Senate Bill 1114 (Substitute S-2 as reported)  
Sponsor: Senator Cameron S. Brown  
Committee: Health Policy

### **CONTENT**

The bill would amend Part 201 (Environmental Response) of the Natural Resources and Environmental Protection Act to require the Department of Environmental Quality to report to the Legislature on environmental contamination caused by releases that were associated with clandestine drug laboratories, that had been reported to the Department, and that were subject to response activity under Part 201. The report would have to be made to the legislative standing committees with jurisdiction over issues pertaining to natural resources and the environment.

The report would have to include all of the following:

- The number of releases described above.
- The status of the responses to the releases.
- The identity of the agency or department that undertook the response activity.

The Department would have to make the report within 12 months after the bill's effective date and biennially after that.

Proposed MCL 324.20112b
