1 participation in the Michigan family independence agency unified child  
2 day care program.

3 (2) Grant awards by the state board of education may be at whatever  
4 level the board determines appropriate. A grant, when combined with  
5 other sources of state revenue for this program, shall not exceed  
6 \$3,100.00 per child or the cost of the program, whichever is less.

7 (3) Except as otherwise provided, an applicant that received a grant  
8 under this section in the 1998-1999 fiscal year shall receive priority  
9 for funding in 1999-2000. However, continuation of funding is contingent  
10 on the availability of funds and documented evidence of grantee compli-  
11 ance with standards for early childhood development consistent with pro-  
12 grams for 4-year-olds, as approved by the state board of education, and  
13 with all operational, fiscal, administrative, and other program  
14 requirements. After 3 years of funding, a program that received a grant  
15 under this section may reapply for funding, but will compete for avail-  
16 able funds with other new programs and other programs also completing  
17 their third year of funding under this section. A program which offers  
18 supplementary day care and thereby offers full-day programs as part of  
19 its early childhood development program shall receive priority in the  
20 allocation of these competitive funds.

21 Sec. 804. (1) The reading plan for Michigan (RPM) is a series of  
22 elementary education strategies created for the purpose of improving  
23 reading skills of K-3 students so that all students are reading at an

25 shall be developed by the department in consultation with the RPM  
26 advisory council as created by Executive Order 1998-4.

2 all of the following:

4 attending grades 1 through 4 in the following school year and who have  
5 demonstrated the need for additional reading skills training, as evi-  
6 denced by standardized test results on tests approved by the department  
7 for this purpose. The model reading program shall be in conformance with  
8 the national education goals and shall also meet criteria for DED-OESE,  
9 Title I program funding.

10       (b) Recommend diagnostic tools and student assessments to local dis-  
11 tricts to determine reading readiness and ensure progress in reading  
12 skills.

13       (c) Develop and disseminate reading readiness kits to parents of  
14 students in preschool and kindergarten to provide parents with informa-  
15 tion about how they can prepare their children for reading success.

16       (d) Develop and make available a statewide resource guide of public  
17 and private service providers to assist parents in improving their  
18 children's reading skills.

19       (3) The funds appropriated in part 1 for the reading plan for  
20 Michigan grants shall be allocated by the department on a competitive  
21 grant basis to districts, intermediate districts, or consortia of dis-  
22 tricts which meet the following criteria:

23       (a) The district must offer a summer reading program based upon the  
24 model reading program developed by the department under subsection (2)  
25 beginning after the close of the 1998-99 school year.

2 the district which will be used to support at least 50% of the total  
3 costs of the summer reading program.

4 (4) Applications for funding must be submitted to the department no  
5 later than December 31, 1999. The department shall notify recipients of  
6 the grants no later than March 30, 2000.

7 (5) Not later than the 2002-2003 school year, a pupil shall not be  
8 promoted to the next grade level at the end of the school year if the  
9 pupil has not met the standards for pupil promotion adopted by the local  
10 school district.

11 (6) If any requirement of this section is in conflict with federal  
12 law, the federal law will control.

13 Sec. 805. If there is appropriated for fiscal year 1999-2000 not  
14 more than \$2,000,000.00 from the general fund/general purpose revenues  
15 from the state school aid fund to develop early childhood education pro-  
16 grams for children ages 0 to 3, the department shall administer the grant  
17 program in accordance with the criteria stated for the early childhood  
18 education program in the state school aid act.

19 Sec. 806. From the funds appropriated in part 1 for national board  
20 certification, the department shall pay 1/2 of the application fee for  
21 teachers who are deemed by the department by March 1, 1999 to be quali-  
22 fied to apply to the national board for professional teaching standards  
23 for professional teaching certificates or licenses and to provide grants  
24 to recognize and reward teachers who receive certification or licensure.

25 Sec. 809. The funds appropriated in part 1 for Focus: HOPE shall  
26 be used only for the machinist training institute. Any funds not
