We ask today for Your guidance, blessing and wisdom as we assemble for this legislative session.

Help us to engage in meaningful discussion and lead us to make positive decisions that affect the citizens of the great state of Michigan.

Continue to remind us that all that we do here today is for the greater glory of You, and for the service of humanity. May we be men and women ever faithful to Your principles.

We ask all of these things in Your name,  
Amen.”

### Motions and Resolutions

Reps. Farrington, Brown, Cotter, Crawford, Darany, Durhal, Geiss, Heise, Hovey-Wright, Kelly, Singh and Slavens offered the following resolution:

#### **House Resolution No. 168.**

A resolution to declare July 2013 as Craft Beer Month in the state of Michigan.

Whereas, Michigan craft brewers are a vibrant affirmation and expression of Michigan’s entrepreneurial traditions, operating as community-based small businesses and providing employment for more than 1,000 workers; and

Whereas, Michigan has craft brewers in every region of the state and more than 100 craft brewers statewide; and

Whereas, The Michigan Brewers Guild celebrates Michigan Craft Beer Month each year by hosting a Summer Festival in July; and

Whereas, Michigan craft brewers support Michigan agriculture by purchasing hops, wheat, beet sugar, cherries, apples, and numerous other fruits, herbs, and vegetables grown in Michigan; and

Whereas, Michigan craft brewers promote Michigan’s spirit of independence through a renaissance in hand-crafted beers like those first brought to Michigan by European settlers and produced here by our forefathers, including Bernhard Stroh, for the enjoyment of the citizenry; and

Whereas, Michigan craft brewers strive to educate legal drinking-age residents about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, as well as historic brewing traditions, beer history, and gastronomic qualities of beer; and

Whereas, Michigan craft brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking; and

Whereas, Michigan craft brewers produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made Michigan the envy of many states, contributing to balanced trade with increased Michigan exports, and promoting Michigan tourism; and

Whereas, Michigan craft brewers have been a successful business model during our state’s economic struggles, thriving and expanding in furthering their economic importance to our state; and

Whereas, Michigan craft brewers are vested in the future, health, and welfare of their communities as employers providing a diverse array of quality local jobs, as contributors to the local tax base, and as committed sponsors of a broad range of vital community institutions and philanthropic causes. Their charitable endeavors include not-for-profit housing development associations, chambers of commerce, humane societies, athletic teams, and medical research; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2013 as Craft Beer Month in the state of Michigan. We recognize the contributions that Michigan craft brewers have made to the state’s communities, economy, and history; and be it further

Resolved, That we commend Michigan craft brewers for providing jobs, improving the balance of trade, supporting Michigan agriculture, and educating residents about the history and culture of beer while promoting the responsible consumption of beer as a beverage of moderation.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Cavanagh, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted NO on HB 4704 because the Michigan Judges Association, MI District Court Judges Association and the State Bar of Michigan opposed the legislation because it nullifies the courts role in its funding, allows priority for discretionary verses necessary funding and eliminates equitable jurisdiction to temporarily protect status quo to avoid serious consequences. Additionally, I don't believe that we in Lansing need to legislate to fix problems that do not or should not exist. The bill attempts to address a ‘problem’ that seems to be unique to just Wayne County.”

The Speaker Pro Tempore assumed the Chair.

Rep. Stamas moved that **House Bill No. 4663** be placed on its immediate passage.

The motion prevailed, a majority of the members serving voting therefor.

### Announcements by the Clerk

The Clerk received the following dissent on **House Bill No. 4355**, from Rep. Irwin:

I continue to object to the use of procedural tricks to subvert the Constitutional rights of citizens to know accurately the actions of the House of Representatives. Motions for immediate effect are routinely gavelled through without even a pretense of vote counting. This motion requires support from 2/3rds of the members and there is no genuine effort to ascertain the level of support for immediate effect. I object to this practice and I object to the erroneous assertions printed in the House Journal that suggest an authentic counting of votes occurred on the House floor.
