26 the challenge the voter indicates that he or she resides at the
27 registration address or has changed addresses within the city or

1 township, the voter shall be permitted to vote a regular ballot
2 rather than a challenged ballot. The voter shall complete a

20 (C) A NOTICE PROVIDING THAT IF THE ADDRESS INFORMATION IS
21 INCORRECT AND THE VOTER HAS NOT MOVED TO ANOTHER STATE AND WISHES
22 TO REMAIN REGISTERED TO VOTE, THE VOTER SHOULD COMPLETE AND

4 GENERAL ELECTION THAT IS HELD AFTER THE DATE ON THE NOTICE, THE
5 REGISTRATION OF THE VOTER WILL BE CANCELED AND HIS OR HER NAME
6 WILL BE REMOVED FROM THE QUALIFIED VOTER FILE.

7 Sec. 658. When a city, ward, township, or village is divided
8 into 2 or more election precincts, pursuant to law, and it
9 appears from an examination of the precinct registration records
10 ~~, that there are not more than 400 registered electors in the~~
11 ~~city, ward, township, or village using paper ballots, or not more~~
12 than 2,999 **ACTIVE** registered electors in the city, ward,
13 township, or village using voting machines, the election
14 commission, or other officials charged with the performance of
15 the duty by the charter of a city or village, by resolution, may
16 abolish the division or divisions and after that time the city,
17 ward, township, or village shall constitute a single election
18 precinct as if a division had not been made. A consolidation
19 shall not be made later than the 120 days before a primary or
20 election.

21 Sec. 659. (1) If a county, city, ward, township, village, or
22 school district is divided into 2 or more election precincts, the
23 county, city, ward, township, or village election commissioners
24 may, by resolution, consolidate the election precincts for a
25 particular election that is not a general November election,
26 primary election immediately before a general November election,
27 or other statewide or federal election. In making the

1 determination to consolidate election precincts for a particular
2 election, the election commission shall take into consideration
3 the number of choices the voter must make, the percentage of
4 registered voters who voted at the last similar election in the
5 jurisdiction, and the intensity of the interest of the electors
6 in the jurisdiction concerning the candidates and proposals to be
7 voted upon. Consolidated precincts shall not exceed 5,000 **ACTIVE**
8 registered electors.

9 (2) A consolidation under this section shall be made not
10 less than 60 days before a primary, general, or special election.

11 (3) Unless the polling places for the election precincts to
12 be consolidated are located in the same building, when a county,
13 city, ward, township, or village consolidates election precincts
14 for a particular election under subsection (1), the election
15 commissioners or other designated election officials shall do
16 both of the following:

17 (a) Provide notice to the registered electors of the
18 affected election precincts of the consolidation of election
19 precincts for the particular election and the location of the
20 polling place for the election precinct or precincts for that
21 election. Notice may be provided by mail or other method designed
22 to provide actual notice to the registered electors.

23 (b) Post a written notice at each election precinct polling
24 place stating the location of the consolidated election precinct
25 polling place.

26 (4) If a county, city, ward, township, or village
27 consolidates election precincts under this section, each affected

1 election precinct shall be treated as a whole unit and shall not
2 be divided during the consolidation.

3 Sec. 661. (1) When the voter registration in a precinct
4 using voting machines is 1,000 or less, there shall be not less
5 than 1 voting machine for each 500 active registered electors at
6 the general November election and at the primary immediately
7 preceding that election. When the **VOTER** registration in a
8 precinct using voting machines is more than 1,000 and less than
9 3,000, there shall be at least 1 voting machine for each 600
10 active registered electors at the general November election and
11 at the primary immediately preceding that election. At other
12 primaries and elections, the number of voting machines shall be
13 at the discretion of the local election commission. In making
14 this determination, the local election commission shall take into
15 consideration the number of choices the voter must make, the
16 percentage of registered voters who voted at the last similar
17 election in the jurisdiction, and the intensity of the interest
18 of the electors in the jurisdiction concerning the candidates and
19 proposals to be voted upon. When the **VOTER** registration in a
20 precinct using voting machines exceeds 2,999, the precinct shall
21 be divided or rearranged.

22 (2) Except as provided in subsection (3), city and township
23 election commissions shall divide precincts according to law, not
24 later than 210 days before the primary next preceding the general
25 November election, and shall immediately notify the county clerk
26 of the number of registered voters in each precinct in the city
27 or township. The county clerk shall notify the secretary of state

1 not later than 200 days before the primary of a precinct in the
2 clerk's county which has not been divided according to law, and
3 the secretary of state shall proceed to make divisions as are
4 necessary at the expense of the city or township involved, not
5 later than 180 days before the primary next preceding the general
6 November election. If the election commission of a city, village,
7 or township using voting machines decides to use paper ballots
8 for a primary or election, the preceding limitations shall
9 continue for that election. A division of precincts shall be made
10 effective not later than 180 days before the primary election
11 next preceding the general November election.

12 (3) In the second year following each federal census,
13 precincts shall be divided pursuant to this subsection. City and
14 township election commissions shall divide precincts, not later
15 than 120 days before the primary election next preceding the
16 general November election in order that a precinct, as far as is
17 practical, is not split between districts and does not exceed
18 2,999 registered voters, and shall immediately notify the county
19 clerk of the number of registered voters in each precinct in each
20 city or township. The county clerk shall notify the secretary of
21 state not later than 110 days before the primary of any precincts
22 in the county which have not been divided, and the secretary of
23 state shall proceed to make the divisions as are necessary, at
24 the expense of the city or township involved, not later than 90
25 days before the primary election next preceding the general
26 November election. The division of precincts shall be made
27 effective not later than 90 days before the primary election. The

Senate Bill No. 751 (S-1) as amended June 12, 2012

1 secretary of state may authorize, upon written request by a city
2 or township election commission, a later division of a precinct
3 which contains portions of more than 1 elective district. All
4 precinct divisions shall be completed not later than 90 days
5 before the primary election next preceding the general November
6 election. **IN DETERMINING THE NUMBER OF REGISTERED VOTERS FOR A
7 PRECINCT UNDER THIS SUBSECTION, A CITY OR TOWNSHIP ELECTION
8 COMMISSION OR THE SECRETARY OF STATE, AS APPLICABLE, MAY USE
9 EITHER OF THE FOLLOWING:**

10 (A) ONLY THE ACTIVE REGISTERED VOTERS FOR THAT CITY OR
