Father, we come before You to begin a new day. We are grateful for this beautiful day that You have given us. We are grateful for the warm sunshine, warm temperatures, the green trees, the green grass, and the birds that sing for a few days without rain. For the many blessings that You bestow upon each one of us, blessings that we oftentimes take for granted, we are grateful for the opportunity to serve You in this place.

Thank You for the trust that has been instilled in each one of us by those whom we represent. We pray that You would help us to represent them honorably with integrity and with discernment. We ask today, as we deliberate many important issues, that You give us wisdom, that You guide and direct our speech, that You guide and direct our decisions.

Thank You for this holiday weekend, a time when we can celebrate our independence as a nation. As thousands of people across this state travel to and from their destinations, we ask that You would give traveling safety; that You would help them to have an enjoyable time. Help them to enjoy the beauty of this state that You have given to us.

Please help us today in all that we do, to mirror Your image through each one of us.

We pray these things in Jesus' name. Amen.

The following message from the Governor was received:

June 28, 2004

I am pleased to present to the Michigan Legislature the 12th comprehensive report on asset forfeiture. Michigan's asset forfeiture program saves taxpayers money and deprives drug criminals of cash and property obtained through illegal activity. Michigan's law enforcement community has done an outstanding job of stripping drug dealers of illicit gain and utilizing these proceeds to expand and enhance drug enforcement efforts to protect our citizens.

During 2003, over \$20 million in cash and assets amassed by drug traffickers was forfeited and put back into the fight against drugs through the use of state and federal forfeiture laws. Extensive multi-agency teamwork is evident in this report. Considerable assets were obtained as the result of joint enforcement involving several agencies at the federal, state, and local levels.

Forfeiture funds were used to further enforce drug laws by providing resources for drug enforcement personnel, needed equipment, undercover informant and investigative costs, and matching funds to obtain federal grants. Some of the forfeited assets were also used for drug and gang prevention education programs.

I commend our law enforcement community for the tremendous job they have done and submit this report for your information and review.

Sincerely,
Jennifer M. Granholm
Governor

Senate Resolution No. 281.

A resolution commemorating the 175th Anniversary of the settlement of the city of Jackson.

Whereas, On July 3, 1829, Horace Blackman and a group of settlers received permission to establish a new settlement along the Grand River where several major Indian trails converged. They called this settlement Jacksonburg in honor of the President of the United States, General Andrew Jackson; and

Whereas, The next decade saw Jackson become a vital boom town with a diverse trading and business community springing up to meet the needs of the many travelers. In 1841, for many of the same reasons that Jackson was first settled, the railroads decided to locate a central depot and a large number of facilities in Jackson; and

Whereas, On July 6, 1854, Jackson was chosen as the spot for a gathering of a group of antislavery activists, now known as Under the Oaks, and is nationally recognized as the birthplace of the Republican Party; and

Whereas, The city of Jackson has played an integral role in the growth and development of Michigan. After the Civil War, during which Jacksonian Austin Blair served Michigan as Governor, the economic boom continued with development of a large manufacturing base. In the early 1900s, the auto industry got its start here, with as many as nine different makes of automobiles being produced in Jackson; and

Whereas, Jackson has been called home by captains of industry, three astronauts, a Michigan Governor, war heroes, talented artists, and performers. The residents of the city of Jackson have also consistently demonstrated their leadership in areas ranging from business and industry to world politics; now, therefore, be it

Resolved by the Senate, That we hereby honor the city of Jackson as it commemorates its 175th birthday on July 3, 2004, and all who have made Jackson, Michigan, the great place that it is; and be it further

Resolved, That a copy of this resolution be transmitted to the city of Jackson as a token of our esteem and congratulations.

House Concurrent Resolution No. 63.

A concurrent resolution to increase the total project cost of the Roll Building Renovation project at Kellogg Community College.

Whereas, The Roll Building Renovation project at Kellogg Community College project was authorized in 2003 PA 237 with a total project cost of \$4,500,000; and

Whereas, Kellogg Community College has estimated that the total cost to complete the Roll Building Renovation project has increased to \$5,000,000; and

Whereas, Kellogg Community College has agreed to fund the increase in the project cost of \$500,000 from internal sources; and

Whereas, Pursuant to section 246 of 1984 PA 431, as amended, being MCL § 18.1246, the authorized cost of projects shall only be established or revised by specific reference in a budget act, by concurrent resolution adopted by both

houses of the legislature, or inferred by the total amount of any appropriations made to complete plans and construction; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That the Michigan Legislature recognizes the need to increase the total authorized cost for the Roll Building Renovation project at Kellogg Community College to an amount not to exceed \$5,000,000 (Kellogg Community College share \$3,375,000; State Building Authority share \$1,624,800; and the State General Fund/General Purpose share \$200) and that the legislature intends to continue to appropriate funds for construction subject to the limitations herein stated, in amounts not to exceed the authorized cost, subject to the ordinary vicissitudes of the legislative process; and be it further

Resolved, That copies of this resolution be transmitted to the State Budget Director, the Director of the Department of Management and Budget, and the Director of the Department of Agriculture.

