Motions and Resolutions

The Speaker of the House, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 148.

A resolution of tribute offered as a memorial for James Bradley.

Whereas, With deep appreciation for the legacy of service he has left this state, we honor the memory of James Bradley. Through his two decades as a state representative and his two decades as the Detroit City Clerk, Mr. Bradley set standards of commitment and service that will long strengthen our state. We offer our condolences to his beloved family on his passing; and

Whereas, James Bradley came to Michigan from Hope, Arkansas, as a young man. He worked for Ford, in real estate, and as a furniture store owner before his true calling in public service was answered in response to the urgings of others. In 1953, he put his strong sense of community involvement to work in his successful election as Wayne County Constable. This began an era of forty years of devotion to others in the demanding role of elective office; and

Whereas, From 1955 until 1973, James Bradley served as the voice of his constituents in the Michigan House of Representatives. His career as a lawmaker was marked by his unswerving attention to their needs. During his service, great changes took place in Michigan, in the institution of government with the implementation of our new constitution, and in the arena of civil rights. James Bradley helped shape these changes in a positive fashion; and

Whereas, Following his distinguished work in Lansing, Mr. Bradley became the first African American to be elected as the Detroit City Clerk in 1973. In this demanding position, he channeled his talents and principles to expanding access to the heart of our democracy, the elections process. His twenty years as clerk were marked by numerous innovations, including encouragements in voter registration, absentee voter applications, and sample ballots. Clearly, James Bradley gave gifts to Michigan and Detroit that will never be forgotten; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute in memory of James Bradley; and be it further

Resolved, That copies of this resolution be transmitted to Mr. Bradley's beloved wife, Ethel, and their entire family as evidence of our deepest condolences.

The question being on the adoption of the resolution,

The resolution was adopted by a unanimous standing vote.

House Resolution No. 149.

A resolution honoring Colleen Howe, “Mrs. Hockey™”.

Whereas, It is with great pleasure that we join with the citizens of this state and hockey fans everywhere in recognizing Colleen Howe, “Mrs. Hockey™” for her accomplishments as professional sports builder, manager and humanitarian. Colleen Howe is perhaps best known as the wife and business partner of all-time hockey great Gordie Howe®. In addition to her famous marriage partner, she has two outstanding sons, Marty and Mark, who established their own outstanding professional hockey careers; and

Whereas, Gordie and Colleen have been husband and wife, as well as business partners, for forty-four years. Colleen is the President of Power Play International and Power Play Publications, Inc., which oversees all facets of her and Gordie’s unprecedented careers. Colleen’s next five year program will be to establish a Howe Hall of History to include the hundreds of artifacts she has preserved as the family historian; and

Whereas, Colleen Howe has been active all her life in humanitarian, community and business affairs in Michigan. She was born in Michigan and completed her schooling here in Detroit. Colleen is a fighter of injustice and suffering who still takes the time to involve herself with needs of former players and their families. Colleen, always wanting to serve society, ran for U.S. Congress in Connecticut in 1993 and took her opponent to a special election; and

Whereas, As the first woman professional manager in sports, Colleen Howe has paved the way for women who are interested in entering the sports business. She was the founder and developer of the Detroit Junior Red Wings, the first junior hockey program in the United States. Colleen's entrepreneurial insights paved the way for Gordie and their two sons, Mark and Marty, to become the first professional father and sons to play on the same team for seven years; and

Whereas, Colleen has served deserving projects for many years on the boards of such organizations as Michigan 4-H Foundation and the March of Dimes of Detroit. In 1993, Colleen developed a sixty-five-city 65th Birthday Tribute Tour which served to raise nearly one million dollars for various charities. As the tour's spokesperson, she spread word of the newly formed Howe Foundation whose mission is to improve the quality of life of children and adults; now, therefore, be it

Resolved by the House of Representatives, That the people of Michigan salute Colleen Howe for her community achievements and her success as manager of her family and her husband, Gordie Howe®. We wish her the best of luck and encouragement as she continues her efforts to improve the quality of life for children and adults. We are proud to have her as a resident of Michigan, the Great Lakes State; and be it further

Resolved, That a copy of this resolution be transmitted to Colleen Howe, "Mrs. Hockey™" as evidence of our esteem.

