David Law, McConico, Moolenaar, Moore, Sak, Stahl, Taub and Ward**

ENROLLED HOUSE BILL No. 4012

AN ACT to amend 1986 PA 281, entitled "An act to encourage local development to prevent conditions of unemployment and promote economic growth; to provide for the establishment of local development finance authorities and to prescribe their powers and duties; to provide for the creation of a board to govern an authority and to prescribe its powers and duties; to provide for the creation and implementation of development plans; to authorize the acquisition and disposal of interests in real and personal property; to permit the issuance of bonds and other evidences of indebtedness by an authority; to prescribe powers and duties of certain public entities and state officers and agencies; to reimburse authorities for certain losses of tax increment revenues; and to authorize and permit the use of tax increment financing," by amending sections 4 and 16 (MCL 125.2154 and 125.2166), section 4 as amended by 2000 PA 248.

The People of the State of Michigan enact:

Sec. 4. (1) The governing body of a municipality may declare by resolution adopted by a majority of its members elected and serving its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body proposing to create the authority shall set a date for holding a public hearing on the adoption of a proposed resolution creating the authority and designating the boundaries of the authority district or districts. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 nor more than 40 days before the date of the hearing. Not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in a proposed authority district and, for a public hearing to be held after February 15, 1994, to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure of a property taxpayer to receive the notice shall not invalidate these proceedings. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed authority district or districts. At that hearing, a resident, taxpayer, or property owner from a taxing jurisdiction in which the proposed district is located or an official from a taxing jurisdiction with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of that proposed authority district. The governing body of the

municipality in which a proposed district is to be located shall not incorporate land into an authority district not included in the description contained in the notice of public hearing, but it may eliminate lands described in the notice of public hearing from an authority district in the final determination of the boundaries.

(3) Not more than 60 days after a public hearing held after February 15, 1994, the governing body of a taxing jurisdiction with millage that would otherwise be subject to capture may exempt its taxes from capture by adopting a resolution to that effect and filing a copy with the clerk of the municipality proposing to create the authority. However, a resolution by a governing body of a taxing jurisdiction to exempt its taxes from capture is not effective for the capture of taxes that are used for a certified technology park. The resolution takes effect when filed with that clerk and remains effective until a copy of a resolution rescinding that resolution is filed with that clerk.

(4) Not less than 60 days after the public hearing, if the governing body creating the authority intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members elected and serving, a resolution establishing the authority and designating the boundaries of the authority district or districts within which the authority shall exercise its powers. The adoption of the resolution is subject to any applicable statutory or charter provisions with respect to the approval or disapproval of resolutions by the chief executive officer of the municipality and the adoption of a resolution over his or her veto. This resolution shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(5) The governing body may alter or amend the boundaries of an authority district to include or exclude lands from that authority district or create new authority districts pursuant to the same requirements prescribed for adopting the resolution creating the authority.

(6) The validity of the proceedings establishing an authority shall be conclusive unless contested in a court of competent jurisdiction within 60 days after the last of the following takes place:

- (a) Publication of the resolution creating the authority as adopted.
- (b) Filing of the resolution creating the authority with the secretary of state.

(7) Except as otherwise provided by this subsection, if 2 or more municipalities desire to establish an authority under section 3(2), each municipality in which the authority district will be located shall comply with the procedures prescribed by this act. The notice required by subsection (2) may be published jointly by the municipalities establishing the authority. The resolutions establishing the authority shall include, or shall approve an agreement including, provisions governing the number of members on the board, the method of appointment, the members to be represented by governmental units or agencies, the terms of initial and subsequent appointments to the board, the manner in which a member of the board may be removed for cause before the expiration of his or her term, the manner in which the authority may be dissolved, and the disposition of assets upon dissolution. An authority described in this subsection shall not be considered established unless all of the following conditions are satisfied:

(a) A resolution is approved and filed with the secretary of state by each municipality in which the authority district will be located.

(b) The same boundaries have been approved for the authority district by the governing body of each municipality in which the authority district will be located.

(c) The governing body of the county in which a majority of the authority district will be located has approved by resolution the creation of the authority.

Sec. 16. (1) Before adoption of a resolution approving or amending a development plan or approving or amending a tax increment financing plan, the governing body shall hold a public hearing on the development plan. Notice of the time and place of the hearing shall be given by publication twice in a newspaper of general circulation designated by the municipality, the first of which shall not be less than 20 days before the date set for the hearing. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the development plan or the tax increment financing plan is approved or amended.

(2) Notice of the time and place of hearing on a development plan shall contain the following:

- (a) A description of the property to which the plan applies in relation to highways, streets, streams, or otherwise.
- (b) A statement that maps, plats, and a description of the development plan, including the method of relocating families and individuals who may be displaced from the area, are available for public inspection at a place designated in the notice, and that all aspects of the development plan will be open for discussion at the public hearing.
- (c) Other information that the governing body considers appropriate.

(3) At the time set for hearing, the governing body shall provide an opportunity for interested persons to be heard and shall receive and consider communications in writing with reference to the matter. The hearing shall provide the fullest opportunity for expression of opinion, for argument on the merits, and for introduction of documentary evidence pertinent to the development plan. The governing body shall make and preserve a record of the public hearing, including all data presented at that time.

This act is ordered to take immediate effect.

Clerk of the House of Representatives

Secretary of the Senate
