OVERVIEW

House Bill 4492 (H-2) contains GF/GP budget reductions totaling \$139.7 million. Potential General Fund savings totaling \$167.9 million have been identified through the use of restricted funds. Total General Fund savings from budget reductions and the use of restricted funds would be \$307.6 million.

House Bill 4492 (H-2) also contains net positive GF/GP supplemental appropriations, consisting mainly of Executive supplemental recommendations, totaling \$209.2 million. The net impact of budget reductions and these net positive adjustments is a total GF/GP appropriation of positive \$69.5 million. With a few exceptions, the items in this bill mirror those in the (CR-1) conference report for Senate Bill 220.

Negotiations regarding Senate Bill 220 also identified General Fund savings totaling \$167.9 million that could be achieved through the use of state restricted funds; those savings are identified in the table below. The use of these restricted funds to achieve General Fund savings would require separate statutory action in order to be realized.

The total General Fund savings resulting from budget reductions in House Bill 4492 (H-2) and the restricted fund items identified below would be \$307.6 million.

67. Forest Recreation and Trails Nine (9) forest campgrounds would be closed, and 9 short term worker positions would be eliminated. Reduces development and maintenance support for non-motorized trails (for example: hiking, motocross and horse riding trails).	Gross GF/GP	\$0 \$0	(\$75,000) (\$75,000)	
68. Information Technology Reduces support of Department internet-based campground reservation and game and fish licensing systems, the Center for Geographic Information, and the Michigan Public Safety Communications System.	Gross GF/GP	\$0 \$0	(\$100,000) (\$100,000)	
DEPARTMENT OF STATE 69. General Fund Reductions Reduces Department Services Operations (\$26,600), Regulatory Services Operations (\$48,800), Branch Operations (\$540,900), and Central Operations (\$141,600) line items.	Gross GF/GP	\$0 \$0	(\$757,900) (\$757,900)	
STATE POLICE 70. Uniform Services Increases GF/GP support by \$1.2 million to avoid trooper layoffs.	Gross GF/GP	\$0 \$0	\$1,200,000 \$1,200,000	
TREASURY 71. Revenue Enhancement Program Reduces funding for the Revenue Enhancement Program. Reductions would likely be incurred in the areas of customer contact, tax policy, and information technology. The department has indicated that the core functions of the program (enhancing revenue collections through personal property audits and principal residence exemptions) and related auditing and enforcement would receive priority. However, this program was cut \$350,000 by EO 2007-3. The FY 2007-08 funding proposal for the revenue enhancement program eliminates funding and 3.0 FTE positions for customer contact and information technology.	Gross GF/GP	\$0 \$0	(\$500,000) (\$500,000)

72. Senior Citizen Cooperative Housing Tax Exemption Boilerplate permits the department to contract with private firms to appraise and, if necessary, appeal the assessments of senior citizen cooperative housing units which are exempt from property taxes under the General Property Tax Act and for which the department reimburses local units for lost tax revenue. There are about 180 of these facilities. In recent years the department has had some success in appealing the assessments, resulting in lower payments to local units.	Gross GF/GP	\$0 \$0	(\$902,500) (\$902,500)	
73. Lottery Promotion and Advertising The Lottery has committed more than \$17.3 million in advertising through a private agency.