Pending the reference of the resolution to a committee,

Rep. Gagliardi moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted, a majority of the members serving voting therefor.

Reps. Wojno, Dobronski, Green, Kukuk, LaForge, Gilmer, DeVuyst, Lowe, Gernaat, Voorhees, Callahan, Cassis, Baade, Martinez, Freeman, Kelly, Cherry, Baird, Dalman, Scranton, Tesanovich, Anthony, Gubow, Palamara, Hanley, Llewellyn, Middaugh, Birkholz, Richner, Kaza, Brater, Bogardus, Goschka, McNutt, Brackenridge, Dobb, Galloway, Oxender, Horton, Hood, Schermesser, Wetters and Parks offered the following resolution:

House Resolution No. 150.

A resolution honoring Gordie Howe®, "Mr. Hockey™".

Whereas, That it is with great pleasure that we join with the citizens of this state and hockey fans everywhere in recognizing Gordie Howe® for his accomplishment of playing professional hockey for six decades. Gordie Howe® is the greatest all-around hockey player of all time, and truly one of the world's greatest athletes ever. We are proud to have him reside in the Great Lakes State; and

Whereas, Gordie Howe's® first game with the Detroit Hockey Club was on October 16, 1946. He began his amateur career with the Galt Red Wing Junior Club at age 16. On October 8, 1946, he signed his first contract with the Detroit Red Wings. On October 29, 1947, he first wore #9 for the Detroit Red Wings. He went on to spend 25 of his 26 years in the National Hockey League as "Number 9" with The Detroit Red Wings Organization. In all, Gordie has played an amazing 32 seasons amassing more career goals, assists, and points than any other player in history. He has led the Red Wings to four Stanley Cup Championships, he also won the National Hockey League's scoring race and the National Hockey League's most valuable player award six times; and

Whereas, This is a very special year for the entire Howe family as they commemorate the 50th Anniversary of Gordie Howe's® first pro season with the Detroit Hockey Club in 1946-47. Gordie and his wife, Colleen, are the parents of four children: Cathy, Mark, Marty and Murray. They are also the proud grandparents of nine grandchildren. In 1974, Gordie Howe® became the first and only player ever to play professional hockey with his sons, and in 1980, he became the first grandfather to play professional hockey; and

Whereas, To literally millions of sports fans worldwide, Gordie Howe® is "Mr. Hockey™". Gordie Howe® has donated countless hours to our youth through his hockey camps and other charitable works and has raised thousands of dollars for children through the Howe's nonprofit Howe Foundation. He and his wife, Colleen, "Mrs. Hockey™," have raised more than \$400,000 for a variety of charitable organizations in the past 17 months with the sales of their best-selling autobiography "and . . . HOWE!" and have traveled to sixty-five cities in 1993 to raise nearly one-million dollars during the yearlong 65th birthday celebration; and

Whereas, Gordie Howe® has been a remarkable athlete, who has accomplished many "firsts" in his years. In 1973, in an unprecedented return to the ice, Gordie came out of retirement to become a player for the Houston Aeros of the World Hockey Association after already setting eleven NHL records. That year, he was voted the WHA's Most Valuable Player. He then took the new position for the Aeros of becoming the first player/president in hockey's history. His sons, Marty and Mark signed with the Aeros and they became the first father/son combination ever to be seen playing together in a major professional sport; and

Whereas, Gordie Howe® has recently achieved the distinction of becoming the first professional hockey player to play in six decades. On October 3, 1997, "Mr. Hockey™" skated for one game with the Detroit Vipers of the International Hockey League. This momentous occasion brought Gordie back to Detroit, the city that has a special meaning as the showcase for his talent throughout his spectacular career; now, therefore, be it

Resolved by the House of Representatives, That the people of Michigan salute Gordie Howe® as an unprecedented athlete who has been an important part of hockey over the past six decades. His accomplishments on and off the ice deserve recognition and praise throughout our great state. He is an uncommon athlete and man, and his off ice talents as a gentleman and a charitable human being make us proud to have him as a resident of Michigan, the Great Lakes State; and be it further

Resolved, That a copy of this resolution be transmitted to Mr. Howe, "Mr. Hockey™" as evidence of our esteem.

Pending the reference of the resolution to a committee,

Rep. Gagliardi moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted, a majority of the members serving voting therefor.

