2 the extent feasible compare offenders treated under those programs with
3 other offenders of similar characteristics.

4 (4) The department shall develop agreements with 1 or more indepen-
5 dent third parties for monitoring of implementation of substance abuse
6 treatment pilot programs funded under this act and under 1998 PA 321.

7 (5) The department shall report by April 1, 2000 to the house and

15 The department shall also conduct follow-up training for employees who
16 have received such training designed to provide continuity. The human

19 racial differences may affect how managers, supervisors, and staff work
20 together as a team. The department shall develop a reliable survey
21 instrument to objectively measure the effectiveness of human relations
22 and diversity/sensitivity training.

23 (2) The equal employment opportunity administrator shall provide

15 act and 1998 PA 321.

16 (4) By March 1, 2000, the department shall report to the senate and
17 house appropriations subcommittees on corrections, senate and house

1 FIELD OPERATIONS

2 Sec. 501. The department shall maintain sentencing recommendation
3 guidelines for all probation personnel who are responsible for making
4 sentencing recommendations for convicted felons. The purposes of the
5 guidelines are to establish consistency in the recommendations by proba-
6 tion personnel to the judiciary for nonprison sanctions, provide for log-
7 ical and fair nonprison sanction recommendations that are effective yet
8 utilize the least restrictive and least expensive options while assuring
9 public safety, and ensure proportionality among sentences and disposi-
10 tional options. The state established guidelines shall allow for the use
11 of all sanctions and services available to the offender population. For
12 a sentence recommendation in a presentence investigation report under
13 section 14 of chapter XI of the code of criminal procedure, 1927 PA 175,
14 MCL 771.14, the guidelines shall require probation staff to recommend a
15 sentence other than prison for felons where the maximum sentencing guide-
16 line score is 18 months or less or recommend prison sentences only when
17 required by law or when no alternative community sentence will provide
18 public protection, pursuant to OP-BFS 71.01. Sentencing recommendation
19 guidelines shall require probation staff to review all alternatives to
20 prison and recommend nonprison sentences for all nonviolent offenders,
21 excluding sentences for which there is a mandatory prison sentence. If
22 the probation staff departs from these guidelines, reasons for the depar-
23 ture shall be attached to the recommended prison sentence and included
24 with the presentence investigation report.

25 Sec. 503. (1) It is the intent of the legislature that the funding
26 appropriated in section 107 for parole and probation agents will provide

HB4300, As Passed House, June 2, 1999

House Bill No. 4300

44

1 sufficient parole and probation agents to maintain a ratio of 90 workload
2 units per agent.

3 (2) From the funds appropriated in part 1, the department shall con-
4 duct a statewide caseload audit of field agents. The audit shall address
5 public protection issues and assess the ability of the field agents to
6 complete their professional duties. The results of the audit shall be
7 submitted to the senate and house appropriations subcommittees on correc-
8 tions and the senate and house fiscal agencies by September 30, 2000.

9 Sec. 504. (1) The \$525,400.00 appropriated in part 1 for the commu-
10 nity service work program shall be used for salaries and wages and fringe
11 benefit costs of community service coordinators employed by the depart-
12 ment to supervise offenders participating in work crew assignments.
13 Funds shall also be used to cover motor transport division rates on state
14 vehicles used to transport offenders to community service work project
15 sites.

16 (2) The community service work program shall provide adult offenders
17 with community service work of tangible benefit to a community while ful-
18 filling court-ordered community service work sanctions and other postcon-
19 viction obligations.

20 (3) As used in this section, "community service work" means work
21 performed by an offender in an unpaid position with a nonprofit or tax
22 supported or government agency for a specified number of hours of work or
23 service within a given time period.

1 COMMUNITY PLACEMENT PROGRAMS

2 Sec. 601. (1) All prisoners, probationers, and parolees involved
3 with the electronic tether program shall reimburse the department for the
4 equipment costs and telephone charges associated with their participation
5 in the program. The department may require community service work reim-
6 bursement as a means of payment for those able-bodied individuals unable
7 to pay for the cost of the equipment.

8 (2) Program participant contributions and local community tether
9 program reimbursement for the electronic tether program appropriated in
10 section 108 are related to program expenditures and may be used to offset
11 expenditures for this purpose.

12 (3) Included in the appropriation in section 108 is adequate funding
13 to implement the community tether program to be administered by the
14 department. The community tether program is intended to provide sentenc-
15 ing judges and county sheriffs in coordination with local community cor-
16 rections advisory boards access to the state's electronic tether program
17 to reduce prison admissions and improve local jail utilization. The
18 department shall determine the appropriate distribution of the tether
19 units throughout the state based upon locally developed comprehensive
20 corrections plans pursuant to the community corrections act, 1988 PA 511,
21 MCL 791.401 to 791.414. The counties shall reimburse the department
22 according to the following reimbursement schedule:

23 (a) For the rate of \$5.30 per diem, the department will provide
24 counties with the tether equipment, replacement parts, administrative
25 oversight of the equipment's operation, notification of violators, and
26 periodic reports regarding county program participants. Counties are

HB4300, As Passed House, June 2, 1999

House Bill No. 4300

46

1 responsible for tether equipment installation and service and
2 apprehension of program violators.

3 (b) For the rate of \$7.50 per diem, the department will provide
4 counties with the tether equipment, replacement parts, administrative
5 oversight of the equipment's operation, notification of program viola-
6 tors, and periodic reports regarding county program participants. In
7 addition, the department will provide staff to install and service the
8 equipment. Counties are responsible for the coordination and apprehen-
9 sion of program violators.

10 (4) Any county with tether charges outstanding over 60 days shall be
11 considered in violation of the community tether program agreement and
12 lose access to the program.

13 Sec. 602. Community-placement prisoners and parolees shall reim-
14 burse the department for the operational costs of the program. As an
15 alternative method of payment, the department may develop a community
16 service work schedule for those individuals unable to meet reimbursement
17 requirements established by the department.

18 Sec. 603. It is the legislature's intent that the department avoid
19 locating a new community corrections center in a residential neighborhood
20 unless the location of the proposed community corrections center has the
21 support of the local unit of government in whose jurisdiction the commu-
22 nity corrections center is proposed to be located. If the local unit of

11 (5) The operation of the probation detention program shall be
