

SENATE SUBSTITUTE FOR
HOUSE BILL NO. 4887

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending sections 11 and 17b (MCL 388.1611 and 388.1617b),
section 11 as amended by 2004 PA 518 and section 17b as amended by
2000 PA 297.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 11. (1) ~~In addition to all other appropriations under~~
2 ~~this act for that fiscal year, for the fiscal year ending September~~
3 ~~30, 2004, there is appropriated to the state school aid fund from~~
4 ~~the unreserved balance in the general fund an amount equal to any~~
5 ~~deficit balance that would otherwise exist in the state school aid~~
6 ~~fund at bookclosing for the fiscal year ending September 30, 2004.~~

1 For the fiscal year ending September 30, ~~2005~~ **2006**, there is
2 appropriated for the public schools of this state and certain other
3 state purposes relating to education the sum of ~~\$10,909,200,000.00~~
4 \$_____.00 from the state school aid fund established by
5 section 11 of article IX of the state constitution of 1963 and the
6 sum of ~~\$264,700,000.00~~ \$_____.00 from the general fund. In
7 addition, available federal funds are appropriated for each of
8 those fiscal years.

9 (2) The appropriations under this section shall be allocated
10 as provided in this act. Money appropriated under this section from
11 the general fund shall be expended to fund the purposes of this act
12 before the expenditure of money appropriated under this section
13 from the state school aid fund. If the maximum amount appropriated
14 under this section from the state school aid fund for a fiscal year
15 exceeds the amount necessary to fully fund allocations under this
16 act from the state school aid fund, that excess amount shall not be
17 expended in that state fiscal year and shall not lapse to the
18 general fund, but instead shall be deposited into the school aid
19 stabilization fund created in section 11a.

20 (3) If the maximum amount appropriated under this section from
21 the state school aid fund and the school aid stabilization fund for
22 a fiscal year exceeds the amount available for expenditure from the
23 state school aid fund for that fiscal year, payments under sections
24 11f, 11g, 11j, 22a, 26a, 31d, 51a(2), 51a(12), 51c, 53a, and 56
25 shall be made in full. In addition, for districts beginning
26 operations after 1994-95 that qualify for payments under section
27 22b, payments under section 22b shall be made so that the

1 qualifying districts receive the lesser of an amount equal to the
2 1994-95 foundation allowance of the district in which the district
3 beginning operations after 1994-95 is located or \$5,500.00. The
4 amount of the payment to be made under section 22b for these
5 qualifying districts shall be as calculated under section 22a, with
6 the balance of the payment under section 22b being subject to the
7 proration otherwise provided under this subsection and subsection
8 (4). Subject to subsection (5), if proration is necessary after
9 2002-2003, state payments under each of the other sections of this
10 act from all state funding sources shall be prorated in the manner
11 prescribed in subsection (4) as necessary to reflect the amount
12 available for expenditure from the state school aid fund for the
13 affected fiscal year. However, if the department of treasury
14 determines that proration will be required under this subsection,
15 or if the department of treasury determines that further proration
16 is required under this subsection after an initial proration has
17 already been made for a fiscal year, the department of treasury
18 shall notify the state budget director, and the state budget
19 director shall notify the legislature at least 30 calendar days or
20 6 legislative session days, whichever is more, before the
21 department reduces any payments under this act because of the
22 proration. During the 30 calendar day or 6 legislative session day
23 period after that notification by the state budget director, the
24 department shall not reduce any payments under this act because of
25 proration under this subsection. The legislature may prevent
26 proration from occurring by, within the 30 calendar day or 6
27 legislative session day period after that notification by the state

1 budget director, enacting legislation appropriating additional
2 funds from the general fund, countercyclical budget and economic
3 stabilization fund, state school aid fund balance, or another
4 source to fund the amount of the projected shortfall.

5 (4) Subject to subsection (5), if proration is necessary, the
6 department shall calculate the proration in district and
7 intermediate district payments that is required under subsection
8 (3) as follows:

9 (a) The department shall calculate the percentage of total
10 state school aid allocated under this act for the affected fiscal
11 year for each of the following:

12 (i) Districts.

13 (ii) Intermediate districts.

14 (iii) Entities other than districts or intermediate districts.

