A SUMMARY OF HOUSE BILL 5929 AS INTRODUCED 5-19-04

Public Act 156 of 1917 permits any city, village, township, county, and school district to operate a system of public recreation and playgrounds. The bill would prohibit a school district from holding an election to levy, increase, or renew a tax to support the recreation system after the bill's effective date.

FISCAL IMPACT:

This bill would have no state fiscal impact. However, school districts would not be able to hold elections to support recreation systems.
