The People of the State of Michigan enact:

Sec. 31. (1) The secretary of state shall do all of the following:

(a) Subject to subsection (2), issue instructions and promulgate rules pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the conduct of elections and registrations in accordance with the laws of this state.

(b) Advise and direct local election officials as to the proper methods of conducting elections.

(c) Publish and furnish for the use in each election precinct before each state primary and election a manual of instructions that includes specific instructions on assisting voters in casting their ballots, directions on the location of voting stations in polling places, procedures and forms for processing challenges, and procedures on prohibiting campaigning in the polling places as prescribed in this act.

(d) Publish indexed pamphlet copies of the registration, primary, and election laws and furnish to the various county, city, township, and village clerks a sufficient number of copies for their own use and to enable them to include 1 copy with the election supplies furnished each precinct board of election inspectors under their respective jurisdictions. The secretary of state may furnish single copies of the publications to organizations or individuals who request the same for purposes of instruction or public reference.

(e) Prescribe and require uniform forms, notices, and supplies the secretary of state considers advisable for use in the conduct of elections and registrations.

(f) Prepare the form of ballot for any proposed amendment to the constitution or proposal under the initiative or referendum provision of the constitution to be submitted to the voters of this state.

(g) Require reports from the local election officials the secretary of state considers necessary.

(h) Investigate, or cause to be investigated by local authorities, the administration of election laws, and report violations of the election laws and regulations to the attorney general or prosecuting attorney, or both, for prosecution.

(i) Publish in the legislative manual the vote for governor and secretary of state by townships and wards and the vote for members of the state legislature cast at the preceding November election, which shall be returned to the secretary of state by the county clerks on or before the first day of December following the election. All clerks shall furnish to the secretary of state, promptly and without compensation, any further information requested of them to be used in the compilation of the legislative manual.

(j) Establish a curriculum for comprehensive training and accreditation of all county, city, township, village, and school elections officials.

(k) Establish and require attendance by all new appointed or elected election officials at an initial course of instruction within 6 months before the date of the election.

(l) Establish a comprehensive training curriculum for all precinct inspectors.

(m) Create an election day dispute resolution team that has regional representatives of the department of state, which team shall appear on site, if necessary.

(2) Pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the secretary of state may promulgate rules establishing uniform standards for state and local nominating, recall, and ballot question petition signatures. The standards for petition signatures may include, but need not be limited to, standards for all of the following:

(a) Determining the validity of registration of a circulator or individual signing a petition.

(b) Determining the genuineness of the signature of a circulator or individual signing a petition.

(c) Proper designation of the place of registration of a circulator or individual signing a petition.

Sec. 552. (1) The county or city clerk, after the last day specified in this act for receiving and filing nominating petitions, shall immediately certify to the proper board or boards of election commissioners in the city, county, district, or state the name and post office address of each party candidate whose petitions meet the requirements of this act, together with the name of the political party and the office for which he or she is a candidate.

(2) If the county clerk receives a sworn complaint, in writing, questioning the registration or genuineness of the signature of the circulator or of a person signing a petition filed with the county clerk for an office, the county clerk shall commence an investigation. The county clerk shall cause the petition that he or she considers necessary to be forwarded to the proper city clerk or township clerk to compare the signatures appearing on the petition with the signatures appearing on the registration record, or in some other proper manner determine whether the signatures appearing on the petition are valid and genuine. If the request has been made by the county clerk, the city clerk or township clerk shall complete the investigation and report his or her findings to the county clerk within 7 days after the request. The investigation shall include the validity of the signatures and the genuineness of a petition as is specified in the sworn complaint and may include any other doubtful signatures or petitions filed on behalf of the candidate against whose petitions the sworn complaint is directed, as the county clerk considers necessary. A complaint respecting the validity and genuineness of signatures on a petition shall not be acted upon unless the complaint sets forth the specific signatures claimed to be invalid and the specific petition for which the complaint questions the validity and genuineness of the signature or registration of the circulator, and unless the complaint is received by the county clerk within 7 days after the deadline for the filing of the nominating petitions.

