Rep. John Proos, from the 79th District, offered the following invocation:

“Heavenly Father -

We stand before You thankful for the many blessings that You have bestowed on our nation, our state, our families and indeed the many blessings that You have given to each of us in this Chamber.

Father, we implore Your charity during this season of Lent, as we strive to cleanse ourselves of the sins that separate us from Your loving and forgiving spirit. As we prepare for the arrival of Your risen Son this Easter, we ask that You fill us with Your divine strength that we may carry out Your will. As St. Paul stated in his letter to the Romans, 8:31-32, “If God is for us, who is against us? He who did not spare his own Son but gave Him up for us all, will He not also give us all things with Him?” (Rom 8:31-32, RSV).

Gracious God, we praise and thank You for standing at our side and ask that You bless us with Your Holy Spirit so that we may do Your will now and forever more.

In Your Holy Name we pray,
Amen.”

The Speaker Pro Tempore called Associate Speaker Pro Tempore Haase to the Chair.

House Resolution No. 241.

A resolution to recognize April 2010 as Autism Awareness Month in the state of Michigan.

Whereas, Autism is a complex developmental disability that typically appears during the first three years of life and affects a person's ability to communicate and interact with others; and

Whereas, In the decades since being discovered, autism spectrum disorder (ASD) has become the country's fastest-growing developmental disorder; and

Whereas, Today, autism affects one in 110 children, and one in 70 boys; and

Whereas, In Michigan, nearly 14,000 children of all racial, ethnic, and social groups have ASD, and that number is rising dramatically; and

Whereas, There is no known cure for autism, however, medically proven treatments recommended by credible public health experts like the US Surgeon General can, in many cases, enable a child with autism to grow into a self-sufficient member of society; and

Whereas, On average, it costs \$3.2 million to provide care for an untreated person with autism over his or her lifetime, however, treatment can cut that lifetime cost by more than half; and

Whereas, Michigan spends \$100 million each year for classroom aides, speech therapy, and other services to help children with autism, and every taxpayer in Michigan pays the price when a child with autism cannot access effective, intensive treatment through his or her doctors and therapists; and

Whereas, On December 18, 2007, the United Nations General Assembly adopted resolution 62/139, declaring April 2 as World Autism Awareness Day in perpetuity and this UN resolution is one of only three official disease-specific United Nations Days; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body recognize April 2010 as Autism Awareness Month in the state of Michigan. We express our support for the thousands of Michigan families living with autism each day, and for the proactive leadership of Autism Speaks, the Autism Society of America, and others committed to fighting this disorder; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Chapter of Autism Speaks as a token of our highest esteem.

The question being on the adoption of the resolution,
The resolution was adopted.

Reps. Sheltrown, Terry Brown, Espinoza, Robert Jones, Liss, Roberts and Valentine offered the following resolution:
House Resolution No. 242.

A resolution to urge the Michigan Department of Community Health to acknowledge Failure to Thrive as a specific illness.

Whereas, Failure to Thrive (FTT) is a chronic health condition that affects infants at a critical time in their growth and development. The American Association of Family Physicians defines Failure to Thrive as “inadequate growth diagnosed by observation of growth over time using a standard growth chart.” A child is diagnosed by most practitioners when a child’s weight for age drops below the fifth percentile or crosses two major percentile lines; and

Whereas, FTT causes a child to have difficulties in maintaining life-sustaining nutrition due to multiple allergies and digestive problems. As one of the major causes of malnutrition, FTT accounts for 1-5 percent of all pediatric hospital admissions. Socioeconomic factors, such as financial hardship, lack of knowledge of infant/child nutrition, and family stressors due to poverty, exponentially raise the vulnerability of infants to FTT; and

Whereas, Currently, FTT is one among numerous other chronic conditions. However, because 75 percent of brain development occurs in the first years of life, its potentially severe consequences for the health and life of infants warrants recognition as a specific illness; now, therefore, be it

Resolved by the House of Representatives, That we urge the Michigan Department of Community Health to acknowledge Failure to Thrive as a specific illness; and be it further

Resolved, That copies of this resolution be transmitted to the Governor and the Director of the Michigan Department of Community Health.

The resolution was referred to the Committee on Health Policy.

