

HOUSE SUBSTITUTE FOR
SENATE BILL NO. 1443

A bill to amend 1994 PA 451, entitled
"Natural resources and environmental protection act,"
by amending section 5204a (MCL 324.5204a), as added by 2005 PA 254,
and by adding section 5317.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 5204a. (1) The authority, in conjunction with the
2 department, shall establish a strategic water quality initiatives
3 grant program that provides grants totaling not more than
4 ~~\$40,000,000.00~~ **\$80,000,000.00** to eligible municipalities. The grant
5 program shall provide assistance to municipalities to complete the
6 loan application requirements of section 5308 **OR TO COMPLETE THE**
7 **LOAN APPLICATION REQUIREMENTS FOR OTHER SOURCES OF FINANCING FOR**
8 **SEWAGE TREATMENT WORKS PROJECTS, STORM WATER TREATMENT PROJECTS, OR**
9 **NONPOINT SOURCE PROJECTS.**

(2) The grant program is subject to all of the following:

(a) The grant program shall provide grants to cover not more than 90% of the costs incurred by a municipality to complete an application for loan assistance from the state water pollution control revolving fund or the fund **OR TO COMPLETE AN APPLICATION FOR LOAN ASSISTANCE FROM ANOTHER SOURCE OF FINANCING FOR A SEWAGE TREATMENT WORKS PROJECT, A STORM WATER TREATMENT PROJECT, OR A NONPOINT SOURCE PROJECT.**

(b) The 10% local match is not eligible for loan assistance from the state water pollution control revolving fund or the fund **OR OTHER SOURCE OF FINANCING FOR THE PROJECT.**

(c) Grant funds shall not be used for general local government administrative activities or activities performed by municipal employees.

(d) A municipality shall not receive more than \$1,000,000.00 in total grant assistance under this section.

(e) Grants under this section shall be available for projects seeking or intending to seek loan assistance after September 30, 2006.

~~—— (f) The department shall cease accepting grant applications under this section 2 years after the date the first grant agreement is entered into under subsection (3).~~

(3) ~~Within 6 months after the effective date of the amendatory act that added this section, the~~ **THE** department shall establish an application and review process for considering grant applications under this section. The application shall contain the information required by the department and the authority. Within ~~30~~ **60** days

1 after receipt of an application, the department shall publish
2 notice of the application on the department's calendar. Within 60
3 days after receipt of an administratively complete grant
4 application, the department shall, in writing, notify the applicant
5 whether the application is approved or rejected. If the department
6 approves a grant under this section, the department and the
7 authority shall enter into a grant agreement with the recipient
8 prior to transferring funds. The grant agreement shall contain
9 terms established by the department and the authority and a
10 requirement that the grant recipient repay the grant, within 90
11 days of being informed to do so, with interest at a rate not to
12 exceed 8% per year, to the authority for deposit into the fund if
13 any of the following occur:

14 (a) The applicant fails to submit an administratively complete
15 loan application for assistance from the state water pollution
16 control revolving fund or the fund **OR OTHER SOURCE OF FINANCING** for
17 the project within 3 years of the grant award.

18 (b) The project has been identified as being in the fundable
19 range **OR IS APPROVED FOR FUNDING FROM ANOTHER SOURCE** and the
20 applicant declines **THE** loan assistance ~~from the state water~~
21 ~~pollution control revolving fund or the fund in that fiscal year.~~
22 **FOR 2 CONSECUTIVE FISCAL YEARS UNLESS THE APPLICANT PROCEEDS WITH**
23 **FUNDING FROM ANOTHER SOURCE.**

24 (c) The applicant is unable to, or decides not to, proceed
25 with constructing the project. ~~or opts to finance construction by~~
26 ~~means other than a grant from the state water pollution control~~
27 ~~revolving fund or the fund.~~

(4) For each year in which the department receives grant applications under this section, the department shall report by July 1 of each year to the standing committees of the senate and the house of representatives with primary jurisdiction over issues pertaining to natural resources and the environment and to the senate and house of representatives appropriations committees on the utilization of funds under this part that were received from the Great Lakes water quality bond fund created in section 19706.
