Completed      6/8/01

---

## State Fiscal Impact

## Local Fiscal Impact

Cost      Indeterminate/Increase  
Revenues      None

Cost      None  
Revenues      None

---

This bill would regulate ballast water disposal practices of ships operating on the Great Lakes. There may be an increase in the costs of administering the surface water quality program: preparation, distribution, and internet posting of required lists. There would be no increase in state revenue or oval expenditures by the Department of Environmental Quality.
