16 (3) Except as provided in section 9(2)(h), after December 31,

23 unit shall not establish a plant rehabilitation district or an  
24 industrial development district pursuant to subsection (2) if it

16 Sec. 7. (1) Within 60 days after receipt of an approved

20 building, **AN EXISTING FACILITY**, or designed and acquired primarily  
21 for the purpose of restoration or replacement of obsolete  
22 industrial property or the construction of new industrial property,  
23 and whether the facility otherwise complies with section 9 and with  
24 the other provisions of this act. If the commission so finds, it  
25 shall issue an industrial facilities exemption certificate. Before  
26 issuing a certificate the commission shall notify the state  
27 treasurer of the application and shall obtain the written

1 concurrence of the department of energy, labor, and economic growth  
2 that the application complies with the requirements in section 9.  
3 Except as otherwise provided in section 7a, the effective date of  
4 the certificate for a replacement facility, **AN EXISTING FACILITY,**  
5 or **A** new facility is the immediately succeeding December 31  
6 following the date the certificate is issued. For a speculative  
7 building or a portion of a speculative building, except as  
8 otherwise provided in section 7a, the effective date of the

10 date the speculative building, or the portion of a speculative  
11 building, is used as a manufacturing facility.

12 (2) The commission shall send an industrial facilities  
13 exemption certificate, when issued, by mail to the applicant, and a  
14 certified copy by mail to the assessor of the assessing unit in  
15 which the facility is located or to be located, and that copy shall  
16 be filed in his or her office. Notice of the commission's refusal  
17 to issue a certificate shall be sent by mail to the same persons.

18 (3) Notwithstanding any other provision of this act, if on  
19 December 29, 1986 a local governmental unit passed a resolution  
20 approving an exemption certificate for 10 years for real and  
21 personal property but the commission did not receive the  
22 application until 1992 and the application was not made complete  
23 until 1995, then the commission shall issue, for that property, an  
24 industrial facilities exemption certificate that begins December  
25 30, 1987 and ends December 30, 1997.

26 (4) Notwithstanding any other provision of this act, if  
27 pursuant to section 16a a local governmental unit passed a

1 resolution approving an industrial facilities exemption certificate  
2 for a new facility on October 14, 2003 for a certificate that  
3 expired in December 2002, the commission shall issue for that  
4 property an industrial facilities exemption certificate that begins  
5 on December 30, 2002 and ends December 30, 2009.

6 (5) Notwithstanding any other provision of this act, if on or  
7 before February 10, 2007 a local governmental unit passed a  
8 resolution approving an amendment of an industrial facilities  
9 exemption certificate for a replacement facility and that  
10 certificate was revoked by the commission effective December 30,  
11 2005 with the order of revocation issued by the commission on April  
12 10, 2006, notwithstanding the revocation, the commission shall  
13 retroactively amend the certificate and give full effect to the  
14 amended certificate, which shall include the additional personal  
15 property expenditures described in the resolution amending the  
16 certificate, for the period of time beginning when the certificate  
17 was originally approved until the certificate was revoked.

18 Sec. 9. (1) The legislative body of the local governmental  
19 unit, in its resolution approving an application, shall set forth a  
20 finding and determination that the granting of the industrial  
21 facilities exemption certificate, considered together with the  
22 aggregate amount of industrial facilities exemption certificates  
23 previously granted and currently in force, shall not have the  
24 effect of substantially impeding the operation of the local  
25 governmental unit or impairing the financial soundness of a taxing  
26 unit that levies an ad valorem property tax in the local  
27 governmental unit in which the facility is located or to be

1 located. If the state equalized valuation of property proposed to  
2 be exempt pursuant to an application under consideration,  
3 considered together with the aggregate state equalized valuation of  
4 property exempt under certificates previously granted and currently  
5 in force, exceeds 5% of the state equalized valuation of the local  
6 governmental unit, the commission, with the approval of the state  
7 treasurer, shall make a separate finding and shall include a  
8 statement in the order approving the industrial facilities  
9 exemption certificate that exceeding that amount shall not have the  
10 effect of substantially impeding the operation of the local  
11 governmental unit or impairing the financial soundness of an  
12 affected taxing unit.

