An applicant is qualified if all of the following circumstances exist:

(d) A felony charge against the person is not pending at the time of application.

(e) The person is not prohibited from possessing, using, transporting, selling, purchasing, carrying, shipping, receiving, or distributing a firearm under section 224f of the Michigan penal code, 1931 PA 328, MCL 750.224f.

(f) The person has not been adjudged insane in this state or elsewhere unless he or she has been adjudged restored to sanity by court order.

(g) The person is not under an order of involuntary commitment in an inpatient or outpatient setting due to mental illness.

(h) The person has not been adjudged legally incapacitated in this state or elsewhere. This subdivision does not apply to a person who has had his or her legal capacity restored by order of the court.

(i) The person correctly answers 70% or more of the questions on a basic pistol safety review questionnaire approved by the basic pistol safety review board and provided to the individual free of charge by the licensing authority. If the person fails to correctly answer 70% or more of the questions on the basic pistol safety review questionnaire, the licensing authority shall inform the person of the questions he or she answered incorrectly and allow the person to attempt to complete another basic pistol safety review questionnaire. The person shall not be allowed to attempt to complete more than 2 basic pistol safety review questionnaires on any single day. The licensing authority shall allow the person to attempt to complete the questionnaire during normal business hours on the day the person applies for his or her license.

(4) Applications for licenses under this section shall be signed by the applicant under oath upon forms provided by the director of the department of state police. Licenses to purchase, carry, possess, or transport pistols shall be executed in quadruplicate upon forms provided by the director of the department of state police and shall be signed by the licensing authority. Four copies of the license shall be delivered to the applicant by the licensing authority. A license is void unless used within 10 days after the date it is issued.

(5) If an individual purchases or otherwise acquires a pistol, the seller shall fill out the license forms describing the pistol, together with the date of sale or acquisition, and sign his or her name in ink indicating that the pistol was sold to or otherwise acquired by the purchaser. The purchaser shall also sign his or her name in ink indicating the purchase or other acquisition of the pistol from the seller. The seller may retain a copy of the license as a record of the transaction. The purchaser shall receive 3 copies of the license. The purchaser shall return 2 copies of the license to the licensing authority within 10 days after the date the pistol is purchased or acquired. The return of the copies to the licensing authority may be made in person or may be made by first-class mail or certified mail sent within the 10-day period to the proper address of the licensing authority. A purchaser who fails to comply with the requirements of this subsection is responsible for a state civil infraction and may be fined not more than \$250.00. If a purchaser is found responsible for a state civil infraction under this subsection, the court shall notify the department of state police of that determination.

(6) Within 48 hours after receiving the license copies returned under subsection (5), the licensing authority shall forward 1 copy of the license to the department of state police. The licensing authority shall retain the other copy of the license as an official record for not less than 6 years. Within 10 days after receiving the license copies returned under subsection (5), the licensing authority shall electronically enter the information into the pistol entry database as required by the department of state police if it has the ability to electronically enter that information. If the licensing authority does not have that ability, the licensing authority shall provide that information to the department of state

Any licensing authority that provided pistol descriptions to the department of state police under former section 9 of this act shall continue to provide pistol descriptions to the department of state police under this subsection. The purchaser has the right to obtain a copy of the information placed in the pistol entry database under this subsection to verify the accuracy of that information. The licensing authority may charge a fee not to exceed \$1.00 for the cost of providing the copy. The licensee may carry, use, possess, and transport the pistol for 30 days beginning on the date of purchase or acquisition only while he or she is in possession of his or her copy of the license.
