**A SUMMARY OF HOUSE BILL 5271 AS INTRODUCED 2-3-00**

Under the Natural Resources and Environmental Protection Act (NREPA), the Department of Natural Resources (DNR) is required to charge fees for both daily and seasonal use of state-operated public access sites. House Bill 5271 would amend the act to specify that the fee for a seasonal pass for a person 65 years of age or older would be one-third of the regular amount.
