ENROLLED SENATE BILL No. 835

AN ACT to amend 1980 PA 450, entitled "An act to prevent urban deterioration and encourage economic development and activity and to encourage neighborhood revitalization and historic preservation; to provide for the establishment of tax increment finance authorities and to prescribe their powers and duties; to authorize the acquisition and disposal of interests in real and personal property; to provide for the creation and implementation of development plans; to provide for the creation of a board to govern an authority and to prescribe its powers and duties; to permit the issuance of bonds and other evidences of indebtedness by an authority; to permit the use of tax increment financing; to reimburse authorities for certain losses of tax increment revenues; and to prescribe the powers and duties of certain state agencies and officers," by amending section 15 (MCL 125.1815), as amended by 1996 PA 271.

The People of the State of Michigan enact:

Sec. 15. (1) By resolution of its board, the authority may authorize, issue, and sell its tax increment bonds, subject to the limitations set forth in this section, to finance a development program. The bonds are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. The bonds issued under this section shall be considered a single series for the purposes of the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(2) The municipality by majority vote of the members of its governing body may pledge its full faith and credit for the payment of the principal of and interest on the authority's tax increment bonds. The municipality may pledge as additional security for the bonds any money received by the authority or the municipality pursuant to section 11.

(3) Notwithstanding any other provision of this act, if the state treasurer determines that an authority or municipality can issue a qualified refunding obligation and the authority or municipality does not make a good faith effort to issue the qualified refunding obligation as determined by the state treasurer, the state treasurer may reduce the amount claimed by the authority or municipality under section 12a by an amount equal to the net present value saving that would have been realized had the authority or municipality refunded the obligation or the state treasurer may require a reduction in the capture of tax increment revenues from taxes levied by a local or intermediate school district or this state by an amount equal to the net present value savings that would have been realized had the authority or municipality refunded the obligation. This subsection does not authorize the state treasurer to require the authority or municipality to pledge security greater than the security pledged for the obligation being refunded.

This act is ordered to take immediate effect.
