HOUSE BILL 5336 (H-2)

Sponsor: Rep. David C. Mead

House Committee: Local Government and Urban Policy

FLOOR ANALYSIS - 5/15/02

Analyst(s): Steve Stauff

SUMMARY

House Bill 5336 would amend the District Library Establishment Act to allow an existing district library agreement to be changed to reduce the number of mills authorized in the agreement if one or more municipalities or parts of municipalities join the existing district library district. The reduction in mills would be contingent on a vote by electors within the existing district library district and those in the joining municipalities or parts of municipalities.

There is no fiscal impact on state government by this bill. The fiscal impact on local units of government is indeterminate as there is no information that would indicate how many existing district library agreements may be changed.
