use in connection with research projects
26 of a public service nature. A person associated with such
27 institutions or agencies shall not disclose the information in

1 any manner which would reveal the identity of any individual or
2 employing unit from or concerning whom the information was
3 obtained by the commission.

4 (x) The commission may request the comptroller of the cur-
5 rency of the United States to cause an examination of the cor-

8 the request, transmit the report or return to the comptroller of
9 the currency of the United States as provided in section 3305(c)
10 of the internal revenue code OF 1986, 26 U.S.C. 3305.

11 (2) The commission shall disclose to qualified requesting
12 agencies, upon request, with respect to an identified individual,
13 information in its records pertaining to the individual's name;
14 social security number; gross wages paid during each quarter; the

16 number of the individual's employer; any other wage information;
17 whether an individual is receiving, has received, or has applied
18 for unemployment benefits; the amount of unemployment benefits
19 the individual is receiving or is entitled to receive; the
20 individual's current or most recent home address; whether the
21 individual has refused an offer of work and if so a description
22 of the job offered including the terms, conditions, and rate of
23 pay; and any other information which the qualified requesting
24 agency considers useful in verifying eligibility for, and the
25 amount of, benefits. For purposes of this subdivision,
26 "qualified requesting agency" means any state or local child
27 support enforcement agency responsible for enforcing child

1 support obligations under a plan approved under part ~~a~~ D of
2 ~~Title~~ TITLE IV of the social security act, 42 U.S.C. 651 to

2 Act No. 280 of the Public Acts of 1939, being sections 400.1 to

4 The information shall be disclosed only if the qualified
5 requesting agency has executed an agreement with the commission
6 to obtain such information and if the information is requested
7 for the purpose of determining the eligibility of applicants for
8 benefits, or the type and amount of benefits for which applicants
9 are eligible, under any of the programs listed above or under
10 ~~Titles~~ TITLES II and XVI of the social security act; for estab-

19 being section 400.83 of the Michigan Compiled Laws, to transmit
20 the information requested on at least a quarterly basis. The
21 information shall not be released unless the qualified requesting
22 agency agrees to reimburse the commission for the costs incurred
23 in furnishing the information.

24 In addition to the requirements of this section, except as
25 later provided in this subdivision, all other requirements with
26 respect to confidentiality of information obtained in the
27 administration of this act shall apply to the use of the

1 information by the officers and employees of the qualified
2 requesting agencies, and the sanctions imposed under this act for
3 improper disclosure of the information shall be applicable to
4 such officers and employees. A qualified requesting agency may
5 redisclose information only to the following individuals or
6 agencies: (1) the individual who is the subject of the informa-
7 tion, (2) an attorney or other duly authorized agent representing
8 the individual if the information is needed in connection with a
9 claim for benefits against the requesting agency, or (3) any
10 criminal or civil prosecuting authorities acting for or on behalf
11 of the requesting agency.

12 The commission is authorized to enter into an agreement with
13 any qualified requesting agency for the purposes described in
14 this subdivision. Such agreement or agreements must comply with
15 all federal laws and regulations applicable to such agreements.

16 (3) The commission shall enable the United States department
17 of health and human services to obtain prompt access to any wage
18 and unemployment benefit claims information, including any infor-
19 mation that might be useful in locating an absent parent or an
20 absent parent's employer, for purposes of section 453 of the
21 social security act, 42 U.S.C. 653, in carrying out the child
22 support enforcement program under title IV. Access to the infor-
23 mation shall not be provided unless the requesting agency agrees
24 to reimburse the commission for the costs incurred in furnishing
25 the information.

26 (4) Upon request accompanied by presentation of a consent to
27 the release of information signed by an individual, the

1 commission shall disclose to the United States department of
2 housing and urban development and any state or local public hous-
3 ing agency responsible for verifying an applicant's or
4 participant's eligibility for, or level of benefits in, any hous-
5 ing assistance program administered by the United States depart-
6 ment of housing and urban development, the name, address, wage
7 information, whether an individual is receiving, has received, or
8 has made application for unemployment benefits, and the amount of
9 unemployment benefits the individual is receiving or is entitled
10 to receive under this act. This information shall be used only
11 to determine an individual's eligibility for benefits or the
12 amount of benefits to which an individual is entitled under a
13 housing assistance program of the United States department of
14 housing and urban development. The information shall not be
15 released unless the requesting agency agrees to reimburse the
16 commission for the costs incurred in furnishing the information.
17 For purposes of this subsection, "public housing agency" means an
18 agency described in section 3(b)(6) of the United States housing
19 act of 1937, CHAPTER 896, 88 STAT. 654, 42 U.S.C. 1437a.

