PROVISIONS CONCERNING APPROPRIATIONS

GENERAL SECTIONS

Sec. 201. In accordance with the provisions of section 30 of article IX of the state constitution of 1963, total state spending from state resources in this appropriation act for the fiscal year ending September 30, 2009 is \$15,105,400.00 and state appropriations paid to local units of government are \$0.

Sec. 202. The appropriations made and expenditures authorized under this act and the departments, commissions, boards, offices, and programs for which appropriations are made under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. As used in this act:

(a) "Department" means the Michigan department of education.

(b) "District" means a local school district as defined in

1 section 6 of the revised school code, 1976 PA 451, MCL 380.6, or a
2 public school academy as defined in section 5 of the revised school
3 code, 1976 PA 451, MCL 380.5.

4 (c) "FTE" means full-time equated.

5 Sec. 204. The department of civil service shall bill
6 departments and agencies at the end of the first fiscal quarter for
7 the 1% charge authorized by section 5 of article XI of the state
8 constitution of 1963. Payments shall be made for the total amount
9 of the billing by the end of the second fiscal quarter.

10 Sec. 205. The department shall use the Internet to fulfill the
11 reporting requirements of this act. This requirement may include
12 transmission of reports via electronic mail to the recipients
13 identified for each reporting requirement, or it may include
14 placement of reports on an Internet or Intranet site.

15 Sec. 206. The department shall provide through the Internet
16 the state board of education agenda and all supporting documents,
17 and shall notify the state budget director and the senate and house
18 fiscal agencies that the agenda and supporting documents are
19 available on the Internet, at the time the agenda and supporting
20 documents are provided to state board of education members.

21 Sec. 207. (1) Upon receipt of the federal drug-free grant, the
22 department shall allocate \$225,000.00 of the grant to the safe
23 school program within the department. The safe school program shall
24 work with local school boards, parents of enrolled students, law
25 enforcement agencies, community leaders, and the office of drug
26 control policy for the prevention of school violence. The safe
27 school program shall develop and implement, and serve as

1 coordinator of, a statewide clearinghouse for information, program
2 development, model programs and policies, and technical assistance
3 on school violence prevention.

4 (2) To accomplish its functions under this section, the safe
5 school program shall do all of the following:

6 (a) Coordinate with the office of drug control policy in the
7 department of community health to ensure that there is a meaningful
8 linkage between the efforts under this act to provide safe schools
9 and the initiatives undertaken through that office, including, but
10 not limited to, school districts' safe and drug-free school plans,
11 and to facilitate timely applications for and distribution of
12 available grant money.

13 (b) Provide through the Internet the availability to access,
14 and provide through the Internet information regarding, the state
15 model policy on locker searches, the state model policy on firearm
16 safety and awareness, and any other state or local safety policies
17 that the office considers exemplary.

18 (c) Advance, promote, and encourage the awareness and use of
19 the state police anti-violence hotline.

20 Sec. 208. The department shall require all public school
21 districts to maintain complete records within the personnel file of
22 a teacher or school employee of any disciplinary actions taken by
23 the local school board against the teacher or employee for sexual
24 misconduct. The records shall not be destroyed or removed from the
25 teacher's or employee's personnel file except as required by a
26 court order.

27 Sec. 209. From the funds appropriated in part 1 for

1 information technology, departments and agencies shall pay user
2 fees to the department of information technology for technology-
3 related services and projects. Such user fees shall be subject to
4 provisions of an interagency agreement between the departments and
5 the department of information technology.

6 Sec. 210. Amounts appropriated in part 1 for information
7 technology may be designated as work projects and carried forward
8 to support technology projects under the direction of the
9 department of information technology. Funds designated in this
10 manner are not available for expenditure until approved as work
11 projects under section 451a of the management and budget act, 1984
12 PA 431, MCL 18.1451a.

13 Sec. 211. Before publishing a list of schools or districts
14 determined to have failed to make adequate yearly progress as
15 required by the no child left behind act of 2001, Public Law 107-
16 110, the department shall allow a school or district to appeal that
17 determination. The department shall consider and act upon the
18 appeal within 30 days after it is submitted and shall not publish
19 the list until after all appeals have been considered and decided.