15 (b) The department shall recover a percentage of the proration
16 amount required under subsection (3) that is equal to the
17 percentage calculated under subdivision (a)(i) for districts by
18 reducing payments to districts. This reduction shall be made by
19 calculating an equal dollar amount per pupil as necessary to
20 recover this percentage of the proration amount and reducing each
21 district's total state school aid from state sources, other than
22 payments under sections 11f, 11g, 11j, 22a, 26a, 31d, 51a(2),
23 51a(12), 51c, and 53a, by that amount.

24 (c) The department shall recover a percentage of the proration
25 amount required under subsection (3) that is equal to the
26 percentage calculated under subdivision (a)(ii) for intermediate
27 districts by reducing payments to intermediate districts. This

1 reduction shall be made by reducing the payments to each
2 intermediate district, other than payments under sections 11f, 11g,
3 26a, 51a(2), 51a(12), 53a, and 56, on an equal percentage basis.

4 (d) The department shall recover a percentage of the proration
5 amount required under subsection (3) that is equal to the
6 percentage calculated under subdivision (a)(iii) for entities other
7 than districts and intermediate districts by reducing payments to
8 these entities. This reduction shall be made by reducing the
9 payments to each of these entities, other than payments under
10 sections 11j and 26a, on an equal percentage basis.

11 (5) Beginning in 2004-2005, if a district has an emergency
12 financial manager in place under the local government fiscal
13 responsibility act, 1990 PA 72, MCL 141.1201 to 141.1291, payments
14 to that district are not subject to proration under this section.

15 (6) Except for the allocation under section 26a, any general
16 fund allocations under this act that are not expended by the end of
17 the state fiscal year are transferred to the state school aid fund.
18 ~~If it is determined at the May 2005 revenue estimating conference~~
19 ~~conducted under section 367b of the management and budget act, 1984~~
20 ~~PA 431, MCL 18.1367b, that there is additional school aid fund~~
21 ~~revenue beyond that determined at the May 2004 revenue estimating~~
22 ~~conference, then it is the intent of the legislature to enact~~
23 ~~legislation to fund, to the extent that revenues are available, the~~
24 ~~same programs in the same amount that were funded under section 81~~
25 ~~in 2003 PA 236 and the same pupil membership formula as in effect~~
26 ~~under 2003 PA 236.~~

27 Sec. 17b. (1) Not later than October 20, November 20, December

1 20, January 20, February 20, March 20, April 20, May 20, June 20,
2 July 20, and August 20, the department shall prepare a statement of
3 the amount to be distributed under this act in the installment to
4 the districts and intermediate districts and deliver the statement
5 to the state treasurer, and the state treasurer shall pay the
6 installments on each of those dates or, if the date is not a
7 business day, on the immediately preceding business day before that
8 date. Except as otherwise provided in this act, the portion of the
9 district's or intermediate district's state fiscal year entitlement
10 to be included in each installment shall be 1/11. A district or
11 intermediate district shall accrue the payments received in July
12 and August to the school fiscal year ending the immediately
13 preceding June 30.

14 (2) The state treasurer shall make payment under this section
15 by drawing a warrant in favor of the treasurer of each district or
16 intermediate district for the amount payable to the district or
17 intermediate district according to the statement and delivering the
18 warrant to the treasurer of each district or intermediate district,
19 or if the state treasurer receives a written request by the
20 treasurer of the district or intermediate district specifying an
21 account, by electronic funds transfer to that account of the amount
22 payable to the district or intermediate district according to the
23 statement. The department may make adjustments in payments made
24 under this section through additional payments when changes in law
25 or errors in computation cause the regularly scheduled payment to
26 be less than the amount to which the district or intermediate
27 district is entitled pursuant to this act.

1 (3) Except as otherwise ~~specified~~ **PROVIDED** in this act, grant
2 payments under this act shall be paid according to subsection (1).

3 (4) Upon the written request of a district or intermediate
4 district and the submission of proof satisfactory to the department
5 of a need of a temporary and nonrecurring nature, the
6 superintendent, with the written concurrence of the state treasurer
7 and the state budget director, may authorize an advance release of
8 funds due a district or intermediate district under this act. ~~Such~~
9 ~~an~~ **AN** advance **AUTHORIZED UNDER THIS SUBSECTION** shall not cause
10 funds to be paid to a district or intermediate district more than
11 30 days earlier than the established payment date for those funds.
