*Reflects pending Executive supplemental requests and portion of FY 2006-07 Capital Outlay Executive Recommendation.

OVERVIEW

House Bill 4493 (H-4), a substitute to the Senate-passed version of the bill, contains several major categories of FY 2006-07 supplemental appropriations:

- 1) All currently-pending non-GF/GP Executive supplemental requests, along with several pending GF/GP items.
- 2) GF/GP appropriations for consensus caseload and expenditure adjustments related to projected shortfalls in the Community Health, Corrections, and Human Services budgets.
- 3) Federal and restricted fund appropriations in the Capital Outlay budget that were previously included in the FY 2006-07 Capital Outlay
(continued on next page)

budget bill vetoed in December 2006 (with some technical adjustments). Major items include \$16.2 million for boating projects, \$18.9 million for MDOT building construction/maintenance, and \$6.7 million for DMVA maintenance projects.

4) Fund source shifts in the Higher Education and Treasury budgets to realize \$160.0 million in GF/GP savings through the use of restricted funding sources.

5) Restoration or partial restoration of three previously-enacted budget reductions in the Community Health and State Police budgets.

Restricted	5,143,100	3,554,600	3,554,600

CIVIL RIGHTS**32. Training for Real Estate Agents**

Funding to provide training to real estate agents on activities associated with fair housing practices. A portion of the fees paid by real estate agents will be used to fund the training program.

Gross	\$55,000	\$55,000	\$55,000
Restricted	55,000	55,000	55,000

33. Funding for Training of Victims of Criminal Acts (VOCA)

Appropriates available federal funds to be used to pay for training of victims of criminal acts. The funds will also be used for creating an on-line directory of resources that victims can access.

Gross	\$221,000	\$221,000	\$221,000
IDG	221,000	221,000	221,000

FY 2006-07 Appropriation Items:**COMMUNITY HEALTH****34. Consensus Caseload Adjustments**

The Executive adjusts Medicaid funding levels for multiple appropriation lines to reflect the consensus FY 2006-07 expenditures agreed to by the House and Senate Fiscal Agencies and the State Budget Office. The Senate concurs but fund sources differently. House (H-4) substitute makes technical adjustment to federal and restricted fund sources.

	<u>Executive</u>	<u>Senate</u>	<u>House (H-4)</u>
Gross	\$238,987,500	\$238,987,500	\$238,987,500
Federal	118,650,600	106,876,000	118,650,600
Restricted	(5,887,300)	5,887,300	(5,887,300)
GF/GP	\$126,224,200	\$126,224,200	\$126,224,200

35. CMH Direct Care Workers

Adds \$7.3 million gross (\$3.8 million GF/GP) to the budget to fully fund the 2.0% wage increase for direct care workers in community mental health settings as \$10.4 million gross (\$4.5 million GF/GP) was insufficient to cover the increase.

Gross	\$7,300,000	\$7,300,000	\$7,300,000
Federal	3,157,300	3,157,300	3,157,300
Restricted	336,000	336,000	336,000
GF/GP	\$3,806,700	\$3,806,700	\$3,806,700

36. Middle School Health Promotion

Recognizes \$700,000 of a new 3-year grant from the W. K. Kellogg Foundation for middle school student-led programs in underserved communities to improve health related behaviors and address health disparities as a new Promotion of Healthy Behaviors appropriation line item. Funding authorization has also been requested for FY 2007-08 by the Executive.

Gross	\$700,000	\$700,000	\$700,000
Private	700,000	700,000	700,000

37. Vital Records System Enhancements

Adds 3.0 FTEs and appropriates \$2.5 million from a new federal Medicaid Transformation grant to enhance the state vital records system and interfaces, providing benefit to the Medicaid program of improved speed and accuracy of validation of vital events and citizenship for eligibility determination.

Gross	\$2,500,000	\$2,500,000	\$2,500,000
Federal	2,500,000	2,500,000	2,500,000

38. Credentialing Database for Health Care Providers

Adds \$3.1 million to the Health Professions line item to recognize a new federal Medicaid Transformation grant that would be used for the development of a "one source" credentialing database for licensed health care professionals and facilities. Five FTE positions would be responsible for carrying out these activities.

Gross	\$3,100,000	\$3,100,000	\$3,100,000
Federal	3,100,000	3,100,000	3,100,000

39. Morris Hood Diabetes Outreach Program

House-passed bill reinstated \$100,000 of state restricted Healthy Michigan Funds for the Morris Hood Wayne State University diabetes outreach program by retrieving the funds from the Medical Services Hospital and Therapy line item, and replacing the latter with GF/GP. These adjustments reverse changes made in Enrolled SB 436. Senate restores \$25,000 of Healthy Michigan Funds to the program by reducing Healthy Michigan Funds appropriated to the Pregnancy Prevention Program by a like amount. House (H-4) substitute concurs with Senate.

