Senate Bill 1113 (as introduced 5-6-98)  
Sponsor: Senator Dale L. Shugars  
Committee: Government Operations

Date Completed: 5-11-98

### **CONTENT**

The bill would amend Public Act 42 of 1963, which provides for the submission of accounts to the Legislature by State-supported higher education institutions, to require the governing board of each institution of higher education to compile a report that estimated the average total cost for a student to complete a program for a bachelor's, master's, or doctorate degree. The report would have to be submitted by December 1 of each year to the Senate and House Appropriations Committees, Higher Education Appropriations Subcommittees, and Fiscal Agencies.

("Average total cost" would mean the average cost of tuition and fees needed to complete a degree program, but would not include charges or fees for room and board. "Institution of higher education" would mean a college or university described in Section 4, 5, or 6 of Article VIII of the State Constitution.)

Proposed MCL 390.1102

Legislative Analyst: L. Arasim

### **FISCAL IMPACT**

The bill would have no fiscal impact on State or local government.