20 (c) The commission is authorized to enter into agreements
21 with the appropriate agencies of other states or the federal gov-
22 ernment whereby potential rights to benefits accumulated under
23 the unemployment compensation laws of other states or such a law
24 of the federal government, or both, may constitute the basis for
25 the payment of benefits through a single appropriate agency under
26 plans which the commission finds will be fair and reasonable as

1 to all affected interests and will not result in substantial loss
2 to the unemployment compensation fund.

3 (d) (1) The commission is authorized to enter into recipro-
4 cal agreements with the appropriate agencies of other states or
5 of the federal government adjusting the collection and payment of
6 contributions by employers with respect to employment not local-
7 ized within this state.

8 (2) The commission is authorized to enter into reciprocal
9 agreements with agencies of other states administering unemploy-
10 ment compensation, whereby contributions paid by an employer to
11 any other state may be received by the other state as an agent
12 acting for and on behalf of this state to the same extent as if
13 the contributions had been paid directly to this state if the
14 payment is remitted to this state. Contributions so received by
15 another state shall be deemed contributions, required and paid
16 under this act as of the date the contributions were received by
17 the other state. The commission may collect contributions in a
18 like manner for agencies of other states administering unemploy-
19 ment compensation and remit the contributions to the agencies
20 under the terms of the reciprocal agreements.

21 (e) The commission may make the state's records relating to
22 the administration of this act available and may furnish to the
23 railroad retirement board or any other state or federal agency
24 administering an unemployment compensation law, at the expense of
25 that board, state, or agency, copies of the records as the rail-
26 road retirement board deems necessary for its purpose.

1 (f) The commission may cooperate with or enter into
2 agreements with any agency of another state or of the United
3 States charged with the administration of any unemployment insur-
4 ance or public employment service law.

5 The commission is authorized to make investigations, secure
6 and transmit information, make available services and facilities,
7 and exercise other powers provided in this act with respect to
8 the administration of this act as it deems necessary or appropri-
9 ate to facilitate the administration of any unemployment compen-
10 sation or public employment service law, and in like manner, to
11 accept and utilize information, services, and facilities made
12 available to this state by the agency charged with the adminis-
13 tration of any other unemployment compensation or public employ-
14 ment service law.

15 On request of an agency which administers an employment
16 security law of another state or foreign government and which has
17 found, in accordance with that law, that a claimant is liable to
18 repay benefits received under that law, the commission may col-
19 lect the amount of the benefits from the claimant to be refunded
20 to the agency.

21 In any case in which under this subsection a claimant is
22 liable to repay any amount to the agency of another state or for-
23 eign government, the amount may be collected by civil action in
24 the name of the commission acting as agent for the agency. Court
25 costs shall be paid or guaranteed by the agency.

26 To the extent permissible under the laws and constitution of
27 the United States, the commission is authorized to enter into or

1 cooperate in arrangements whereby facilities and services
2 provided under this act and facilities and services provided
3 under the unemployment compensation law of the Dominion of Canada
4 may be utilized for the taking of claims and the payment of bene-
5 fits under the unemployment compensation law of this state or
6 under a similar law of the Dominion of Canada.

7 Any employer who is not a resident of this state and who
8 exercises the privilege of having 1 or more individuals perform
9 service for him or her within this state, and any resident
10 employer who exercises that privilege and thereafter leaves this
11 state, shall be deemed thereby to appoint the secretary of state
12 as his or her agent and attorney for the acceptance of process in
13 any civil action under this act. In instituting such an action
14 against any employer, the commission shall cause such process or
15 notice to be filed with the secretary of state, and such service
16 shall be sufficient and shall be of the same force and validity
17 as if served upon the employer personally within this state. The
18 commission immediately shall send notice of the service of pro-
19 cess or notice, together with a copy thereof, by registered mail,
20 return receipt requested, to the employer at his or her last
21 known address. The return receipt, the commission's affidavit of
22 compliance with this section, and a copy of the notice of service
23 shall be attached to the original of the process filed in the
24 court in which the civil action is pending.