(3) In addition to the duty specified in subsection (2) for the examination of petitions, the county clerk, on his or her own initiative, on receipt of the nominating petitions, may examine the petitions, and if after examination the county clerk is in doubt as to the validity of the registration or genuineness of the signature of the circulator or persons signing or purported to have signed the petitions, the county clerk shall commence an investigation. Subject to subsection (13), the county clerk shall cause the petitions in question to be forwarded to the proper city clerk or township clerk to compare the signatures appearing on the petitions with the signatures appearing on the registration records, or in some other proper manner to determine whether the signatures appearing on the petitions are valid and genuine.

(4) The clerk of a political subdivision shall cooperate fully with the county clerk in a request made to the clerk by the county clerk in determining the validity of doubtful signatures by checking the signatures against registration records in an expeditious and proper manner.

(5) At least 2 business days before the board of state canvassers meets to make a final determination on challenges to and sufficiency of a petition, the county clerk shall make public its staff report concerning disposition of challenges filed against the petition. Beginning with the receipt of any document from local election officials pursuant to subsection (2) or (3), the county clerk shall make that document available to petitioners and challengers on a daily basis.

(6) Upon the completion of the investigation or examination, the county clerk shall immediately make an official declaration of the sufficiency or insufficiency of nominating petitions for which a sworn complaint has been received or of the sufficiency or insufficiency of nominating petitions that the county clerk has examined or investigated on his or her own initiative. A person feeling aggrieved by a determination made by the county clerk may have the determination reviewed by the secretary of state, by filing a written request with the secretary of state within 3 days after the official declaration of the county clerk, unless the third day falls on a Saturday, Sunday, or legal holiday, in which case the

request may be filed not later than 4 p.m. on the next day that is not a Saturday, Sunday, or legal holiday. Alternatively, the aggrieved person may have the determination of the county clerk reviewed by filing a mandamus, certiorari, or other appropriate remedy in the circuit court. A person who filed a nominating petition and feels aggrieved by the determination of the secretary of state may then have that determination reviewed by mandamus, certiorari, or other appropriate remedy in the circuit court.

(7) A city clerk with whom nominating petitions are filed may examine the petitions and investigate the validity and genuineness of signatures appearing on the petitions. Subject to subsection (13), the city clerk may check the signatures against registration records. The city clerk shall make a determination as to the sufficiency or insufficiency of the petitions upon the completion of the examination or investigation, and shall make an official declaration of the findings. A party feeling aggrieved by the determination has the same rights of review as in case of a determination by the county clerk.

(8) Upon the filing of nominating petitions with the secretary of state, the secretary of state shall notify the board of state canvassers within 5 days after the last day for the filing of the petitions. The notification shall be by first-class mail. Upon the receipt of the nominating petitions, the board of state canvassers shall canvass the petitions to ascertain if the petitions have been signed by the requisite number of qualified and registered electors. Subject to subsection (13), for the purpose of determining the validity of the signatures, the board of state canvassers may cause a doubtful signature to be checked against the registration records by the clerk of a political subdivision in which the petitions were circulated. If the board of state canvassers receives a sworn complaint, in writing, questioning the registration of or the genuineness of the signature of the circulator or of a person signing a nominating petition filed with the secretary of state, the board of state canvassers shall commence an investigation. Subject to subsection (13), the board of state canvassers shall cause the petition to be forwarded to the proper city clerk or township clerk to compare the signatures appearing on the petition with the signatures appearing on the registration record, or in some other manner determine whether the signatures appearing on the petition are valid and genuine. A complaint respecting the validity and genuineness of signatures on a petition shall not be acted upon unless the complaint sets forth the specific signatures claimed to be invalid and the specific petition for which the complaint questions the validity and genuineness of the signature or the registration of the circulator, and unless the complaint is received by the board of state canvassers within 7 days after the deadline for the filing of the nominating petitions. The clerk of a political subdivision shall cooperate fully with the board of state canvassers in a request made to the clerk by the board of state canvassers in determining the validity of doubtful signatures by rechecking the signatures against registration records in an expeditious and proper manner.

(9) The board of state canvassers may hold a hearing upon a complaint filed or for a purpose considered necessary by the board of state canvassers to conduct an investigation of the petitions. In conducting a hearing, the board of state canvassers may issue subpoenas and administer oaths. The board of state canvassers may also adjourn periodically awaiting receipt of returns from investigations that are being made or for other necessary purposes, but shall complete the canvass not less than 9 weeks before the primary election at which candidates are to be nominated.