Reps. Angerer and Hildenbrand offered the following concurrent resolution:

House Concurrent Resolution No. 50.

A concurrent resolution providing for a joint convention of the House of Representatives and the Senate.

Resolved by the House of Representatives (the Senate concurring), That the House of Representatives and Senate shall meet in joint convention in the Hall of the House of Representatives, Wednesday, April 14, 2010, at 2:00 p.m., to receive the State of the Judiciary message from the Honorable Marilyn Kelly, Chief Justice of the Michigan Supreme Court.

The question being on the adoption of the concurrent resolution,
The concurrent resolution was adopted.

Reps. Robert Jones, Nathan, Stanley, Young, Johnson, Womack, Bettie Scott, Gregory, Cushingberry, Lemmons, Jackson, Durhal, Tlaib, Smith, Dean, Espinoza, Gonzales, Polidori, Paul Scott, Ball, Terry Brown, Liss, Lund, Miller, Scripps, Valentine and Warren offered the following concurrent resolution:

House Concurrent Resolution No. 51.

A concurrent resolution to decry the atrocities taking place in Darfur and to urge the President and Congress to take all steps possible to alleviate the suffering and bring about a lasting political settlement in the region.

Whereas, Since 2003, The Darfur region of Sudan and has been embroiled in armed, tumultuous, divisive, and deadly conflict among Sudanese government armed forces, allied militia known as the Janjaweed, and rebel Sudanese groups known as the Sudanese Liberation Army/Movement and the Justice and Equality Movement; and

Whereas, The rebel Sudanese Liberation Army and the Justice and Equality Movement challenged the Sudanese government about oppression of non-Arabs, decades of neglect, and the underdevelopment and political marginalization of the region, and the Sudanese government’s armed forces and the Janjaweed forces, largely composed of Arab nomadic fighters, responded by targeting and torturing civilian, largely African non-Arab Darfurian populations. The Janjaweed paramilitary forces have systematically starved civilians; raped, sexually assaulted, and branded women and girls; murdered men, women, and children; looted, razed, and burned houses, crops, and villages to the ground; and launched massive aerial bombardments and ground assaults; and

Whereas, More than 400,000 Darfurian people have been killed; more than 2.5 million innocent persons have been forced to flee their homes and relocate in Chad and other neighboring areas; and more than 4 million men, women, and children have received and relied on international aid for survival. The defenseless people who have remained in Darfur face huge shortages of safe food, water, and medicines; infectious diseases; substandard sanitation and nutrition; and eventual displacement or death; and

Whereas, Since 1916, when Sudan became a British Colony, and 1956, when Sudan gained independence from the United Kingdom, Darfur's history has included civil strife, religious conflict, environmental calamity, political exploitation, deadly famine, and civilian attacks during decades of conflict and economic neglect and marginalization; and

Whereas, The Darfurian people lack the resources to resolve the country's internal conflicts. The African Union has a peace force of 7,000 in Darfur who are unpaid, under trained, outnumbered, and inadequately equipped to protect Darfurians; and

Whereas, The displacement of Darfurians to Chad has resulted in refugee camps for thousands who have fled Darfur and also require stability and security from an international force; and

Whereas, Darfur is now facing its worst humanitarian crisis since 1988. This continuing violent conflict is one of the worst crises in the world, and the extraordinary escalating strife and violence in Darfur is a global issue, and not just an African problem. A political settlement being essential to resolve this terrible situation and halt the genocide, there is an urgent need for international involvement and the leadership of the United States; now therefore be it

Resolved by the House of Representatives (the Senate concurring), That we decry the atrocities taking place in Darfur and urge the President and Congress to take all steps possible to alleviate the suffering and bring about a lasting political settlement in the region. We also urge educational institutions, corporations, community and civic organizations, churches, the media, and others to work to end the human rights abuses in Darfur; and be it further

Resolved, That copies of this resolution be transmitted to the office of the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Government Operations.

Senate Concurrent Resolution No. 37.

A concurrent resolution to urge inclusion of an addendum to address aquatic invasive species in the Great Lakes Water Quality Agreement.