Rep. DeHart offered the following concurrent resolution:

House Concurrent Resolution No. 67.

A concurrent resolution to urge the Department of Natural Resources to impose a moratorium on any new leases of state land for oil and gas drilling or any lease renewals or expansions until the state develops and implements a uniform reporting system for determining royalties.

Whereas, Over the past year, it has become evident that there are serious irregularities in the way oil and gas royalties for minerals extracted from state lands are calculated. Investigations by the Department of Natural Resources, the Attorney General, and the Auditor General have demonstrated the severity of the underpayment to the people of this state. The state is owed millions of dollars by oil and gas interests; and

Whereas, A key factor in the underpayment to the state for minerals taken from public lands is the web of calculations connected to the process of obtaining and transporting oil and gas. Post production costs, various timings for measuring the product, and compressing and purifying gas leave too many opportunities for inconsistency and noncompliance with the letter and the spirit of the law; and

Whereas, A fundamental problem in determining how much royalties the state should receive is the lack of uniform reporting standards. This problem is not made easier by the several different units of government responsible for oversight of the oil and gas industry. Activities of the industry are reviewed by the Departments of Natural Resources, Treasury, Environmental Quality, and Agriculture and the Public Service Commission; and

Whereas, The gas and oil extracted from state lands belong to the people of this state. The royalties paid for these minerals go to the Natural Resources Trust Fund for land for conservation and recreation purposes. It is incumbent upon the officers and agencies of state government to ensure that the citizens receive every dollar of compensation for their minerals; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the Department of Natural Resources to impose a moratorium on any new leases of state land for oil and gas drilling or any lease renewals or expansions until the state develops and implements a uniform reporting system for determining royalties; and be it further

Resolved, That copies of this resolution be transmitted to the Natural Resources Commission and the Department of Natural Resources.

The concurrent resolution was referred to the Committee on House Oversight and Ethics.

Communications from State Officers

The following communication from the Department of Consumer & Industry Services was received and read:

October 1, 1997

In accordance with Public Act 304 of 1982, the attached 1996 Annual Report for the Michigan Utility Consumer Representation Fund is transmitted to the Legislature.

The state's five largest utilities were required, under this Act, to contribute a total of \$813,000 to fund intervention participation in cost increase and reconciliation cases filed by utilities with the Michigan Public Service Commission.

The Utility Consumer Participation Board grant recipients reported disallowed costs by the Michigan Public Service Commission for 1996 in the amount of \$12,551,000. This action was a result of intervention efforts either by grantees alone, or in conjunction with other parties. The Utility Consumer Participation Board awarded \$399,080 for 1996 intervention cases. The Attorney General's Office received \$386,175 for intervention by that Office on behalf of the utility ratepayers of Michigan.

The Attorney General's Office will send their P.A. 304 Annual Report under separate cover.

Sincerely,
UTILITY CONSUMER PARTICIPATION BOARD
Matthew E. McLogan
Chair

The communication was referred to the Clerk.

The following communication from the Department of Environmental Quality was received and read:

October 7, 1997

Section 324.35311 of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), requires the Department of Environmental Quality (DEQ) to appoint a review team to evaluate the accuracy of the Atlas of Critical Dunes and to analyze other portions of Part 353 of the NREPA to determine if the criteria in the statute are appropriate.

Enclosed with this letter please find a copy of the Report of the Sand Dune Review Committee which evaluates designated Critical Dune Areas (CDAs) in Michigan. The report includes a narrative and a set of maps depicting existing and potential new CDAs. This information was prepared under contract by the Center for Remote Sensing at Michigan State University. Also enclosed is a report of a review committee which evaluated standards of Part 353, Sand Dunes Protection and Management, of the NREPA. The review team evaluated whether the slope criteria in Section 35316(1)(a) and (b) are appropriate and supported by the best available technical data and whether stairways and driveways in critical dune areas should be subject to the same criteria as other constructed uses.

The DEQ submits the report to you to meet its obligation under Part 353 of the NREPA. If members of the Michigan Senate or Michigan House of Representatives have questions about these reports or need additional information, please contact Mr. Lawrence N. Witte, Chief, Land and Water Management Division, at 517-373-1170, or you may contact me.

Sincerely,
Russell J. Harding
Director