20 Sec. 212. Funds appropriated in part 1 shall not be used for
21 the purchase of foreign goods or services, or both, if
22 competitively priced and comparable quality American goods or
23 services, or both, are available. Preference shall be given to
24 goods or services, or both, manufactured or provided by Michigan
25 businesses if they are competitively priced and of comparable
26 quality. In addition, preference shall be given to goods or
27 services, or both, manufactured or provided by Michigan businesses

1 owned and operated by veterans if they are competitively priced and
2 of comparable quality.

3 Sec. 213. (1) A hiring freeze is imposed on the state
4 classified civil service. State departments and agencies are
5 prohibited from hiring any new full-time state classified civil
6 service employees and prohibited from filling any vacant state
7 classified civil service positions. This hiring freeze does not
8 apply to internal transfers of classified employees from 1 position
9 to another within a department.

10 (2) The state budget director may grant exceptions to this
11 hiring freeze when the state budget director believes that the
12 hiring freeze will result in rendering a state department or agency
13 unable to deliver basic services, cause loss of revenue to the
14 state, result in the inability of the state to receive federal
15 funds, or necessitate additional expenditures that exceed any
16 savings from maintaining a vacancy. The state budget director shall
17 report quarterly to the chairpersons of the senate and house of
18 representatives standing committees on appropriations the number of
19 exceptions to the hiring freeze approved during the previous
20 quarter and the reasons to justify the exception.

21 Sec. 214. (1) Due to the current budgetary problems in this
22 state, out-of-state travel for the fiscal year ending September 30,
23 2009 shall be limited to situations in which 1 or more of the
24 following conditions apply:

25 (a) The travel is required by legal mandate or court order or
26 for law enforcement purposes.

27 (b) The travel is necessary to protect the health or safety of

1 Michigan citizens or visitors or to assist other states in similar
2 circumstances.

3 (c) The travel is necessary to produce budgetary savings or to
4 increase state revenues, including protecting existing federal
5 funds or securing additional federal funds.

6 (d) The travel is necessary to comply with federal
7 requirements.

8 (e) The travel is necessary to secure specialized training for
9 staff that is not available within this state.

10 (f) The travel is financed entirely by federal or nonstate
11 funds.

12 (2) If out-of-state travel is necessary but does not meet 1 or
13 more of the conditions in subsection (1), the state budget director
14 may grant an exception to allow the travel. Any exceptions granted
15 by the state budget director shall be reported on a monthly basis
16 to the house and senate appropriations committees.

17 (3) Not later than January 1 of each year, each department
18 shall prepare a travel report listing all travel by classified and
19 unclassified employees outside this state in the immediately
20 preceding fiscal year that was funded in whole or in part with
21 funds appropriated in the department's budget. The report shall be
22 submitted to the chairs and members of the house and senate
23 appropriations committees, the house and senate fiscal agencies,
24 and the state budget director. The report shall include the
25 following information:

26 (a) The name of each person receiving reimbursement for travel
27 outside this state or whose travel costs were paid by this state.

4 occurrence.

9 and the proportion funded with other revenues.

10 (f) A total of all out-of-state travel funded for the
11 immediately preceding fiscal year.

12 Sec. 216. The director shall take all reasonable steps to
13 ensure businesses in deprived and depressed communities compete for
14 and perform contracts to provide services or supplies, or both.
15 Each director shall strongly encourage firms with which the
16 department contracts to subcontract with certified businesses in
17 depressed and deprived communities for services, supplies, or both.

18 Sec. 219. (1) In addition to the funds appropriated in part 1,
19 there is appropriated an amount not to exceed \$5,000,000.00 for
20 federal contingency funds. These funds are not available for
21 expenditure until they have been transferred to another line item
22 in this act under section 393(2) of the management and budget act,
23 1984 PA 431, MCL 18.1393.

12 until they have been transferred to another line item in this act
13 under section 393(2) of the management and budget act, 1984 PA 431,
14 MCL 18.1393.

15 Sec. 220. The department shall provide data requested by a
16 member of the legislature, his or her staff, or the house and
17 senate fiscal agencies in a timely manner.

18 Sec. 221. Funds appropriated in part 1 shall not be used by a
19 principal executive department, state agency, or authority, to hire
20 a person to provide legal services that are the responsibility of
21 the attorney general. This prohibition does not apply to legal
22 services for bonding activities and for those activities that the