Whereas, For nearly 40 years, the Great Lakes Water Quality Agreement between the United States and Canada has provided a binational vision for water quality in the Great Lakes with a common set of goals. The agreement has allowed the two countries to coordinate efforts to clean up, restore, and maintain water quality of this shared natural resource; and

Whereas, The Great Lakes Water Quality Agreement needs to be updated for the twenty-first century. The agreement has not been amended in over 20 years and, with changes, could provide even better protection for the Great Lakes over the next 40 years. New issues, new approaches, and new expectations for participation and accountability have fundamentally altered the landscape for managing Great Lakes water quality; and

Whereas, An amended agreement must address the pressing issue of aquatic invasive species. Few issues are of greater importance to the Great Lakes. Aquatic invasive species are clearly a form of biological pollution and well within the scope of the agreement's purpose. Protecting the Great Lakes from aquatic invasive species requires the full cooperation and coordination of U.S. and Canadian authorities. The Great Lakes Water Quality Agreement is a perfect vehicle to achieve these ends; and

Whereas, An annex on aquatic invasive species should provide clear regional goals and objectives for preventing new invasions and eradicating or controlling new invaders. It must establish a framework for the states and provinces to work together in concert with the respective federal governments for the benefit of the entire region. Once established in one jurisdiction, aquatic invasive species can spread throughout the Great Lakes, affecting all the other jurisdictions. An annex that ensures a coordinated and concerted effort is necessary to protect the Great Lakes from aquatic invasive species; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we urge inclusion of an addendum to address aquatic invasive species in the Great Lakes Water Quality Agreement; and be it further

Resolved, That copies of this resolution be transmitted to the U.S. Secretary of State and the members of the Michigan congressional delegation.

The Senate has adopted the concurrent resolution.

Reps. Ball, Lisa Brown, Terry Brown, Byrnes, Crawford, Ebli, Espinoza, Hansen, Hildenbrand, Robert Jones, LeBlanc, Liss, Lori, Pearce, Roberts, Scripps, Valentine and Warren were named co-sponsors of the concurrent resolution.

The concurrent resolution was referred to the Committee on Great Lakes and Environment.

Senate Concurrent Resolution No. 38.

A concurrent resolution to urge the Great Lakes-St. Lawrence River Basin Water Resources Council to scrutinize carefully the proposed diversion at Waukesha, Wisconsin.

Whereas, The Great Lakes states ratified the Great Lakes-St. Lawrence River Basin Water Resources Compact to prevent harmful and unnecessary water diversions from the Great Lakes. The compact establishes strict standards and a regional approval process that must be met prior to new diversions from the lakes to communities outside the basin; and

Whereas, The first request to divert water to a community outside the Great Lakes Basin is imminent. The city of Waukesha, Wisconsin, has stated its intention to apply for an 18.5-million-gallon per-day diversion of water from Lake Michigan to meet its current drinking water needs and future economic growth; and

Whereas, There are concerns that the Waukesha proposal may not go far enough to meet the standards required by the compact for approving a diversion. The compact envisions a limited exception for diversions when the public need is great in communities bordering the Great Lakes Basin, and every effort has been made to minimize the need for Great Lakes water, including the implementation of significant water conservation measures. It is not clear if the city of Waukesha proposal truly represents the minimum diversion necessary to meet the city's needs; and

Whereas, The review of the proposed Waukesha diversion will provide precedent for future water diversion proposals and approvals. The Great Lakes governors represented on the Great Lakes-St. Lawrence River Basin Water Resources Council's interpretation of the compact will set the standard for future diversion proposals and approvals. The council must carefully consider how it will apply the compact standards, particularly what constitutes sufficient water conservation measures and how communities outside the basin account for these water conservation measures and future growth in determining how much water needs to be diverted; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we urge the Great Lakes-St. Lawrence River Basin Water Resources Council to scrutinize carefully the proposed diversion at Waukesha, Wisconsin; and be it further

Resolved, That copies of this resolution be transmitted to the Great Lakes-St. Lawrence River Basin Water Resources Council, the Office of the Governor, and the Office of the Great Lakes.

The Senate has adopted the concurrent resolution.

Reps. Ball, Terry Brown, Byrnes, Crawford, Daley, Ebli, Espinoza, Hildenbrand, Robert Jones, Lori, Pearce, Roberts, Scripps, Valentine and Warren were named co-sponsors of the concurrent resolution.

The concurrent resolution was referred to the Committee on Great Lakes and Environment.