13 (2) Except for an application for a speculative building,  
14 which is governed by subsection (4), **OR FOR AN APPLICATION FOR AN**  
15 **EXISTING FACILITY**, the legislative body of the local governmental  
16 unit shall not approve an application and the commission shall not  
17 grant an industrial facilities exemption certificate unless the  
18 applicant complies with all of the following requirements:

19 (a) The commencement of the restoration, replacement, or  
20 construction of the facility occurred not earlier than 12 months  
21 before the filing of the application for the industrial facilities  
22 exemption certificate. If the application is not filed within the  
23 12-month period, the application may be filed within the succeeding  
24 12-month period and the industrial facilities exemption certificate  
25 shall in this case expire 1 year earlier than it would have expired  
26 if the application had been timely filed. This subdivision does not  
27 apply for applications filed with the local governmental unit after

1 December 31, 1983.

2 (b) For applications made after December 31, 1983, the  
3 proposed facility shall be located within a plant rehabilitation  
4 district or industrial development district that was duly  
5 established in a local governmental unit eligible under this act to  
6 establish a district and that was established upon a request filed  
7 or by the local governmental unit's own initiative taken before the  
8 commencement of the restoration, replacement, or construction of  
9 the facility.

10 (c) For applications made after December 31, 1983, the  
11 commencement of the restoration, replacement, or construction of  
12 the facility occurred not earlier than 6 months before the filing  
13 of the application for the industrial facilities exemption  
14 certificate.

15 (d) The application relates to a construction, restoration, or  
16 replacement program that when completed constitutes a new or  
17 replacement facility within the meaning of this act and that shall  
18 be situated within a plant rehabilitation district or industrial  
19 development district duly established in a local governmental unit  
20 eligible under this act to establish the district.

21 (e) Completion of the facility is calculated to, and will at  
22 the time of issuance of the certificate have the reasonable  
23 likelihood to create employment, retain employment, prevent a loss  
24 of employment, or produce energy in the community in which the  
25 facility is situated.

26 (f) Completion of the facility does not constitute merely the  
27 addition of machinery and equipment for the purpose of increasing

1 productive capacity but rather is primarily for the purpose and  
2 will primarily have the effect of restoration, replacement, or  
3 updating the technology of obsolete industrial property. An  
4 increase in productive capacity, even though significant, is not an  
5 impediment to the issuance of an industrial facilities exemption  
6 certificate if other criteria in this section and act are met. This  
7 subdivision does not apply to a new facility.

8 (g) The provisions of subdivision (c) do not apply to a new  
9 facility located in an existing industrial development district  
10 owned by a person who filed an application for an industrial  
11 facilities exemption certificate in April of 1992 if the  
12 application was approved by the local governing body and was denied  
13 by the state tax commission in April of 1993.

14 (h) The provisions of subdivisions (b) and (c) and section  
15 4(3) do not apply to 1 or more of the following:

21 1994. An industrial facilities exemption certificate described in  
22 this subparagraph shall expire as provided in section 16(3).

23 (ii) A facility located in an industrial development district  
24 that was established in January 1994 and was owned by a person who

27 property portions of the application were approved by the

1 legislative body of the local governmental unit and the personal  
2 property portion of the application was approved by the state tax  
3 commission in December 1994 and the real property portion of the  
4 application was denied by the state tax commission in December  
5 1994. An industrial facilities exemption certificate described in  
6 this subparagraph shall expire as provided in section 16(3).

7 (iii) A facility located in an industrial development district

16 by the legislative body of the local governmental unit in September

21 certificate in October 2001, and a corrected tax bill shall be  
22 issued by the local tax collecting unit if the local tax collecting  
23 unit has possession of the tax roll or by the county treasurer if  
24 the county has possession of the tax roll. If granting the  
25 industrial facilities exemption certificate under this subparagraph  
26 results in an overpayment of the tax, a rebate, including any  
27 interest and penalties paid, shall be made to the taxpayer by the

1 local tax collecting unit if the local tax collecting unit has  
2 possession of the tax roll or by the county treasurer if the county  
3 has possession of the tax roll within 30 days of the date the  
4 exemption is granted. The rebate shall be without interest.

5 (v) A facility located in an industrial development district  
6 owned by a person who filed an application for an industrial
