A SUMMARY OF HOUSE BILLS 5747 & 5748 AS REPORTED FROM COMMITTEE

House Bill 5747 would amend the Michigan Penal Code (MCL 750.462a et al.) to add a new chapter, Chapter 57A, dealing with human trafficking. House Bill 5748 would make corresponding amendments to sentencing guidelines in the Code of Criminal Procedure MCL 777.16w). The two bills would take effect 90 days after their date of enactment.

The bills would describe the following crimes.

Forced Labor or Services

- Knowingly subjecting or attempting to subject another person to forced labor or services by causing or threatening to cause physical harm.
- Knowingly subjecting or attempting to subject another to forced labor or services by physically restraining or threatening to physically restrain.
- Knowingly subjecting or attempting to subject another to forced labor or services by abusing or threatening to abuse the law or legal process.
- Knowingly subjecting or attempting to subject another to forced labor or services by destroying, concealing, removing, confiscating, or possessing an actual or purported passport or other immigration document, or any other actual or purported government identification document.
- Knowingly subjecting or attempting to subject another to forced labor or services by using blackmail, using or threatening to cause financial harm, or exerting or threatening to exert financial control over another.
- Recruiting, enticing, harboring, transporting, providing, or obtaining by any means another person, intending or knowing that the person will be subjected to forced labor or services (or attempting any of those actions).

Each of the crimes listed above would be a felony punishable by up to 10 years imprisonment. If a violation caused another person injury, the term of imprisonment would be up to 15 years. If a violation caused the death of another person, the term of imprisonment would be life or any term of years.

The term "labor" would refer to *work of economic or financial value*. The term "services" would refer to *an ongoing relationship between one person and another in which the other person performs activities under the supervision of or for the benefit of the person, including commercial sexual activity and sexually explicit performances*.

Child Sexually Abusive Activity

Recruiting, enticing, harboring, transporting, providing, or obtaining by any means a minor knowing that the minor will be used for child sexually abusive activity.

This crime would be a felony carrying a penalty of imprisonment up to 20 years. The term "child sexually abusive activity" is defined in Section 145c of Chapter 20 of the Penal Code and refers to children performing certain listed sexual acts.

Kidnapping, Criminal Sexual Conduct, and Attempt to Kill

If a violation of Chapter 57A involved kidnapping, criminal sexual conduct (or an attempt), or attempt to kill, the defendant would be imprisoned for life or any term of years.

FISCAL IMPACT:

The bills would have an indeterminate fiscal impact on the state and no fiscal impact on local units of government. Costs would depend on how the bills affected numbers of felony convictions and lengths and types of sentences imposed. Any additional costs of incarceration or felony probation would be borne by the state; the average cost of incarceration in state prison is about \$30,000 per prisoner per year, and the average cost of parole/probation supervision is about \$2,000 per offender per year.

POSITIONS:

The Oakland County Prosecutor testified in support of the bill. (3-8-06)

The Michigan Coalition Against Domestic and Sexual Violence supports the bills in concept but is still reviewing them. (3-8-06)