25 The courts of this state shall recognize and enforce liabil-
26 ities, as provided in this act, for unemployment compensation

1 contributions, penalties, and interest imposed by other states
2 which extend a like comity to this state.

3 The attorney general is empowered to commence action in the
4 appropriate court of any other state or any other jurisdiction of
5 the United States by and in the name of the commission to collect
6 unemployment compensation contributions, penalties, and interest
7 finally determined, redetermined, or decided under this act to be
8 legally due this state. The officials of other states which
9 extend a like comity to this state are empowered to sue in the
10 courts of this state for the collection of unemployment compensa-
11 tion contributions, penalties, and interest, the liability for
12 which has been similarly established under the laws of the other
13 state or jurisdiction. A certificate by the secretary of another
14 state under the great seal of that state attesting the authority
15 of the official or officials to collect unemployment compensation
16 contributions, penalties, and interest shall be conclusive evi-
17 dence of that authority.

18 The attorney general is authorized to commence action in
19 this state as agent for or on behalf of any other state to
20 enforce judgments and established liabilities for unemployment
21 compensation taxes or contributions, penalties, and interest due
22 the other state if the other state extends a like comity to this
23 state.

24 (g) The commission is also authorized to enter into recipro-
25 cal agreements with the appropriate and authorized agencies of
26 other states or of the federal government whereby remuneration
27 and services, upon the basis of which an individual may become

1 entitled to benefits under the unemployment compensation law of
2 another state or of the federal government, shall be deemed to be
3 wages and employment for the purposes of sections 27 and 46, if
4 the other state agency or agency of the federal government has
5 agreed to reimburse the fund for that portion of benefits paid
6 under this act upon the basis of the remuneration and services as
7 the commission finds will be fair and reasonable as to all
8 affected interests, and wages and employment, on the basis of
9 which an individual may become entitled to benefits under this
10 act, shall be deemed to be wages or services on the basis of
11 which unemployment compensation under the law of another state or
12 of the federal government is payable, and whereby services per-
13 formed by an individual for a single employing unit for which
14 services are customarily performed by the individual in more than
15 1 state shall be deemed to be services performed entirely within
16 any 1 of the states in which any part of the individual's service
17 is performed, in which the individual has his or her residence,
18 or in which the employing unit maintains a place of business, if
19 there is, in effect as to such services, an election approved by
20 the agency charged with the administration of the state's unem-
21 ployment compensation law, pursuant to which all the services
22 performed by the individual for the employing unit are deemed to
23 be performed entirely within the state, and whereby the commis-
24 sion will reimburse other state or federal agencies charged with
25 the administration of unemployment compensation laws with such
26 reasonable portion of benefits, paid under the law of any other
27 state or of the federal government upon the basis of employment

1 and wages, as the commission finds will be fair and reasonable as
2 to all affected interests. Reimbursements so payable shall be
3 deemed to be benefits for the purpose of limiting duration of
4 benefits and for the purposes of sections 20a and 26, and the
5 payments shall be charged to the contributing employer's rating
6 account for the purposes of sections 17, 18, 19, and 20, or the
7 reimbursing employer's account under section 13c or 13g, as
8 applicable. Benefits paid under a combined wage plan shall be
9 allocated and charged to each employer involved in the quarter in
10 which the paying state requires reimbursement. Benefits charged
11 to this state shall be allocated to each employer of this state
12 who has employed the claimant during the base period of the
13 paying state in the same ratio that the wages earned by the
14 claimant during the base period of the paying state in the employ
15 of the employer bears to the total amount of wages earned by the
16 claimant in the base period of the paying state in the employ of
17 all employers of the state. HOWEVER, BENEFITS PAID TO A CLAIMANT
18 AND OTHERWISE CHARGEABLE TO AN EMPLOYER IN THIS STATE UNDER THIS
19 ACT AND UNDER A COMBINED WAGE PLAN SHALL BE CHARGED TO THE NON-
20 CHARGEABLE BENEFITS ACCOUNT DESCRIBED IN SECTION 17 IF THE ACT OR
21 DISCHARGE THAT RESULTED IN THE CLAIMANT'S SEPARATION FROM EMPLOY-
22 MENT WITH THE EMPLOYER IN THIS STATE WOULD HAVE BEEN DISQUALIFY-
23 ING UNDER SECTION 29(1)(A) OR (B). The commission is authorized
24 to make to other state or federal agencies and receive from other
25 state or federal agencies reimbursements from or to the fund, in
26 accordance with arrangements made pursuant to this section.