(10) At least 2 business days before the board of state canvassers meets to make a final determination on challenges to and sufficiency of a petition, the board shall make public its staff report concerning disposition of challenges filed against the petition. Beginning with the receipt of any document from local election officials pursuant to subsection (8), the board of state canvassers shall make that document available to candidates and challengers on a daily basis.

(11) An official declaration of the sufficiency or insufficiency of a nominating petition shall be made by the board of state canvassers not less than 60 days before the primary election at which candidates are to be nominated. At the time of filing a nominating petition with the secretary of state, the person filing the petition may request a notice of the approval or rejection of the petition. If such a request is made at the time of filing of the petition, the secretary of state, immediately upon the determination of approval or rejection, shall transmit by registered mail to the person making the request an official notice of the sufficiency or insufficiency of the petitions.

(12) A person, having filed a nominating petition with the secretary of state, feeling aggrieved by a determination made by the board of state canvassers, may have the determination reviewed by mandamus, certiorari, or other appropriate remedy in the supreme court.

(13) The qualified voter file may be used to determine the validity of petition signatures by verifying the registration of signers. If the qualified voter file indicates that, on the date the elector signed the petition, the elector was not registered to vote, there is a rebuttable presumption that the signature is invalid. If the qualified voter file indicates that, on the date the elector signed the petition, the elector was not registered to vote in the city or township designated on the petition, there is a rebuttable presumption that the signature is invalid.

(14) Not less than 60 days before the primary election at which candidates are to be nominated, the secretary of state shall certify to the proper boards of election commissioners in the various counties in the state, the name and post office address of each partisan or nonpartisan candidate whose petitions have been filed with the secretary of state and meet the requirements of this act, together with the name of the political party, if any, and the office for which he or she is a candidate.

Sec. 961a. (1) Not later than the business day following the filing of a recall petition, the official with whom the recall was filed shall notify in writing the officer whose recall is sought that the recall petition has been filed.

(2) An officer whose recall is sought may challenge the validity of the registration or the validity and genuineness of the signature of a circulator or person signing the recall petition. A challenge shall be in writing, specifying the challenged signature, and shall be delivered to the filing official within 30 days after the filing of the petitions. The officer whose recall is sought shall have not less than 8 days after the clerk has examined the signatures to check signatures on the original registration records.

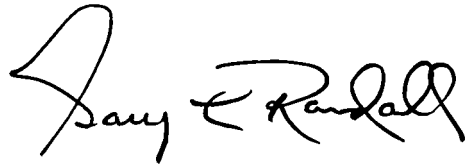

(3) Subject to subsection (4), a challenged signature shall be compared with the signature on the original registration record.

(4) The qualified voter file may be used to determine the validity of petition signatures by verifying the registration of signers. If the qualified voter file indicates that, on the date the elector signed the petition, the elector was not registered to vote, there is a rebuttable presumption that the signature is invalid. If the qualified voter file indicates that, on the date the elector signed the petition, the elector was not registered to vote in the city or township designated on the petition, there is a rebuttable presumption that the signature is invalid.

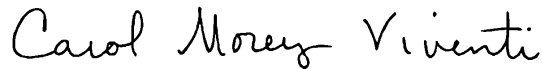

Sec. 963. (1) Within 35 days after the filing of the recall petition, the filing official with whom the recall petition is filed shall make an official declaration of the sufficiency or insufficiency of the petition. If the recall petition is determined to be insufficient, the filing official shall notify the person or organization sponsoring the recall of the insufficiency of the petition. It is not necessary to give notification unless the person or organization sponsoring the recall files with the filing official a written notice of sponsorship and a mailing address.

(2) Immediately upon determining that the petition is sufficient, but not later than 35 days after the date of filing of the petition, the county clerk with whom the petition is filed shall submit to the county election scheduling committee a proposed date for a special election to be held within 60 days after the submission to the county scheduling committee to determine whether the electors will recall the officer whose recall is sought.

(3) If a petition is filed under section 959, the officer with whom the petition is filed shall not submit a proposed date to the county election scheduling committee but shall call the special election subject to the time limitations set out in this section.
