Continue to give our President, his administration, and those in Congress wisdom and guidance during this time of distress upon our nation. Lord, we do acknowledge You as the giver of wisdom. A resolution honoring the life of Kenneth Hylton, Jr.

Whereas, It is with the deepest sympathy that we mourn the passing of Michigan's citizen, Kenneth Hylton, Jr. During his lifetime, this dedicated attorney, social justice activist, and loving family man devoted his life to fighting for the "little man". He will be genuinely missed and long remembered; and

Whereas, His legacy of compassion and commitment to social justice will be sorely missed. His dedication and conviction was reflected in his ceaseless efforts to improve the lives of those around him; and

The question being on agreeing to the title of the bill,

Rep. Patterson moved to amend the title to read as follows:

A bill to commission and confer certain police and arrest powers on certain sergeants at arms and assistant sergeants at arms in the legislative branch; to prescribe certain duties and responsibilities of certain state employees; and to repeal acts and parts of acts.

The motion prevailed.

The House agreed to the title as amended.

Rep. Richardville moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Reps. Jacobs, Kolb, Thomas, Dennis and Clark having reserved the right to explain their protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

This bill will vastly broaden the powers and responsibilities of our legislative sergeants at arms, and any action which expands police powers as this bill does is an action which should be taken with great caution. Nevertheless, this bill has passed through this body this week in great haste, and without sufficient consideration being taken of its potential implications. Too many questions remain unanswered regarding this legislation such as: What would be the chain of command for these officers? (For example, could the House Clerk of a legislative leader or an individual legislator assign these officers to perform certain investigations?) What sort of additional liability would the House or Senate face if a sergeant commissioned as a police officer should act recklessly, and what sorts of protections do we need to take as a body to prevent such from occurring? The goal at hand is to protect the safety of not just legislators, but also the many visitors we have to the Capitol every day. A better way to achieve this goal would be to assign additional existing police officers to the Capitol and the House Office Building.”

Rep. Rivet, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted no on HB 5341 because it did not recognize the importance of complete and bipartisan oversight of the new enforcement officers it creates. Last session, this bill passed the House and contained the valuable bipartisan provisions. Amendments to that effect failed, keeping the partisan aspect problematic, so I could not support the bill.”

Rep. Richardville moved that **House Bill No. 5342** be placed on its immediate passage.

The motion prevailed, a majority of the members serving voting therefor.

House Bill No. 5342, entitled

A bill to amend 1965 PA 203, entitled “Commission on law enforcement standards act,” by amending section 2 (MCL 28.602), as amended by 1998 PA 237.
