House Bill 5192 (as passed by the House)  
Sponsor: Representative Fred Durhal, Jr.  
House Committee: Oversight, Reform, and Ethics  
Senate Committee: Reforms, Restructuring and Reinventing

Date Completed: 12-13-11

### **CONTENT**

The bill would amend the public employment relations Act to revise language under which the selection of a retirant member of a municipality's fire and/or police pension board is a prohibited subject of collective bargaining.

Currently, if the charter of a city, village, or township with a population of 500,000 or more specifies the selection of a retirant member of the municipality's fire department, police department, or fire and police department pension or retirement board, the method of selection of that member is a prohibited subject of bargaining.

Under the bill, if the charter required and specified the method of selection of a retirant member, the inclusion of that member and the method of selection would be prohibited subjects of collective bargaining. Any provision in a collective bargaining agreement that purported to modify that charter requirement would be void.
