### Overview

The Department of Human Services (DHS) administers a wide range of programs and services to assist Michigan's most vulnerable families, including public assistance programs that provide direct cash support as well as assistance with food, day care and other emergency needs. The Department is also charged with protecting children and assisting families by administering foster care, adoption and family preservation programs, and by enforcing child support laws. Finally, the DHS is responsible for delivering juvenile justice services and for licensing day care, adult foster care, and child welfare agencies in the state.

<b>4. Family Independence Program Benefit Increase</b>	<b>Gross</b>	<b>\$373,936,400</b>	<b>\$7,484,400</b>	<b>\$7,484,400</b>
House Committee and Executive both increase the maximum Family Independence Program cash assistance benefit for low-income families by \$3.00 per person per month. This would boost the payment level for a typical family of three with no other income from \$489 per month to \$498 per month, or just under 2%. Payment standard tables were revised in May 2006 in an action that lead to benefit increases for most families, but also reduced payment levels to a large number of families. The last general increase for all families was implemented in 1990.	Federal	90,026,800	0	0

Executive increases funding for the annual clothing allowance for FIP families from \$43 per child as provided during FY 2006-07 to an estimated \$75 per child for FY 2008-09. Clothing allowance payments are made in July and/or August preceding the oncoming school year, and are intended to help with clothing purchases. The clothing allowance had been \$75 per child in FY 2000-01 and FY 2001-02, but has been reduced since that time. The House Committee's proposal further increases the clothing allowance to \$100 per child.	GF/GP	\$7,167,500	\$3,920,500	\$6,983,500
<b>7. State Disability Assistance Benefit Increase</b>	<b>Gross</b>	<b>\$33,798,200</b>	<b>\$1,269,300</b>	<b>\$1,269,300</b>

Around 99% of recipients are single disabled adults. These persons would see their monthly benefit rise from \$264 per month to \$269 per month under the proposal, or about a 2% increase. Both the Executive and House Committee's budget recognize a change in federal law under which the federal government will now share in the costs of providing a child support pass-through to households receiving public assistance. Federal law allows Michigan to retain child support collections for families receiving public assistance as reimbursement for state-funded support. However, states may elect to pass-through a given amount of this support directly to the family and forego reimbursement. Michigan has allowed a \$50 monthly pass-through for this purpose. Beginning in FY 2008-09, the federal government will share in the cost of providing the pass-through, leading to GF/GP savings of around \$5.3 million.	Federal	90,026,800	0	0

<b>12. FIP and Retroactive SSI Payments</b>	<b>Gross</b>	<b>\$373,936,400</b>	<b>\$0</b>	<b>\$0</b>
Executive and House Committee include a change in state policy regarding retroactive lump-sum payments of federal Supplemental Security Income (SSI) payments to FIP households. Beginning October 1, 2008, the state would retain a portion of these payments as reimbursement for prior FIP support. Under the previous policy, the family received the entire lump sum payment. Additional retained revenue would reduce GF/GP need for FIP program.	Federal	90,026,800	0	0

Both the Executive and House Committee redirect \$7.3 million in appropriations that were originally to cover services to FIP clients through Michigan Rehabilitation Services in order to provide 63 new positions within DHS for FIP caseworkers and another 20 related supervisory and administrative support positions. MRS funding was not being fully utilized, which allowed for the redirection.	<b>Gross</b>	<b>\$17,980,800</b>	<b>\$0</b>	<b>\$0</b>

<b>16. Reverse Title IV-E Funding Assumptions</b>	<b>Gross</b>	<b>N/A</b>	<b>(\$12,054,900)</b>	<b>(\$8,564,700)</b>
Executive reverses funding assumptions included in the FY 2007-08 enacted budget bill related to Title IV-E eligibility for foster care and Child Care Fund cases. The enacted budget assumed a significant increase in Title IV-E eligibility for these cases due to additional staffing and reforms included in that budget.
