|----------|----------|
| Cost     | None     |
| Revenues | Increase |

### Local Fiscal Impact

|          |      |
|----------|------|
| Cost     | None |
| Revenues | None |

---

This bill would reauthorize the Department to collect annual air quality fees. The existing statute sunsets at the end of the fiscal year ending September 30, 2001. Fee revenue is required to support the recommended appropriation for the Air Quality program, Department of Environmental Quality. Annual collections would be approximately \$12 million. There would be no increased program costs if this bill is enacted.