1 (h) The commission is authorized and directed to enter into
2 any agreement necessary in order that it may cooperate with any
3 agency of the United States charged with the administration of
4 any program for the payment of primary or supplemental benefits
5 to individuals recently discharged from the military services of
6 the United States, and to assist in the establishing of eligibil-
7 ity and in the payments of benefits thereunder, and for those
8 purposes may accept and administer funds made available by the
9 federal government and may accept and exercise any delegated
10 function as may be provided thereunder. The commission shall not
11 have power to enter into any agreement providing for, or exercise
12 any function connected with, the disbursement of the state's
13 unemployment trust fund for purposes not authorized by this act.

14 (i) The commission may enter into agreements with the appro-
15 priate agency of the United States whereby, in accordance with
16 the laws of the United States, the commission, as agent of the
17 United States, or from funds provided by the United States, shall
18 provide for the payment of unemployment compensation or unemploy-
19 ment allowances of any kind, including the payment of any bene-
20 fits and allowances that are made available for manpower develop-
21 ment, training, retraining, readjustment, and relocation. The
22 commission may receive and disburse funds from the United States
23 or any appropriate agency of the United States in accordance with
24 any such agreements.

25 If the federal enactment providing for unemployment compen-
26 sation, training allowance, or relocation payments requires joint
27 federal-state financing of such payments, the commission may

1 participate in the programs by using funds appropriated by the
2 legislature to the extent provided by the legislature for such
3 programs.

4 (j) The commission shall participate in any arrangement
5 which provides for the payment of compensation on the basis of
6 combining an individual's wages and employment covered under this
7 act with his or her wages and employment covered under the unem-
8 ployment compensation laws of other states, if the arrangement is
9 approved by the United States secretary of labor in consultation
10 with the state unemployment compensation agencies as reasonably
11 calculated to assure the prompt and full payment of
12 compensation. An arrangement shall include provisions for both
13 of the following:

14 (i) Applying the base period of a single state law to a
15 claim involving the combining of an individual's wages and
16 employment covered under 2 or more state unemployment compensa-
17 tion laws.

18 (ii) Avoiding the duplicate use of wages and employment as a
19 result of the combining.

20 (k) In a proceeding before any court, the commission and the
21 state shall be represented by the attorney general of this state
22 or attorneys designated by the attorney general. Only the attor-
23 ney general or other attorneys designated by the attorney general
24 shall act as legal counsel for the commission.

25 Sec. 17. (l) The commission shall maintain in the fund a
26 nonchargeable benefits account, and a separate experience account
27 for each employer as provided in this section. As used in this

1 act, "experience account" means an account in the fund showing an
2 employer's experience with respect to contribution payments and
3 benefit charges under this act, determined and recorded in the
4 manner provided in this act. "Nonchargeable benefits account"
5 means the account in the fund maintained as provided in
6 subsections (2) and (3). A reference in this act to the
7 "solvency account" shall be construed to refer to the noncharge-
8 able benefits account and a reference in this act to an
9 employer's "experience record" or "rating account" shall be con-
10 strued to include reference to the employer's experience
11 account. But this act shall not be construed to grant an
12 employer or individuals in the employer's service prior claims or
13 rights to the amount paid by the employer to the unemployment
14 compensation fund. All contributions to that fund shall be
15 pooled and available to pay benefits to any individual entitled
16 to the benefits under this act, irrespective of the source of the
17 contributions.

18 (2) The nonchargeable benefits account shall be credited
19 with the following:

20 (a) All net earnings received on money, property, or securi-
21 ties in the fund.

22 (b) Any positive balance remaining in the employer's
23 experience account as of the second June 30 computation date
24 occurring after the employer has ceased to be subject to this act
25 or after the employer has elected to change from a contributing
26 employer to a reimbursing employer.

1 (c) The proceeds of the nonchargeable benefits component of
2 employers' contribution rates determined as provided in section
3 19(a)(5).

4 (d) All reimbursements received under section 11(c).

5 (e) All amounts which may be paid or advanced by the federal
6 government under section 903 or section 1201 of the social secur-
7 ity act, 42 U.S.C. 1103 and 1321, to the account of the state in
8 the federal unemployment trust fund.