Gross	\$0	\$0	\$0
Restricted	0	0	0
GF/GP	\$0	\$0	\$0

40. Women, Infants, and Children Food and Nutrition Program

An additional \$10.7 million of federal grant funds for the Special Supplemental Nutrition Program for Women, Infants, and Children is available: \$10.0 million for food costs, based on increases in caseload and food prices (2 supplemental requests), and \$713,000 for administration. WIC participation was 229,770 in FY 2005-06, and has increased since FY 2001-02. (3/15/07 and 6/8/07 SBO letters)

Gross	\$10,713,000	\$10,713,000	\$10,713,000
Federal	10,713,000	10,713,000	10,713,000

41. Crime Victim Program Funding for Michigan State Police

Appropriates \$1.0 million of state restricted Crime Victim's Rights Fund available balance for interdepartmental grant to Department of State Police, to replace GF/GP, for costs for the sex offender registry, amber alert missing child notification system, polygraph tests and forensic science expert witness testimony programs. Statutory revisions will be required for these new uses of the Fund.

Gross	\$1,033,200	\$1,033,200	\$1,033,200
Restricted	1,033,200	1,033,200	1,033,200

FY 2006-07 Appropriation Items:**42. Increase MACI Hospital Payment To Upper Payment Limit**

Increases authorization within the Hospital Services and Therapy line item by \$23.4 million gross to increase Medicaid Access to Care Initiative (MACI) payments to hospitals up to the upper payment limit. The increase is funded with \$10.2 million of state restricted Quality Assurance Assessment (QAAP) revenue and federal Medicaid matching funds of \$13.2 million. A similar adjustment has been proposed in the FY 2007-08 Executive budget recommendation.

	Executive	Senate	House (H-4)
Gross	\$23,400,000	\$23,400,000	\$23,400,000
Federal	13,192,900	13,192,900	13,192,900
Restricted	10,207,100	10,207,100	10,207,100

43. Hospital and Nursing Home QAAP Adjustment

The House-passed bill increased the Hospital Services and Therapy line item by \$7.4 million gross (\$3.2 million GF/GP), reversing a reduction that was included in PA 17 of 2007, authorizing the state to retain \$3.2 million of hospital QAAP revenue. The Senate concurs with the House but also reverses the nursing home reduction included in PA 17 of 2007. House (H-4) substitute concurs with Senate.

Gross	\$0	\$14,808,400	\$14,808,400
Federal	0	8,349,000	8,349,000
GF/GP	\$0	\$6,459,400	\$6,459,400

44. Pharmaceutical Services Adjustment

The Pharmaceutical Services line is increased by \$235.8 million resulting from the transfer of \$149.1 million from the Medicaid Mental Health Services line and \$86.7 million from the Health Plan Services line. The carve-ins for anti-depressants and anti-psychotics were anticipated to generate additional provider assessment revenue thereby generating GF/GP savings. Federal approval of the carve-ins does not seem likely in FY 2006-07. (Executive, Senate, and House (H-4) Substitute include this item.)

Gross	\$0	\$0	\$0
Federal	0	0	0
GF/GP	\$0	\$0	\$0

45. MIChoice Funding Increase

The Senate transfers from the Long-Term Care Services line to the Home and Community-Based Services Waiver line \$17.6 million gross (\$7.7 million GF/GP) to support additional transitions from nursing homes to a home or community-based setting. This item was not included in the original House-passed bill and the Executive's 6/1/07 SBO letter did not request the transfer but did request additional funding in the amount of \$16.7 million gross (\$7.7 million GF/GP). House (H-4) substitute concurs with Senate.

Gross	\$16,778,000	\$0	\$0
Federal	9,088,600	0	0
GF/GP	\$7,689,400	\$0	\$0

46. Funding Shifts

The Executive proposes various revenue source adjustments resulting in a \$4.2 million gross (\$14.5 million GF/GP) increase within the Medical Services appropriation unit. The adjustments include retroactive special financing savings of \$2.4 million GF/GP and an additional \$16.4 million of Merit Award Trust fund revenue which offsets an equal amount of GF/GP. Shortfalls of \$12.0 million state restricted revenue due to lower certified public expenditures and \$21.3 million of Medicaid Benefits Trust Fund revenue are offset with \$33.3 million of GF/GP. The Senate and House (H-4) substitute concur with the gross number but fund source the \$2.4 million GF/GP savings differently, and include \$8,358,000 of additional Merit Award Trust Fund savings.

FY 2006-07 Appropriation Items:**70. State Disability Assistance**

Increases spending authority by \$2.0 million for the State's cash assistance program for disabled adults without children. Action recognizes consensus caseload estimate of 11,137, up from 10,600 as currently budgeted. The Senate included an additional \$800,000 appropriation from Supplemental Security Income recovery revenues. This action was requested informally by the State Budget Office to recognize additional recovery revenue. The action will also allow \$800,000 in existing GF/GP to be transferred elsewhere in the budget to address current shortfalls described in the June 1 letter to the Legislature on estimated over-expenditures. House (H-4) substitute concurs with Senate.

Repeals Sec. 627 of Article 10 of the FY 2006-07 omnibus budget act (2006 PA 345). This section appropriated up to \$1.7 million to finance "Enhance Quality Improvement Program" (EQUIP) grants aimed at assisting current day care providers and establishing new family and group day care homes. These funds were eliminated by the DHS in FY 2005-06 in order to finance the Great Start Collaborative grants administered by the ECIC. However, the Legislature restored the appropriation for the EQUIP grants in the FY 2006-07 budget.