The House of Representatives has adopted the concurrent resolution.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,

Senator Hammerstrom moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator Hammerstrom moved that the concurrent resolution be referred to the Committee on Appropriations.

The motion prevailed.

Senator Schauer was named co-sponsor of the concurrent resolution.

Statements

Senators Van Woerkom, Scott and George asked and were granted unanimous consent to make statements and moved that the statements be printed in the Journal.

The motion prevailed.

Senator Van Woerkom's statement is as follows:

Today we passed out some bills regarding ISDs. I think the package that we passed out here is a good package. I've talked to superintendents across the state, and they, too, believe it is a good package. We have had some unfortunate things happen with certain ISDs in our state, and as we investigated, we found that some things were lacking. So we put in recall provisions. We've put in some other accountability provisions, and we think we are at a good place right now with the ISDs.

I know that there are bills out there right now that call for further action. Maybe they are necessary and maybe not. What I feel is that ISDs perform a tremendous service to our school districts. They perform a number of services that many of our school districts would have real difficulty performing on their own. They create efficiencies out there, and so I am very hopeful that we will be able to continue to support our ISDs to the level of where they need support. I hope that these ISDs will be able to continue to function in their communities, as they work hard to provide services for our students and for their constituent school districts.

Senator Scott's statement is as follows:

Well, it's been a long week, and I know that my colleagues are anxious to get a jumpstart on this patriotic holiday weekend. I would like to wish all of you a very happy and relaxing holiday.

As we head back to our districts, with budget negotiations on our minds, I would, again, like to ask each of you to also consider the significant burden placed on many of our constituents who are making hefty insurance payments that, quite simply, they cannot afford. It is a serious problem and one that deserves the immediate attention of this body. It will not go away; it will not be resolved on its own. As legislators, we must take the necessary steps to correct the problems in our state's insurance system. And, I again, ask for the support of my colleagues in this effort.

Senator George's statement is as follows:

I rise to discuss comments made by the chairman of the Michigan Film Advisory Commission at its June 28 meeting. The Web site for the Michigan Film Office states that the office will make no endorsement of any film. Furthermore, the mission of the Film Office, which was placed in statute by this body in 2002, is to promote the film industry in Michigan.

I was surprised, therefore, to read that Governor Granholm's appointed chairman of the Film Advisory Commission, Mr. Geoffrey Fieger, used the opportunity of the commission's recent public hearing to announce that he is sponsoring a high school essay contest on Michael Moore's controversial film, *Fahrenheit 9/11*. Mr. Fieger announced that he will award a scholarship to the high school senior who writes the best essay on the movie.

Now, I understand that Mr. Fieger as a private citizen, has the right to do and say as he pleases, and I am not rising to debate the merits of, or lack of, the film itself, but I am very concerned, Mr. President. If this is indicative of how Mr. Fieger intends to run the Film Advisory Commission, I am very concerned for the future of the Film Office and the film industry in Michigan.

We have a burgeoning film industry here. There is an independent, \$1.5 million film being produced in my district right now. Michigan is the fourth leading state in the production of television commercials. We compete with other states and with Canada for this business.

Previous meetings of the Film Advisory Commission had focused on ways to lure the film industry to this state. The commission had taken a role in promoting tax-exemption legislation for filmmakers, such as was recently passed by the State House. The commission has worked to promote film festivals in Michigan and helped the Film Office in maintaining a production guide to film services available in Michigan. The advisory commission has helped promote Michigan as a destination for film location shoots.

Unfortunately, Michigan, and Detroit in particular, has routinely been bypassed as film locations. Even when a film's storyline is set in Detroit, the film is frequently shot elsewhere. Now, Mr. Fieger, in theory, could be an asset to the film commission. Using his contacts with the city of Detroit, he might be able to find ways to speed the permitting process for filmmakers wishing to shoot there. Or, using his contacts with unions, he might help filmmakers find film crews in Detroit, as film crews are unionized.

Sadly, instead, Mr. Fieger has chosen to politicize his film commission appointment by using it as a soapbox for his political agenda. Instead of helping to lure film production to Michigan, he has used his chairmanship of the commission as a platform to promote a film to high school students that most of them, because of its "R" rating, cannot even attend without an accompanying adult.

I ask my colleagues on the other side of the aisle how they would react if the state librarian used a Library of Michigan board meeting to promote a book signing with Rush Limbaugh? Mr. Fieger's actions make my job as chairman of the History, Arts, and Libraries Subcommittee harder. As someone who has defended funding for the arts and funding for the state Film Office, I will now have a harder time asking for funds from taxpayers because Mr. Fieger has politicized the commission.

On May 11, the Governor was quoted in *Gongwer* as saying, "I exhort the legislative leaders to work in a bipartisan fashion if they want something done. I really don't want Lansing to be a replica of Washington, D.C." Well, neither do I, Governor. Mr. Fieger's use of the film commission to hawk *Fahrenheit 9/11* is a tainting of the commission and his appointment a poor reflection on the Governor's judgment. I would ask the Governor to return the film commission to its bipartisan mission of promoting our state's film industry.
