Senate Bill 1113 (as introduced 3-2-06)  
Sponsor: Senator Tom George  
Committee: Health Policy

Date Completed: 3-20-06

### **CONTENT**

The bill would amend the Public Health Code to require that the Department of Community Health, in consultation with the Department of Environmental Quality, develop a cleanup of clandestine drug labs guidance document, within one year after the bill's effective date. The document would have to include detailed protocols for the preliminary site assessment, remediation, and postcleanup assessment of indoor environments and structures.

MCL 333.12103

Legislative Analyst: J.P. Finet

### **FISCAL IMPACT**

The bill could create a small, indeterminate increase in administrative cost for the Department of Community Health associated with the creation of a report on the proper assessment and cleanup of illegal drug laboratories.
